| The Sermon Given at the Festival in Israel |

Why Is Jesus Our Only Savior?

"And there is salvation in no one else; for there is no other name under heaven that has been given among men by which we must be saved." (Acts 4:12)

Israel is God's Elect. He Himself chose Israel and has been leading His people to this day (Deuteronomy 4:31). They have believed in the One and Only Deity God and are awaiting the fulfillment of His promise of salvation. But many people around the world believe in Jesus Christ, who was born into this world 2000 years ago, as their Savior. Then let's think about this for a moment.

God formed Adam and Eve and He commanded Adam saying, "But from the tree of the knowledge of good and evil you shall not eat, for in the day that you eat from it you will surely die" (Genesis 2:17). But Adam and his wife Eve were tempted by the serpent and ate from the tree of the knowledge of good and evil. Through this incident sin entered into mankind, and because of this, Adam had to experience death. Here the term "death" refers not only to the physical death of his body, but also to his spiritual death which is falling into Hell. Because Jesus met the qualifications of the Savior, He could redeem mankind from their sins.

The third qualification for the Savior is that the person must have the power to save mankind from their sins. In the spiritual realm, having no sin is power. Jesus was not a descendant of Adam, therefore He had no original sin. And while growing up, He lived only according to God's word. Therefore, He never had any self-committed sins either (Hebrews 7:26; 1 Peter 2:22).

The fourth qualification for the Savior is that the person must have love. Jesus originally existed in the form of God in the beginning, and He is the Creator and Governor of the universe and everything in it. For such a holy Person to be able to take

Dr. Jaerock Lee

the terrible penalty of crucifixion on behalf of sinners, bearing all the humiliation, afflictions, and scorn duly deserving of sinners, shows that He had love. He could never have done all this if He did not have love. In order to redeem us from the curse of the Law (Romans 6:23), Jesus had to take upon Himself the curse and be hung on a tree for us as written in the Law (Galatians 3:13). For there is forgiveness only through the shedding of the blood which is identified with its life (Leviticus 17:14, Hebrews 9:22). Jesus shed His blood on our behalf and we were forgiven of our sins. The enemy devil provoked wicked people in order to kill Jesus, who was sinless. But, Jesus overcame the power of death and resurrected, because He had no sin at all.

So the enemy devil had violated the spiritual Law that states, "The wages of sin is death," because he instigated the killing of Jesus, who was sinless. As a result, the devil has to set free from the power of death all those who would accept Jesus as their Savior (Romans 5:18). Thus, those who have become one with the Lord Jesus are justified and gain eternal life through the faith in Him. This is the providence of salvation embedded in the cross (1 Corinthians 2:7). Above message is the summary of Dr. Jaerock Lee's sermon preached on the second day of the festival (9/7/09).

Then, what are these qualifications?
The first qualification is that the Savior must be a man. Because sin entered through the first man "Adam," the redemption from sins must also be through a man (1 Corinthians 15:21). Thus, Jesus came into the world in human form to obtain eternal redemption for all men once and for all (Hebrews 7:27, 9:12).
The second qualification for the Savior is that the person must not be a descendant of Adam. Adam's descendants are all sinners. A sinner cannot redeem other sinners from their sins. Because Jesus was conceived by the Holy Spirit before Mary was betrothed to Joseph, He was born without any original sin inherited from a man or his forefathers. Jesus simply borrowed the womb of the Virgin Mary.

The Power of God Shakes Jerusalem!

Many Experience Biblical Miracles

Dr. Frank Wright, President of NRB (National Religious Broadcasters), Rev. Nestor Colombo, President of GCN, Dr. Mikhail Morgulis, President of Spiritual Diplomacy, Dan Woodding, Founder and International Director of ANS (ASSIST News Service), Pablo Vasquez, the Director of the Eurasia region of Enlace, Rev. Gerard Uthayakumar, President of HolyGod TV, and many others were on the altar waiting for the crusade to begin. At 6:30 p.m., the festival began with opening remarks by Pastor Oleg Hazin, the General Manager of the Crystal Forum, and then Hilik Bar, the Minister of Tourism & Foreign Relations of the Municipality of Jerusalem gave the welcoming message to the congregation. Noaz Bar Nir, Israeli Tourism Ministry Director-General said in his congratulatory address, "This is amazing that we have gathered here to pray for the peace of Jerusalem and listen to the message of Dr. Jaerock Lee. Thank you for this opportunity."

After the opening messages, with a colorful fan dance performed by the Manmin Performance team, praise and

worship began and went on for 30 minutes.

The president introduced the 30 year ministry of Dr. Jaerock Lee who had led huge overseas crusades after he met God at the end of 7 years of suffering from diseases. Dr. Jaerock Lee, on the altar, expressed thanks to the Government of Israel and Municipality of Jerusalem. Then he started to preach about God, the one and only Creator, and His omnipotence. All the participants listened to the message intently and responded with 'Amen' and applause.

On the second day of the crusade, Dr. Jaerock Lee delivered a message titled "Why Is Jesus Our Only Savior?" Not only those who attended the festival, but viewers who watched the crusade through TV and Internet were deeply impressed to see Dr. Jaerock Lee boldly

Dr. Jaerock Lee fervently praying for healing of various diseases for people who attended the festival, and who are watching the event through live broadcasting

proclaiming that only Jesus is our Savior.

Dr. Frank Wright, President of NRB said in his greeting message, "We have gathered to praise the living God and declare that today is a day of grace. There's no way that I could hide the feeling of joy to see many people being healed by faith after living in torment with diseases."

After the message, Dr. Jaerock Lee fervently prayed for the sick people. Very quickly, the inside of the convention became filled with the heat of the fiery works of the Holy Spirit. Most of the people seriously received prayer with faith. As soon as the prayer was finished, people who received healing came out. The crippled threw away canes and stood up from their wheelchairs, and there were people who gained sight and threw away glasses. They confessed on the altar that at the

moment they received prayer, they felt the fire of Holy Spirit working in their entire body, and their problems were solved.

One unique thing about Dr. Jaerock Lee's crusade is WCDN (World Christian Doctors Network), whose members check the patients' conditions before and after the prayer and medically confirm God's healing. Mira, 63, was healed of headache and asthma and stood up from her wheelchair. And Hasse, 48, was set free from the pain of uterine cancer. And Elbikia, 52, had as many as 11 diseases such as arthritis and female disorders and was suffering severe pain from them. But all the pain disappeared while receiving the prayer. Elisabeth, 69, had to wear glasses resulting from diabetes beginning 3 years ago. She rejoiced saying that she felt her eyes getting better at the moment she received the prayer and could see well without glasses.

World renowned Christian journalists couldn't hide their amazement while witnessing this historical scene where Jesus Christ was proclaimed as Savior

Jesus Christ Proclaimed to the Whole World!

in Israel, the original birthplace of the gospel.

Rev. Igor Nikitin, Chairman of the Association of Christian Churches in Russia and President of TBN Russia said in his interview, "People of many backgrounds, including church leaders, political and business leaders who came from all over the world shared the grace that changed their life through this trip, and this was the greatest work of God's power that they've ever experienced. These miracles that happened in Jerusalem impressed not only people here, but in countries all around the world."

There was a booth adjacent to the convention center where Dr. Lee's books were available for purchase; books including 'Awaken Israel', 'The Message of the Cross', and 'The Measure of Faith'. Among these books, the book 'Life of Obedience and Life of Disobedience' was sold in the greatest number. Also, 'Hell' and 'God the Healer' gained popularity as well.

The Work of the Holy Spirit Manifested Transcending Space and Time

The two day festival in Israel was broadcasted to about 220 countries in the world, and the testimonies from viewers who experienced healing through television still continue to arrive to this day. The power of God continues to work, transcending space and time.

Norvano, 40, was in Kazakhstan attending the crusade through CNL. Via

phone, he notified his acquaintance who was at the festival, that he was able to begin moving his leg, which he couldn't move for a week.

Audience Praising God

In India, many attended the crusade via Ahrulbaku GCN TV and Salvation TV that broadcast to the state of Tamil Nadu and Karnataka. And 6 churches, including Chennai Manmin Church, attended the crusade via television. Missionary Joseph Han said, "The testimonies from people who attended the festival through screen are still pouring in, and the festival has been dubbed in Hindi for rebroadcasting through ZEE TV." Rachel Kaminer of New York recovered her hearing while watching the festival. She threw away the hearing aid that she had been wearing since childhood. Raksimirai, 55, of Nepal Manmin Mission Center was healed of kidney stones, Miya Gajurel, 49, was healed of hemorrhoids, Sanji Tamajuhuee, 2, was healed from paralysis of her right hand and legs.

Not only those overseas, but also those in Korea also experienced healing that transcended space and time.

Deaconess Suhee Lim received healing of lumbago, Deaconess Youngok Lee was healed of eczema, and Senior Deaconess Kwangok Hwang was healed of the pain in her knee. They all testified about their healing and glorified God.

And at the festival, Dr. Jaerock Lee asked God to pour rain down on Israel, which was running short of water in its dry season. And Pastor Daniel Rosen of Israel wrote in his letter, "On Tuesday, the day after the festival, rain was coming down in central and northern Israel. In Israel, rain in September is rare. Even more surprisingly, a week later, on my way to Tel Aviv from Jerusalem, rain poured down like flood. It was just as Dr. Jaerock Lee prayed. This rain is evidence that God is with us."

This year's festival was held by Crystal Forum, established by Israeli pastors who invited Dr. Jaerock Lee as the speaker to the festival. It was a miraculous thing that Israeli Christians, who were persecuted in Israel, gathered their strength and held a Christian event. This is evidence that the Israeli church is in revival and getting stronger, through Dr. Jaerock Lee's 12 visits to Israel, lasting 777 days in total, from July 23, 2007 through September 7, 2009.

On top of that, the International Convention Center, or ICC, where the festival took place, is the biggest performance hall in Israel where international events take place. It is an exceptionally remarkable case that a Christian event was held at this location.

Media Organizations Showing Great Interest

Media outlets such as AP and CNN showed great interest in this festival. World-renowned media groups such as Reuters and AFP, famous daily newspapers like *The Guardian* of UK and *The Korea Herald*, and inland overseas Christian media, like ANS (ASSIST News Service), *USA Religious News*, *Christian Newswire*, *The Gidok News*, *The Christian Press*, and the like covered the festival.

Christian Telegraph, one of the most famous Christian papers in Ukraine, reported, "The Cross of Jesus Christ was proclaimed to the ends of the Earth, Israel." And *The Jerusalem Post* wrote, "Those who couldn't hear came to hear clearly, the crippled came to walk without a cane or wheel chair, and a woman shouted with joy after being healed of uterine cancer. And there was also one that was cured of tuberculosis."

The two night festival was broadcast to 220 nations through 33 television stations. And before the festival, Elder Johnny Kim, Director of Manmin TV, appeared on Channel 1, the state-owned television network of Israel, and introduced the festival.
