

One-day Blessing Crusade at Daejeon Manmin Church Overflowing with Healing, Answer, and Blessing by the Works of the Holy Spirit

Many people received healing and came up to the altar to testify to their healing while the speaker was still laying his hand on the sick and praying for them.

The same signs and wonders that were manifested through apostles by explosive works of the Holy Spirit in the time of the early church are still happening even today. On June 30, those amazing works of the Holy Spirit took place at the One-day Blessing Crusade at Daejeon Manmin Church with Dr. Jaerock Lee, Senior Pastor of Manmin Central Church, and Chairman of the United Holiness Church of Jesus Christ.

As the time of the kickoff of the crusade drew closer, many buses and cars were parked at the entrance of Daejeon Manmin Church whose pastorage belongs to Pastor Taesik Gil, and the main sanctuary and many rooms and the frontal courtyard were filled with thousands of people from around the country.

Many sick people gathered at the reception desk prepared at the main entrance of the church, and members of Luke Medical Mission talked with them and hung the nametags of diseases on their garments.

At 6:30 PM Pastor Soojin Lee began leading preliminary praises, and more than 2,000 people from all over the country including Seoul, Pohang, Chuncheon, and Miryang sang praises with a longing heart for healing of diseases, answers to their prayers and heart's desires, blessing and solutions to their problems that will take place by the fiery works of the Holy Spirit.

After preliminary praises ended, Hallelujah Praise Team sang a special song and Nissi Brass Ensemble performed, and then Dr. Jaerock Lee delivered the message titled with "Blessed Are Those Who Walk in the Light" based on 1 John 1:5-7. Dr. Lee emphasized, saying, "Just as darkness disappears when we turn on lights, if we walk in the Light, we become a spiritual

light and are accompanied with the power of light to drive out forces of darkness." And he added, "Those who walk in the Light receive blessing when they come in and when they go out, lend money without borrowing money, and receive all blessings in spirit and flesh."

Dr. Jaerock Lee, when he was young, was stricken with many incurable diseases, suffered from severe poverty and was abandoned by people. When he was severely tormented in the seventh year of those diseases and problems, he met the living God and God healed him of all his diseases at once. Afterwards he loved God first of all, and completely walked in the Light, and God blessed him to become a powerful pastor who casts the Light of the gospel and hope to countless souls all over the world. He himself bears witness to the promise of God saying that those who walk in the Light receive blessing.

On that day 550 sick people filled up the application forms at the reception desk, and hundreds of diseases' names were recorded. After preaching the message, Dr. Jaerock Lee prayed for the sick calling the diseases' names one by one, and prayed for the blessing at homes, works, businesses, and schools and for the fulfillment of heart's desires. Those who were confirmed of their healing came up to the stage to testify to their healing miracles, and Dr. Lee began praying for the sick individually.

Testimony-collecting desks prepared at the backside of the main sanctuary were crowded with so many people, and they testified they were healed of many kinds of diseases, including bronchiectasia, cellulitis, gastritis, difficulty in hearing, itchiness over the whole body, acute bacterial infection, headache, depression, shoulder pain, allergic rhinitis, typhoid, diabetes, lumbago, hyperthyroidism, cardiomegaly, pseudomilium, ganglion, hemorrhoids, pain in the lower abdomen, tingling over the whole body, and so on.

Sister Hyeayang Lee (48, Seosan Manmin Church) testified to her healing, saying, "From a month ago, I have suffered from herniated cervical disc and felt so painful around the

neck. The left part of the neck was more painful. In order to receive healing from God, I've done my best to please God by vowed prayers, fasting prayers, and spreading *Manmin News* on the street. While listening to the message, I repented and prayed to God, and my body became hot by the fire of the Holy Spirit. After that I received the prayer from the speaker, and all pains disappeared. The pains over the shoulders and back also were gone."

Senior Deaconess Jungsook Lee (51, Pohang Manmin Church) gave her healing testimony, saying, "Ten days ago I was lifting up something heavy. In the middle I fell down onto the floor with a snapped sound from my waist. Pain was so severe that I couldn't move my body. That night I attended Daniel Prayer Meeting and received Dr. Jaerock Lee's day-closing prayer, and then I began to get well. But I still felt pain while sitting a little long. But tonight I felt I had been healed listening to the message, because I had no pain at all while I was listening to the message that long."

Sister Hyangsun Ahn (82, Cheongju Manmin Church) testified to her healing of the difficulty in hearing, saying, "From 3 years ago, I had suffered from difficulty in hearing with the right ear. 3 years ago I began to wear a hearing aid. At the hearing test to wear a hearing aid, I could barely hear sound from a big bell, but couldn't hear sound from a small bell. And there were strange sounds from the ear. I eagerly prayed at Daniel Prayer Meeting every night. Tonight when the speaker prayed for the sick, those sounds disappeared and I began to hear with the right ear."

Sister Okhee Yoon (60) first came to the church and received healing. She said with tears, "From 3 years ago I've relied on intramuscular injection because of inflammation on the knee joint. The doctor advised me to receive operation. But tonight when the speaker prayed for the sick I felt something hot on the left knee. I got up and walked, but there was no more pain and my body became light. I give glory to God!"

Many believers gathered at a separate room and the frontal courtyard to attend the One-day Blessing Crusade.

NO. 192 JULY 18, 2010

"God Is Searching a Truthful Person!"

2010 Special Seminar for Cell Leaders, Sub-district Leaders and District Leaders Was Held with the Theme "True Heart and Perfect Faith"

The 2010 Special Seminar for Cell Leaders, Sub-district Leaders and District Leaders brought about 3,700 workers of Manmin Central Church and its branch churches to Vivaldi Park, Hongcheon Daemyung Resort in the third stage of the history of the church.

From July 5 to 7, 2010 Special Seminar for Cell Leaders, Sub-district Leaders and District Leaders took place at the Daemyung Resort Vivaldi Park, located in Hongcheon Gun, Gangwon Province, Korea. Those leaders, who have tried their best to evangelize and make revivals at each parish, had the chance to renew their strength at the third stage of the takeoff of Manmin Central Church.

On the first and second nights during this three-day special event, the speaker Dr. Jaerock Lee gave a two-part series message titled with "True Heart and Perfect Faith" based on

Hebrews 10:22.

At the beginning of his message, Dr. Lee explained to the audience that this special education had been prepared in the supervision of God prior to constructing the Canaan Sanctuary, and emphasized, saying, "You have to accomplish goodness and true heart in the sight of God, not in the sight of men. God is searching for a sincere person with such true heart and goodness. If you have cultivated true heart, perfect faith is given you and you are accompanied with the five signs recorded in Mark 16:17-18."

Dr. Lee continued, saying, "In order to accomplish true heart, first of all, you have to possess good heart. Good heart is accomplished within you: first when you discover yourselves and cultivate goodness according to the truth; and second when you accomplish a big vessel of heart that never changes in any circumstances. In order to accomplish true heart, secondly,

you have to possess true love. True love is planted within you when you surrender and sacrifice everything you have and when you trust the other." He added, "You have to keep the order of the church, throw away your selfish desires and exclusive will, and not to consider yours more valuable than the other's." At the last part of the message, he urged, "You have to consider the other better than you in humility, cast off all forms of sins and evils, and accomplish true heart as quickly as possible so that you can enter the City of New Jerusalem, the best dwelling place in Heaven."

In the first afternoon at the seminar, Mrs. Boknim Lee, President of Manmin Prayer Center, led the Holy Spirit's Fullness Prayer Meeting, and many workers repented that they had not performed their ministries in accordance with God's Word but instead got involved in their own ways, and that they had caused problems to

others with their frameworks of personality.

In the morning of the second day, Pastor Heejin Lee encouraged the workers, saying, "You have to give thanks to God who is guiding you in various ways so that you can be greatly used for the kingdom of God in the eras of the Canaan Sanctuary and the Grand Sanctuary, and enter the City of New Jerusalem." In the afternoon, the seminar for the workers from branch churches was held, and

Pastor Soojin Lee urged them not to feel distressed at the rebukes or against different opinions from seniors and not to have ill feelings at the other's mistakes and faults.

Senior Deaconess Nanyoung Cha, President of Female Cell Leaders' General United Missions, confessed, "Now we can be assured to accomplish true heart and possess perfect faith by the love of God, intercessory prayer of the Lord and the help of the Holy Spirit."

Chiang Lai Manmin Church in Thailand Offered Its Opening Service

On June 27, Chiang Lai Manmin Church in Thailand offered its opening service with 13 people. Missionary Jaewon Lee, ministering to the church, delivered the message titled with "God the Creator" and after the service double circular rainbows appeared on the sky. Missionary Lee and 8 members had a great expectation for the will of God with joy. They had spread the first issue of Thai edition of *Manmin News* to evangelize many souls. They are planning to actively spread the holiness gospel not only to people in the northern areas of Thailand but also in Myanmar and Laos.

Blessed Are Those Who Walk in the Light

"This is the message we have heard from Him and announce to you, that God is Light, and in Him there is no darkness at all. If we say that we have fellowship with Him and yet walk in the darkness, we lie and do not practice the truth; but if we walk in the Light as He Himself is in the Light, we have fellowship with one another, and the blood of Jesus His Son cleanses us from all sin." (1 John 1:5-7)

Darkness spiritually refers to everything that belongs to sin. Untruth, unrighteousness, lawlessness, evil, and everything that is against the truth of God fall on that category. The things that the Bible tells us not to do and the things it tells us to throw away fall on the category of darkness. Light refers to goodness, love and truth, and everything that belongs to God. The things that the Bible tells us to do and keep fall on the category of light.

Senior Pastor Dr. Jaerock Lee

1. How to Have Fellowship with God

1 John 1:5 reads, "This is the message we have heard from Him and announce to you, that God is Light, and in Him there is no darkness at all." To which side do you belong, light or darkness? Do you belong to light 50% and darkness 50%? Or do you belong to light 70% and darkness 30%? Or do you belong to light 10% and darkness 90%?

God is the Light 100%, and there is no darkness in Him at all. God wants His children to walk in the Light as He is in the Light. It is because if there is a little darkness in us it causes the ruler of darkness, the enemy devil, to bring afflictions and trials on us.

Even the believers in God can be controlled by the devil and Satan if they live in darkness. It is because the law of the spiritual realm dictates, "You are slaves of the one whom you obey" (Romans 6:16). Just as children have close fellowship with their father and they share love with each other, God wishes for His children to have close fellowship with God and wants to share sincere love with them.

As recorded in 1 John 1:7, "If we walk in the Light as He Himself is in the Light, we have fellowship with one another," we can have fellowship with God only when we walk in the Light, departing from darkness.

2. Spiritual Meaning of Walking in the Light

Let's say about a room where there are many lamps. If the lamps are turned on and shine lights, the room is bright and darkness disappears. If all the lamps are switched off, the room gets dark. In the same way, if spiritual lights are turned off within us, darkness will come upon us. In other words, if there is no word of God within us, the enemy devil approaches us and tempts us to commit sins.

In contrast, when lamps are turned on, light shines and darkness disappears. Darkness must disappear because light comes. In the same way, if the Light of God enters our heart, darkness disappears instantly. When light comes upon us, whatever kind of darkness must depart from us. It is because darkness can never overcome light. That's why if we walk in the Light the forces of darkness can never rule over us.

If we have departed from darkness and walk in the Light, we can be set free from all kinds of problems including diseases and poverty that came upon us who lived in darkness. The door to blessing is opened and we can receive answers from God who is the Light. And as much as we walk in the Light, we can receive the power of the Light. The stronger the light we receive, the stronger forces of darkness we can drive out. As we continually obey the Word of

God telling us to do something, not to do something, to keep something and to cast off something, our spiritual light becomes stronger and we can have the greater power to cast out forces of darkness.

On the contrary, if we commit sins again, we come to belong to darkness. He who belongs to darkness cannot drive out forces of darkness. Darkness can be driven out before light. The enemy devil loses its power before the name of the Lord Jesus Christ.

If we become united with the Lord in faith, His power belongs to us, too. Then, we can drive out forces of darkness in the name of Jesus Christ and receive whatever we ask for in His name. The proof of becoming united with the Lord is to walk in the Light. If we walk in the Light and command in the name of the Lord Jesus Christ, saying, "Diseases, disasters, poverty, afflictions, and sufferings go away from them!" everything will be done.

Dear brothers and sisters in Christ,

1 John 5:18 says, "We know that no one who is born of God sins; but He who was born of God keeps him, and the evil one does not touch him." Those who are born of God walk in the Light and have fellowship with God, so they cannot commit sins. Then, the evil one cannot touch them because God protects them.

God promises us to give blessing in many parts of the Bible. The 28th chapter of Deuteronomy promises that if we listen to the Word of God and obey all His commandments we can receive blessings when we come in and when we go out. 3 John 1:2 says, "Beloved, I pray that in all respects you may prosper and be in good health, just as your soul prospers."

May you depart from all darkness and walk in the Light, and then receive all blessings, in the name of our Lord Jesus Christ I pray!

KAZAKHSTAN

"I Met God and Was Guided to the Path to Blessing through the Holiness Gospel!"

Pastor Rozel Mahatayeva (The Way of Spirit Church, Almaty, Kazakhstan)

My church is located in Almaty, Kazakhstan, and has two branch churches in Baikonur and Karagandy. I had experienced many difficulties in my ministry, so I always prayed to meet with a spiritual mentor. In 2008, my friend, an Israeli pastor Daniel Rozen visited Kazakhstan and gave me a DVD 'The Power of God' that covers the powerful ministry of Dr. Jaerock Lee. When I watched manifestations of God's amazing power through Dr. Jaerock Lee including biblical signs and miracles, I was almost shocked and startled and my heart was greatly moved. I copied that DVD and shared them with many friends and believers.

I realized Dr. Jaerock Lee is the very spiritual mentor I had waited for. His powerful ministry was so wonderful, and indescribable emotion filled my heart. Pastor Daniel Rozen told me that tens of Israeli pastors had invited Dr. Jaerock Lee to hold a crusade in Israel. I was so happy to hear that and waited for that day with great expectations and joy.

Experiencing God's Amazing Power at the 2009 International Multi-cultural Festival in Jerusalem

In the September of 2009, Dr. Lee's crusade was held in Israel with the name of 'the 2009 International Multi-cultural Festival.' I took 9 church members to the festival. We fell into joy and great emotion when we saw the heaven-like beautiful performances and powerful songs at the beginning of the festival. We were also touched by the messages Dr. Jaerock Lee delivered entitled with "God the Creator" and "Why Is Jesus Our Only Savior?" Numerous people were healed of their diseases through Dr. Lee's prayer and testified to their healing, and we were shocked at those powerful works of God once again. Not only 9 members in attendance but also many church members attending the festival via TBN-Russia TV received healing and glorified God.

A 20-year-old brother Marat was healed of backache and spinal pain he had suffered from his childhood. A 63-year-old man Kunsulu received the prayer on the picture of his 3-year-old grandson who couldn't walk because of Down syndrome. After receiving the prayer the child began to walk properly. A 56-year-old woman Bikamal was healed of her chronic pain on the pelvis, and danced with joy and glorified God. A 47-year-old pastor Bibigul ministering to a branch church in Karagandy had suffered from a tumor in her chest. Her doctor stopped her from going to Israel and advised her to receive surgical treatments. But she was healed of the tumor through Dr. Lee's prayer at the International Multi-cultural Festival in Jerusalem of Israel, and after coming back home, she went to the hospital again for the reevaluation, and the result showed there was no tumor in her chest. Her elder sister Clara, 61 years old, was healed of herpes labialis. A 40-year-old brother Nurbanu was healed of bluish tumors that had radiated to his legs while watching the Israel festival, and called Sister Shirel who was firsthand attending the festival and testified to his healing. Thus, his testimony was broadcast live to the whole world through a mobile phone. A 22-year-old sister Marzhan living in Zhaipak was healed of her nephritis (inflammation on the kidney) she had suffered from her childhood while attending the festival on TV, and her husband Brother Aidos was healed of his long backache. Their 4-year-old daughter Aigerim had suffered dermatitis on the head. Discharges oozed

attending another church but long to hear Dr. Lee's messages. Through the message and prayer of Dr. Jaerock Lee in the files, Elder Askar, officer in high class at the astronomy observatory in Almaty was healed of severe cold, and Brother Galymzhan living in Tajikistan was suffering from acute pancreatitis but the pain disappeared immediately he received the prayer.

TBN-Russia broadcast Dr. Jaerock Lee's sermon programming at 3:30 AM every day. Before the beginning of the sermon program we wake up one another through the phone to listen to the holiness gospel because through the holiness gospel we met the faithful God who fulfills His Word.

We give all thanks and glory to God who has blessed us to meet with Dr. Jaerock Lee who really loves God and renders his whole dedications to God, and serve him as our spiritual mentor.

Changes in Lives and Overflowing Answers through Books, Broadcasts and the Internet
I seldom enjoy reading books, but I fully enjoyed reading Dr. Jaerock Lee's books. When I read his books, I made my bread of the Word of God in the books. I was strongly urged to spread this good news to many others. We had just a few copies of the books, so I made many more copies and spread them to many people. Hearing our situation, Pastor Daniel Rozen asked Manmin Central Church to send Dr. Lee's books to us. After receiving those books, we repeatedly read them and also tried our best to practice them in our lives. Afterwards many church members experienced changes in spirit and overflowed with healing, answer and blessing.

In addition, we downloaded Dr. Jaerock Lee's sermons' audio files from the website of Manmin Central Church and purchased MP3 players, and then listened to his many sermons.

Afterwards most of the church members bought MP3 players to listen to his messages and even shared the messages with many other brothers and sisters who are

"Dr. Jaerock Lee's Religious Books Are the Seeds of Blessing!"

Pastor Anania Kastanian

For the last two years I have dedicated my ministry to translation, publication and distribution of Dr. Jaerock Lee's books in the cooperation with Urim Books. In 2009, my son Ara chanced to contact Deacon Joseph Park while searching for Christian ministries' websites. Deacon Joseph Park sent the Arabic edition of Dr. Jaerock Lee's

testimonial book *Tasting Eternal Life before Death* to us. It was a great joy and God's answer to me because I had a desire to provide religious books to many people in Middle East and spread the gospel to them.

Antoine Bookstore, one of the biggest bookstores in Lebanon and Middle East areas, has 18 branches

in Lebanon. Dr. Lee's book *Tasting Eternal Life before Death* has been being displayed at the 18 branches and also in on sale at its website (www.antoineonline.com).

His book is also on sale at the Virgin Mega Store that deals with various books including in politics, economics and religions. The books also are

distributed to Maliks Bookstore with its 7 branches, and to Salem and Ayat Bookstore. I gave this book to high-class governmental officers, royal family and famous professors and many others.

I want to translate Dr. Jaerock Lee's books into Arabic, Armenian and Iranian, and publish the books

and to spread them to many people in the Middle East. My wife Sonia is translating his books into Armenian, and my son Ara has a great plan to spread the holiness gospel through online bookstores. I send my heartfelt thanks to Dr. Jaerock Lee because his religious books are the seed of blessing in Lebanon.
