Their Wishes

for the New Year 2010.

“I hope to carry out God-given duties successfully with a good heart”

Deaconess Yunsook Ryu

◆ “During the year 2009, our group members experienced spiritual growth along with revival by proclaiming that we would send out the aroma of goodness. As a result, I was blessed to be appointed as a senior group leader this year. Of course, I attribute this to our members’ help with offerings and their hearts and also to the support of my husband who prepared refreshments for group meetings.

I hope that I can carry out my God-given duty well as the Senior Group Leader of 1-4 Women’s Mission by accomplishing a better heart. In addition, I want to become an excellent wife who makes a happier family by supporting my husband well and evangelizing my husband’s family.”

“I want my family to become more united as one through family worship”

Deaconess Haesook Lee

◆ “I don’t think that it should be that difficult to become a good and thoughtful wife and kind-hearted mother in the family.

The reason is because we are already changing into good children of God day by day with the word of life, prayer and teachings of the shepherd. We are trying to accomplish happy families in the Lord though they might not be perfect in God’s sight right now. So we keep praying to become a family that is pleasing to God. In this New Year, we want to become more united as one by sharing the Lord’s love with one another through family worship.

I want to commit our family to the Lord so that He can directly lead our family. Also, I wish to take care of the lovely cell members as the Cell Leader of 22nd Parish.

I want to bear the fruit of evangelism by giving out the aroma of Christ in my workplace.”

“I hope to be with those who are neglected and discouraged”

Deacon Euljong Kim

◆ “I am so much happy because God poured joy and happiness in my heart as I bore the fruit of revival. Those who climb a mountain say they feel exhausted while going up the mountain, but they feel overwhelming happiness when they reach the summit.

For me it is much the same when visiting members. The joy of serving and sharing that we gain while visiting members can’t be found anywhere else. My God-given duty as the President of 2-4 Men’s Mission last year was a blessing.

In this new year, I want to visit the members more diligently and share both the joys and sadness with those who are wondering, who are neglected and those who are discouraged without knowing the truth.”

“I wish to pray fervently attending Daniel Prayer Meeting”

Deaconess Myungsook Park

◆ “In 2009 it was the year of comprehensive blessing. We had revival of the sub-district where I had charge, my husband was ordained as an elder, we had material blessing and our children received blessings in both spirit and in flesh.

All of this was the grace of the Lord and an answer to my prayer offered through the Daniel Prayer Meeting we attend from 9 PM to 11:40 PM every night. I shed many tears receiving much grace in prayer. For I know that God knows about everything and answers our prayer, I’d like to diligently attend Daniel Prayer Meeting and pray more fervently in this New Year. I will try to arrive earlier at the church and prepare with prayer before Daniel Prayer Meeting starts.

I want to pray with faith and love until the meeting finishes with the Lord’s Prayer. I also wish to accomplish more than threefold revival as the Sub-district Leader of 13th Parish, not only accomplishing sanctification, but being faithful in all God’s house.”

“I will make sure I read one chapter of the Bible and memorize one verse every day”

Sister Hae-eun Ahn

◆ “I didn’t read the Bible very often with the excuse that I was too busy. Time passed while I just thought ‘I should no longer put off reading the Bible.’ Because I didn’t study the word of God, taking care of group members sometimes seemed difficult. I make up my mind that I am myself with words to carry out God-given duties well as the President of the 2nd Young Adults’ Mission. I want to be able to memorize the Bible verses carried on the weekly bulletin and read at least one chapter of the Bible every day despite my busy schedule. And I will also try to meditate on various messages preached during services and thereby eat spiritual bread. It won’t be demanding or difficult at all if I keep trying to move toward these goals. I pray to the Lord that I might keep my resolutions without changing.”

“I want to become hands and feet of the members with transportation service”

Elder Kiho Kim

◆ “Even though I am busy with my work, I am delighted and happy for I can take care of the district members. The 23rd Parish covers Goyang and Paju of Gyeonggi Province.

Because they are far away from the church, it’s necessary to transport members to the church. This serves as an ‘ark of salvation’ to members who are old or crippled. I made up my mind to lead a more diligent life in this New Year.

The more I sacrifice myself, the happier members will become, and when I share love and serve others, God pours joy and happiness 100 times more upon me.

And I am thankful to God for blessing me that my van can be used in salvation of souls.

In this New Year, I hope that I become hands and feet to members with transportation service as a district leader and thereby members’ faith grows more and more.”

NO. 167 JANUARY 17, 2010

Dr. Jaerock Lee Proclaimed the Church’s Visions for the Year 2010 at Annual Church General Assembly Meeting The Third Stage of Manmin’s History Has Begun with ‘Four Visions’

Senior Pastor Dr. Jaerock Lee prays for the church and all brothers and sisters at the 2010 New Year’s Service.

“From its founding until 1999 our church went through the first stage, we experienced revival upon revival during the second stage from 2000 to 2009. Now from 2010 is the beginning of the third stage, in which members will comprehensively reap according to their deeds and what they have sown so far.”

At the annual Church General Assembly held on December 27, 2009 Senior Pastor Dr. Jaerock Lee proclaimed the four visions that our church has to achieve in 2010. This year is the starting point of the third stage and it is the year of reaping. The prayer topics for the four visions are ‘Flow of Spirit’ (Deuteronomy 28:1), ‘Measure of Faith’ (1 John 2:12-14), ‘God-pleasing Sanctuary’ (Matthew 21:12-13) and ‘Unceasing Power’ (Joshua 10:12-14).

The first of these, the ‘Flow of Spirit’, refers to the world situations that will flow in accordance with God’s providence toward our church, and the fruit that will be revealed at an exact time within God’s justice.

At 10 AM, on January 4, there was 2010 Opening Ceremony at the main sanctuary with 595 people attending including the Lord’s servants from within and from outside of Korea and Levite workers. Senior Pastor Dr. Jaerock Lee delivered the message based on the Scripture Acts 1:8 that “The power of God is needed in many parts of the world. You have

an outstanding church above all nations accomplishing God’s providence.

The second, ‘Measure of Faith’ refers to the measure of faith that God wants members to accomplish through accurate and precise examination of their faith and realizing their weak points. To do this, we have to avoid negative words, pray to have a greater measure of faith, and demolish our frame works and our self-righteousness. When we show the deeds of paying back the grace and

accumulate the deeds of goodness, anyone should be able to obtain the third level of faith and the higher, and finally be able to reach the perfect measure of faith.

Thirdly, in regards to the topic of ‘God-pleasing Sanctuary’, he placed emphasis on sanctification of the Lord’s servants and the church workers. This is because it is not just a building that God receives. While members are accomplishing the sanctuary, He will be receiving the aroma of their hearts. Therefore, in this New Year,

all members should cast off flesh and fervently pray becoming one in heart. So, according to how much we accomplish sanctification, the Canaan Sanctuary and the Grand Sanctuary will be clearly revealed.

Fourthly, ‘Unceasing Power’ means that the powerful works of God which surpass all human imagination won’t cease and that we will continue to experience them. The power of God is very significant in spreading the gospel just as Jesus’ disciples were confirmed by the signs that

followed teaching the Word. In this year, God will lead numerous souls to reach salvation by manifesting a greater power of God than ever in our church.

And Dr. Jaerock Lee urged the members during New Year’s Service and the first Sunday Morning Service saying, “In this New Year 2010, which is the start of the third stage and the Year of Reaping, I hope all of you will be renewed by entering the flow of spirit, preparing your vessels and receiving comprehensive blessings.”

2010 Opening Ceremony: “You have to receive power by accomplishing sanctification quickly”

At the beginning of the New Year, in Seoul, Korea, we had the heaviest snowfall since the nation started observing and recording snowfall back in 1937. We could feel the heart of God who earnestly finds His children who become sanctified like the snow covered the whole world.

At 10 AM, on January 4, there was 2010 Opening Ceremony at the main sanctuary with 595 people attending including the Lord’s servants from within and from outside of Korea and Levite workers. Senior Pastor Dr. Jaerock Lee delivered the message based on the Scripture Acts 1:8 that “The power of God is needed in many parts of the world. You have

to receive power by accomplishing sanctification quickly and praying fervently.”

Also at the Closing Ceremony which was held on December 31, of this past year, Dr. Lee read together with attendees from Chapter 28 of Deuteronomy and had a time of thanksgiving for the blessing during the year. On this day, Dr. Jaerock Lee urged those who attended “To receive comprehensive blessings during the New Year 2010” and “to look back on ourselves” based on the messages including ‘The Level of Goodness’, ‘The Beatitudes’, ‘Spiritual Love’ and ‘Nine Fruits of the Holy Spirit.’

The Measure of Faith

"I am writing to you, little children, because your sins have been forgiven you for His name's sake. I am writing to you, fathers, because you know Him who has been from the beginning. I am writing to you, young men, because you have overcome the evil one. I have written to you, children, because you know the Father. I have written to you, fathers, because you know Him who has been from the beginning. I have written to you, young men, because you are strong, and the word of God abides in you, and you have overcome the evil one." (1 John 2:12-14)

This year 2010 is the time when we will reap what we have sown and planted. According to our abilities and our measures of faith, we will reap abundant fruits within God. Then, what are the things that we have to do to improve our level of faith?

First, We Have to Correctly Measure Our Measure of Faith.

In spirit, those who have just accepted the Lord are just like new-born babies. As their faith grows up, matures and reaches the full measure, they are like 'fathers' in spirit. So, what kind of person are you in the sight of God? When you measure your faith, you should not overestimate your measure. You may mistakenly think that you have a greater measure of faith because you are in a teaching position or a leader in the church, or you have been doing many works for the kingdom of God. You may think that you have a great measure of faith if you think about only what you have achieved. In this case, because of the desire to be at ease and arrogance, you may even backslide in faith. On the other hand, it is also a problem if you underestimate your faith. If you become passive in thinking that you have a small measure of faith, your spiritual growth will also be slow. Therefore, it is very important to correctly measure your measure of faith.

The first level of faith is the faith to receive salvation. At this level you realize that you are a sinner and have just accepted Jesus Christ. In case of a new-believer, we can discern whether he has faith to receive salvation or not by checking whether he has received the Holy Spirit. In the first level of faith, you do not have much knowledge of the Word, and you don't really know what sins are. Even though you commit sins, you do not feel the groaning of the Holy Spirit very well. Even those who have been believers for a long time may still be at the first level of faith. If they know the word but do not even try to practice it, or if they commit works of flesh, then they are at the first level of faith. Works of flesh refer to sins committed in action such as lying, stealing, or adultery. They may look back at the world and lose the fullness of the Spirit. Then, they may follow their old habits and commit sins again. If this continues, the Holy Spirit can even be extinguished, and it is not easy for them just to keep the first level of faith.

The second level of faith is the faith of trying to practice the word of God. As you continue your life in Christ, you learn the word of God and come to understand it. So you try to practice the word. But you do not practice it completely. In the second level, the desire of the Holy Spirit and the desire of flesh confront each other the most, so you feel the most difficult times in a Christian life at this level. But some people who are at the second level of faith think they are in the third level or higher. They think they attend all Sunday morning and evening services, pray, and fulfill their duties, but if you look into their lives more carefully, they sometimes get angry, create quarrels and tell lies. These people belong to the second level of faith. Of course, since they do not commit grave works of the flesh, they are close to the third level. But even though you cast away 99% of the works of the flesh, you are still at the second level of faith for they still have the 1%

Senior Pastor Dr. Jaerock Lee

remaining.

The third level of faith is the faith to practice the word of God. If you are at the third level of faith, you understand the word of God from within the heart and obey it. So, at this level of faith, you do not commit the works of the flesh, which are the sins that you commit in thoughts, such as hatred, adulterous mind, passing judgment and condemnation in thoughts. As you cast away the untruth diligently and reach the 60th percentile of the third level, we say you are 'standing at the rock of faith'. One of the evidences of standing

on the rock of faith is to obey the word in 1 Thessalonians 5:16-18, which says, "Rejoice always, pray without ceasing and in everything give thanks."

The fourth level of faith is the faith to love the Lord to the utmost degree. This is the level where you have cast off the things of the flesh that are the sins which are committed in our thoughts. If you reach the fourth level of faith, you can be called a 'man of spirit.' A true child of God is God's child who resembles God because evil is not shown no matter how hard the enemy devil tries to tempt you. And at this level, you do not obey the word just because of some advice or instruction, or just to show to others, but you obey the word because you love God with the faith to love the Lord to the utmost degree.

Finally, the fifth level of faith is the faith to please God. At this level of faith, you understand the deep heart of God and please Him by moving His heart. It is the level of the faith of Jesus who deeply understood the heart of God and obeyed until death. Those who have the fifth level of faith do not have any 'self' or 'ego' in their heart. They only have God the Father, the Lord, and other souls. Thus, if they accumulate a lot of prayers, they can manifest signs and wonders. They can perform the power of God. Also, they are 'faithful in all God's household.'

Secondly, You Have to Diligently Pile up Good Heart and Deeds of Goodness without Being Discouraged.

God lets you check the measure of your faith to increase the faith of each and every individual. He never wants you to lose heart. Some people try to become sanctified, but if things don't go as they want, they give up trying, thinking they are just fleshly persons, they were born with evil attributes, or they were raised in unfavorable environments. Even though you are born with some evil attributes or raised in unfavorable environments, you can surely change by the love of God. The important thing is your faith and the profession that you can accomplish change. If you continue to pray fervently practicing goodness as best as you can, you will be able to cast away sins and evil that seemed to be impossible to cast away. You can change. Thus, I hope you will quickly achieve a grown up measure of faith and give glory to God greatly. In doing so, I pray in the name of the Lord that, you will participate in the greatest glory both on earth and in New Jerusalem.

Works of the Holy Spirit Have Been Manifested in India, a Country Dominated by Hinduism

Beautiful Fruit of the 2002 India Miracle Healing Prayer Festival — Ministry in India Being Accomplished Successfully

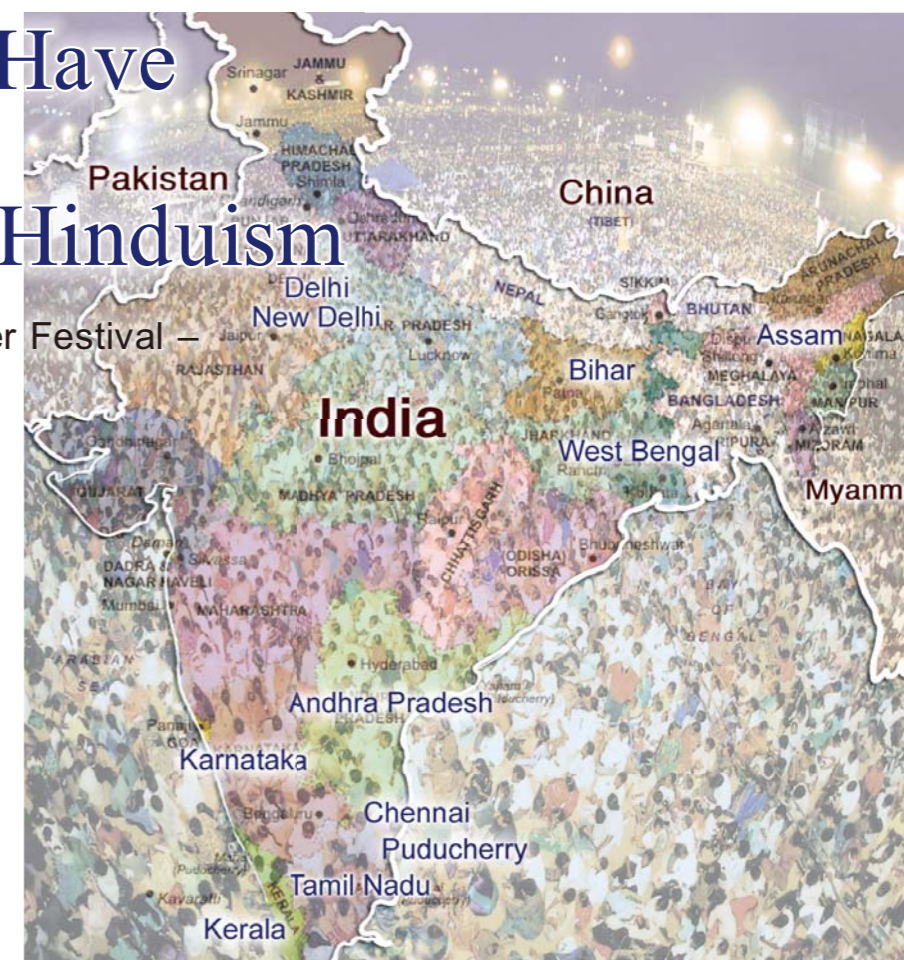

India has a population of 1.2 billion (which is the second biggest in the world) and over 80% of population believes in Hinduism. Hinduism is not just a religion but rather, it is nationalism itself. This is why Christianity wasn't able to show revival in this country. But the situation became totally different since the 2002 Miracle Healing Prayer Festival in India, and the number of Christians has experienced explosive growth. According to a Christian mission organization in India, the percentage of Christians was 2.3% in 2001 and increased to over 6% in 2005. Let's learn more about our church's Indian ministry which has been accomplished now for 7 years since the India Miracle Healing Prayer Festival was finished.

298 Branch and Associative Churches All over India Including Chennai Manmin Church and Delhi Manmin Mission Center

Chennai Manmin Church, under the pastorship of Pastor Joseph Han, was founded in November 2004. The church has followed the form of Manmin Central Church's worship services since its beginning. Most of the churches in India don't know about completely keeping the Sabbath day holy and don't even teach their members about it. But Chennai Manmin Church serves their members with Indian dishes at lunch time so the members are able to keep the Sabbath day holy by also attending the Sunday Evening Service. Since July 2007, they have been attending various worship services such as the Sunday Morning and Evening Services and the Friday All-night Service. These services are broadcast live through GCN-Manmin TV and now they can listen directly to the word of life being preached live

from Manmin Central Church. They are gaining many blessings both in spirit and in flesh.

Starting with the 2002 Miracle Healing Prayer Festival in India, the ministry extended from Chennai in southern India to the central and even to northern India through local pastors' seminars held annually. As Manmin ministry extended, Delhi Manmin Mission Center (Pastor John Kim) was established to cover the Northern India region. They use the DVD titled 'The Power of God' containing healing testimonies with medical data, and in Nagaland, Northeastern India, GCN-Manmin TV programs are being broadcast for 24 hours a day through the satellite receiver set up in 10 cable broadcasting companies. Manmin's branch and associative churches in the states of Tamil Nadu and Puducherry are also

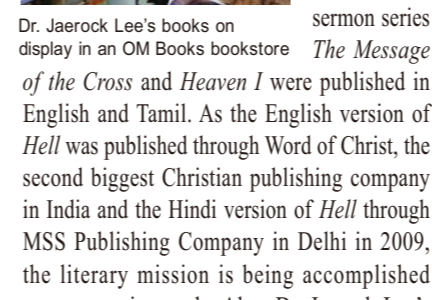

The 2002 India Miracle Healing Prayer Festival with Dr. Jaerock Lee was held from October 10 to 13 at Marina Beach. It was attended by a total of an estimated 3 million people. The number was the biggest in Indian Christian history.

attending Manmin Central Church's worship services broadcast live through GCN-Manmin TV. Through local Pastors' Seminars which have been held since the 2002 India Miracle Healing Prayer Festival, the Handkerchief Healing Meeting (Acts 19:11-12) held in West Bengal with Pastor Mikyung Lee in 2006 and Pastors' Seminar with Rev. Dr. Esther Chung in Tamil Nadu State in 2007, overall there are now 293 churches that have registered as branch and associative churches. The branch and associative

churches are located in 8 states in India such as Tamil Nadu, Puducherry, Kerala, Andhra Pradesh and Karnataka States of Central and Southern India, and West Bengal, Assam, Bihar States of Northern India. In many of these churches, the handkerchief meetings continue to be held. In addition, *Manmin News* is being translated into Tamil and Hindi and distributed to many people. Now India is accomplishing evangelism through Manmin with the holiness gospel and the power of God.

1. Vigorous Literary Mission

In June, 2003, the literary mission in India started through publishing and distributing Dr. Jaerock Lee's books in contracts with OM Books (the biggest Christian publishing company in India). Dr. Jaerock Lee's testimonial memoir *Tasting Eternal Life before Death* and his sermon series *The Message of the Cross and Heaven I* were published in English and Tamil. As the English version of *Hell* was published through Word of Christ, the second biggest Christian publishing company in India and the Hindi version of *Hell* through MSS Publishing Company in Delhi in 2009, the literary mission is being accomplished ever more vigorously. Also, Dr. Jaerock Lee's books are being distributed to neighboring countries of India such as Singapore, Malaysia, Sri Lanka and Middle Eastern countries through Indian emigrants.

Dr. Jaerock Lee's books on display in an OM Books bookstore

Medical Conference held in Chennai, India in May, 2005, about 500 medical doctors from 11 countries participated and made presentations covering the cases of healing by the power of God and proved them medically. Since then, WCDN continued its ministry in India strengthening the evangelization of India. Seminars were held in Nagercoil and Tiruchirappalli of Tamil Nadu State, Hyderabad of Andhra Pradesh State, Trivandrum and Karakonam Medical College of Kerala State. In addition, they have preparatory meetings for seminars in New Delhi, the capital city, and they are awakening many medical doctors, scholars and others of the academia world with the power of God and the holiness gospel.

WCDN seminar held in Trivandrum, India

3. Indian Campus of MIS (Manmin International Seminary)

In India, there are many pastors who are ministering a church without studying theology at a seminary. This is one of the reasons that Indian churches couldn't experience revival and are spiritually stagnant. In January 2007, under the auspice of the Pentecostal Church

Pastor's Seminar with Pastor Mikyung Lee, Puducherry, India

Pastors' Association in Chennai and Madurai, Pastor's Seminars with Rev. Dr. Esther Chung were held in Chennai and Madurai. From that point on, Manmin International Seminary, India (MIS India) and the ministry in India started in earnest and they are now having one-and-a-half-year theology education program. Currently, over 290 students including pastors and church workers are being educated. Pastor's seminars were held with Pastor Mikyung Lee in Tamil Nadu in November, 2008 and in Puducherry in December, 2009. They promoted Indian churches to experience revival.

4. Broadcasting Mission and Arulvaku GCN TV

About 4 years from 2003, Dr. Jaerock Lee's overseas crusades, message of sanctification and the power of God had been broadcast through SS Music (Southern Spice Music) of

India. Also, Dr. Jaerock Lee's united crusades held in Russia, Peru and New York City of USA were broadcast live through Jain TV. India Manmin Mission Center and Chennai Manmin Church set up a satellite receiver and attended Dr. Jaerock Lee's united crusades held in Germany and DR Congo through live-screen viewing.

Especially, many branch and associative churches in India attended 2009 Israel United Crusade with Dr. Jaerock Lee through live broadcasting or rebroadcast. Through the power of God transcending space and time, astounding works of healing were explosively manifested giving many pastors and members big faith.

Since March, 2009, Arulvaku TV (President: Pastor Vincent) based in Puducherry, Southern India has been broadcasting Manmin Central Church's worship services and GCN-Manmin TV programs for 7 hours a day through the ThaiCom5 satellite. Arulvaku TV is a leading Christian Cable TV covering 11 major cities in Puducherry and 6 cities of Tamil Nadu. In 2009, it changed its name to Arulvaku GCN TV and has continued to be actively participating in Manmin's broadcast ministry.

Pastor Vincent, President of Arulvaku GCN TV
