

“I’ll Return and Carry This Amazing Grace of God I’ve Experienced in Korea to Many Souls in Ecuador.”

Guillermo Lara (Ecuadoran Ambassador to Korea)

“On March 7, 2010, I visited Manmin Central Church along with 12 other ambassadors by the guidance of the Costa Rican Ambassador to Korea, Rev. Fernando Borbon. The message Dr. Jaerock Lee delivered in the Sunday evening service touched my heart and strengthened my faith. I felt as if I were in the kingdom of heaven hearing the choir’s songs, seeing the special performances, and witnessing the humble and kind manner of the brothers and sisters in Christ. From that time on, for 6 months, I have been attending Manmin Central Church. I witnessed Dr. Lee and his church members’ exemplary faith and love for the Lord Jesus Christ. It has been great grace and a lesson to me.

I was really surprised to see their true service and love for God, and happy to find myself among the family of true Christians. I was also moved to see Dr. Jaerock Lee’s humility and fullness of the

Holy Spirit, and confess that all his messages have been anointed with the Holy Spirit by the inspiration of God. And I boldly say that my faith has grown much during the last 6 months while attending the Sunday morning and evening services, Friday all-night service and other fellowships.

I give my heartfelt thanks to Dr. Jaerock Lee who has taught me the word of life and led me to dedicate my life to the Lord. I enjoy reading his books. How moved my heart was while reading his book *The Message of the Cross!* It has such abundant knowledge and spiritual depth that it was not easy for me to just go over each page of the book. Now I’m reading other books authored by Dr. Jaerock Lee.

I have experienced many happy things in the Lord attending Manmin Central Church. I want to share them with you.

First, my mother suddenly suffered from bronchitis and

was sent to an intensive care unit of the hospital. On April 30, when I received Dr. Jaerock Lee’s prayer on her picture transcending time and space, she was healed and discharged from the hospital.

I want to give testimony to what I had experienced through Muan sweet water. One day in May, I played basketball with my friends and next day I ached all over the body because of muscular pain. The pain was the severest on my waist and had difficulty walking. One of my friends gave me some medication. After returning home, I thought over my past life holding the medicine in my hand. I said to myself, ‘I’ve witnessed many proofs of God’s powerful works, and I believe in God and the Lord.’ The idea of Muan sweet water came to my mind, and I sprayed the water on the sore parts. Next day all pains disappeared even though I didn’t take the medication. I just sprayed Muan sweet water on the places that hurt.

In September my duty as the Ecuadoran Ambassador to Korea will come to a close. I will return to Ecuador harboring the beautiful memories of Manmin Central Church. After I return to Ecuador, I will spread many books of Dr. Jaerock Lee that will have been translated and printed in Spanish in Ecuador. I wish for the souls to grow in spirit through his books. I hope to cooperate with Manmin TV in the broadcasting ministry so that life-filled word preached by Dr. Jaerock Lee and God’s powerful works will be spread throughout all of Ecuador.

I wish for all brothers and sisters of Manmin Central Church to remember Manmin’s family in Ecuador, and for God’s blessing to be with you in the name of the Lord.”

On Closing the Chapter of My Life in Korea

One night shortly before I am to part from
This beautiful, gleaming, and dear city
With an exhale I sink into bottomless thoughts.
Before long, I vow to myself,
I shall see again the rainbow always shining
upon this city.

And then I’ll declare
That I am leaving behind in this land
The utmost noble affections,
Memories of my encounter with our Redeemer,
And my sentiments stemming
from the spiritual inspirations of depths
Towards that Messiah, our Jesus Christ.

As we learn God’s laws,
The laws that keep us safe,
Permit us to receive the blessings to which
His declared people are entitled,
Teach us the purpose of life,
And the ways to know His chosen one
Through His chosen servant (Dr. Jaerock Lee)
By Him and the greatness of His love,

I declare
All glory be to God for His grace of blessings!
All glory be to the Lord for His compassion and love!
All glory be to the One who is now taking
me to a different land!

I ask of Him to lead and encourage me
So that I may magnify Him
And proclaim my Father and Your name far and wide.

My Almighty God,
Give me wisdom and take charge of my path.
Permit me always the vigor and strength necessary
So that the spirits of all faithful ones,
Who in earnest seek Your presence, glory,
and sacred blessings,
May be increased and strengthened.

My Father and my Lord whom I love,
Permit the rays from the rainbow
To always blossom into light
Atop the gleam of their cries unto You.
May the rays sprout into
Deity’s sacred prophecies with which You anoint us.
Anoint all those who worship You in peace and in love.

Lead me in peace to a new land.
Let Your faithful and diligent son not forget
The solemn understandings and teachings
he has received.

I seek to magnify the Lord
From the ranks of the masses already journeying
on Your path.

2010 Manmin Summer Retreat Featured as a Global Festival in the Spiritual Space

The 2010 Manmin Men’s Mission and Women’s Mission Summer Retreat was attended by about 6,000 people. Through the various programs it has been filled with God’s love and grace.

From August 2nd to the 4th, the Men’s Mission and Women’s Missions held the 2010 Summer Retreat at the Muju Resort, Jeonbuk Province, South Korea, with the theme of “Spirit.”

This retreat has been referred to as a ‘worldwide summer retreat’ because it was attended by not only the believers from Manmin Central Church and fifty-three domestic branch churches in Korea, but also by pastors, missionaries and believers from 18 nations including USA, UK, Canada, Israel, Ukraine, Kazakhstan, Bolivia, Costa Rica, Kenya, Singapore, Japan, Denmark, Indonesia, China, Taiwan, Malaysia, Vietnam, Thailand, and the Philippines.

On the first day, Pastor Soojin Lee, President of the Pastors’

Association, delivered a lecture with the title “Faith” based on Hebrews 11:6. In her message she stated her emphasis as: “Faith is the master key to receiving answers from God. In order to possess such a great faith as pleases God, you have to exactly measure your faith and discover your inner self, and then accomplish sanctification by getting rid of every form of evil.”

During the morning of the second day athletic events were held and three teams—‘Team Faith’, ‘Team Hope’ and ‘Team Love’ competed in various events including Fill-the-Tower-Ball Toss, Group Jump Rope, Balloon-rolling, Tug-of-war, Card-overturning, Obstacle Race, and Relay Races.

Second night, Pastor Heejin Lee, President of Performing

Arts Committee, delivered the message with the title “Flow of the Spirit” based on Psalm 104:1-5. In her message, she spoke about the love of God who allowed us to experience spiritual space and guided us to possess greater faith. After her message, her twin sister Pastor Heesun Lee, the Guidance Teacher of the Men’s Mission and the Women’s Mission, led the Prayer Meeting for the Fullness of the Holy Spirit, and the Campfire Worship Dance that was filled with the hope for Heaven and inspirational praises. At the campfire worship dance the people in attendance glorified God and determined to dedicate themselves to the Lord.

An Israeli pastor, Daniel Rozen, who ministers the Living Stone Church in Jerusalem of Israel,

attended this summer retreat together with his family. He said, “My family and I have attended this Manmin Summer Retreat. It was more amazing and touching than to hear about it, and we renewed our spiritual strength. It’s amazing to see swarms of dragonflies appearing and flying around us, and even sitting on our heads, hands, and bodies. We’ve never seen a more powerful retreat than this. I want to recommend this annual summer retreat to the countless people all over the world.”

This summer retreat was filled with love and grace in the midst of the best of weather, the unity and fellowship of the believers transcending borders and races, and a myriad of dragonflies. Deaconess Okju Lee said, “I took my summer vacation to attend this summer

retreat. Here, I have been able to recharge my faith.” Deaconess Sieun Kang from Cheju Manmin Church said, “We got on a ship at Cheju Island to attend this summer retreat, but this time due to the prayer of Dr. Jaerock Lee none of us had seasickness at all.”

Senior Deaconess Kiyoko Tsuzuku from Japan said, “I’ve never seen a more powerful retreat with fasting and prayer. God’s great grace came upon me, and I became assured that I would become sanctified.” A Malaysian sister-in-Christ testified to her healing of urinary incontinence, saying, “I’ve suffered from urinary incontinence after child-delivery, but was healed after submerging myself into Muan sweet water pool.”

Senior Pastor Dr. Jaerock Lee

The Works of the Holy Spirit

"And suddenly there came from heaven a noise like a violent rushing wind, and it filled the whole house where they were sitting. And there appeared to them tongues as of fire distributing themselves, and they rested on each one of them. And they were all filled with the Holy Spirit and began to speak with other tongues, as the Spirit was giving them utterance."
(Acts 2:2-4)

Around 2,000 years ago, Jesus the Son of God came to this earth in the form of a human being. He grew and went throughout the land of Israel spreading the gospel of the kingdom of Heaven to the people. He taught them the will of God, and performed many wonders and miraculous signs, and confirmed the authenticity of His Word with miracles. Since His earthly ministry lasted only 3 years, how could the gospel be spread to all the corners of the earth?

In the second chapter of the Acts of the Apostles is a scene after Jesus' ascension where the Holy Spirit descended on the believers who gathered at the upper room in Mark's house. After the Holy Spirit came down upon them, they received power and spread the gospel in Jerusalem, all Judea, and Samaria and to the ends of the earth.

1. The Origin and Ministry of the Holy Spirit

In the beginning, God planned to cultivate human beings and from Himself He formed the Trinity. Of Himself He formed God the Father, God the Son, and God the Spirit. The Triune God created the heavens and the earth and everything in them. The Three Persons; The Father, the Son and the Holy Spirit; have the same heart, will, power and glory, however the Lord and the Holy Spirit are the Sons of God the Father.

It is often found in the Bible that Jesus is the Son of God, and the Scripture in Galatians 4:6 speaks of the Holy Spirit as the "Spirit of the Son of God". When God the Father begot the Son of God and the Holy Spirit, He assigned different duties to each of them. The Lord was commissioned to become the Savior for mankind; the Spirit became the Helper who guides people to believe in the Lord, to be born again and to attain complete salvation.

The Lord and the Holy Spirit have also done many works along with God the Father. For example, in Old Testament times, the Holy Spirit performed many works. He came upon men of God, and allowed for them to proclaim the will of

God and prophesy what God would do. The ministry of the Holy Spirit became totally different when the age of the Law of the Old Testament ended and the New Testament times began. The incarnation of Jesus, the Son of God, and His conception in a virgin was made possible by the power of the Holy Spirit.

After Jesus was baptized and came up from the water, the Holy Spirit descended like a dove and lighted on Jesus and testified that Jesus is the Messiah. It is read in Luke 4:14, "And Jesus returned to Galilee in the power of the Spirit, and news about Him spread through all the surrounding district," and Jesus said in Matthew 12:28, "I cast out demons by the Spirit of God." Jesus' spreading the gospel was done through the power of the Spirit.

2. The Works of the Holy Spirit as the Helper for the Children of God

The Holy Spirit stops the believers in the Lord from returning to the sinful world but instead helps them cast off sins and evils and become sanctified. What does the Holy Spirit do for the children of God in detail?

1) He assures us of the love of God.

It is recorded in Romans 5:5, "Because the love of God has been poured out within our hearts through the Holy Spirit who was given to us." The Holy Spirit helps us realize the love of God who loves us. He helps us understand that God gave us His only begotten Son and sacrificed Him for us. Only when we realize and feel that love in our hearts, can we have the assurance of salvation, overcome the world and cast off sins. If we feel God's love by the works of the Holy Spirit, we can advance toward a better dwelling place in Heaven, lead a proper Christian life and overcome any kind of trials.

2) He helps us realize the will of God and guides us to live in the truth.

In John 16:13 is recorded, "But when He, the Spirit of truth, comes, He will guide you into all the truth." The Holy

Spirit dwelling in our hearts tells us about the will of God and manages us to obey it. For example, if your heart was hurt because of another person's words, the Holy Spirit tells you to think of the other's standpoint so that you can throw away sins and obey the will of God. If you clearly hear detailed voices of the Holy Spirit in every aspect, you can be led to the will of God and lead a successful life.

3) He intercedes for us and empowers us to act in the truth.

Romans 8:26 reads, "In the same way the Spirit also helps our weakness; for we do not know how to pray as we should, but the Spirit Himself intercedes for us with groanings too deep for words". The Holy Spirit is very aware of the heart of God who wants every single soul to gain salvation. So, He earnestly intercedes for the believers. He prays even for a believer who has such weak faith that he commits sins. The Holy Spirit will guide him to repent of his sins. He will renew his strength and help him to live by the Word of God with love for God, and guide him to advance toward a better place in heaven.

4) He manifests to us the proofs enabling us to believe.

The 12th chapter of 1 Corinthians records the various gifts the Holy Spirit gives to the children of God and allows His proper children to manifest signs and wonders as the proof of their belief in God. In Romans 15:18-19, the apostle Paul confessed, "... for I will not presume to speak of anything except what Christ has accomplished through me, resulting in the obedience of the Gentiles by word and deed, in the power of signs and wonders, in the power of the Spirit; so that from Jerusalem and round about as far as Illyricum I have fully preached the gospel of Christ." He testified to Jesus Christ with manifestations of the power of the Holy Spirit. It is because it is more effective to present manifestations of God's powerful works than to testify only in words that God is alive and almighty.

Manmin Summer Retreat Was Filled with God's Love

The 2010 Manmin Summer Retreat ended as a great success in the midst of pouring showers of God's grace. All the days of the retreat were full of the assurance of the holiness gospel and the hope for New Jerusalem. Through the prayer of Dr. Jaerock Lee, the spiritual spaces were opened and many wonders and signs were manifested by the power of God. The believers in attendance came to possess greater faith and engraved the love of God on their hearts. This summer retreat was featured with the attendance of many people from abroad. They attended to experience the power of God that would be displayed in the spiritual space. Let's look into the 2010 Manmin Summer Retreat that abounded in works of the Holy Spirit, and give glory and thanks to God who was with us.

Cool Weather Regardless of Other Areas' Scorching Heat

The Love of God Displayed through Wonders

This summer Korea is experiencing abnormal climate. A few old people died of wrenching heat. Many people in Korea are not able to sleep well because of hot tropical nights and suffer from scorching daytime heat. Some people work with ice packs around their necks, and some others leave their homes and put up a tent along the river and go from there to their offices.

The first week of August is the peak season for summer vacation in Korea. But this year scorching heat has blanketed Korea. To our

amazement, the weather at the place of the summer retreat was totally different from that in other areas. There was deadly heat or heavy rains in other areas, but the place of the summer retreat had the optimal temperature of 24 degrees Celsius. The coordinators of the summer retreat ordered corn-on-the-cob from outside the area as a snack, but the corn was delayed more than one hour later because of a heavy rain shower. This fact demonstrated that we had no rain at all in the immediate area of

the summer retreat. God protected the area of the summer retreat in the same way that He had protected Israelites who dwelled in the land of Goshen from the ten plagues. While the athletic events were being held, clouds blocked the heat from the scorching sunlight and a cool breeze blew in the area. During the 'Looking up to the Sky' time, people were so happy to see various wonders performed by God including shooting stars, fast-moving stars and dancing stars.

The Appearance of Swarms of Dragonflies

The most interesting occurrence at the summer retreat was experiencing swarms of dragonflies. As in the past, a myriad of dragonflies appeared and sat on the fingers, hands, heads, and shoulders of a vast majority of the people. A dragonfly has a pair of compound eyes each of which consists of roughly 28,000 ommatidia. Without turning its head, a dragonfly can see front, rear, left, and

God's Love Demonstrated in Many Signs

right side at the same time. Unlike most, the dragonflies that appeared at the place of the summer retreat were not afraid of people, and came and sat on them without fear.

Swarms of dragonflies came down from around the sun. Some dragonflies flittered down from the sky as though they were dancing, while some others suddenly seemed to appear out of nowhere and then just disappeared. They

appeared and disappeared through the spiritual space that God opened. Dragonflies eat such harmful insects as mosquitoes. For this reason, there was no mosquitoes or moths at all at the summer retreat place and around the immediate area.

No Accidents and No Illness at the Summer Retreat

Generally speaking, when a summer retreat is held in Korea, people suffer from diarrhea, stomach-ache or skin irritations. There are also various accidents that happen including drowning. The leaders of the summer retreats have to carry medicines for emergencies and take care of the members. But the things are completely different at the summer retreat of Manmin Central Church. More than one

The Love of God Who Protected All Brothers and Sisters

hundred buses moved people, and several thousand people ranging from young children to the elderly attended. But there were no accidents at

all during the summer retreat because God protected everything and everyone completely. For the last 28 years Manmin Central Church has held the summer retreat every year, and the believers attending the summer retreat improved their faith by experiencing God's protection from various accidents and illnesses and felt His love by receiving answers and blessings from God.

A Worldwide Festival Full of the Hope for Heaven

Not only members of Manmin Central Church but also many members from all domestic branch churches including Daejeon, Kwangju, Masan, and Pusan attended this summer retreat. And this year hundreds of people from 18 nations including USA, UK, Japan, Israel, and Bolivia attended, too. Deaconess Eunja Sung said, "I felt strong love of God, who is even managing the weather. My faith has grown up."

The Love of God Who Was with Manmin

This summer retreat was considered as a worldwide festival drenched with the love of God who comforted the hearts of numerous people, blessed them with answers, and was with them. This 2010 Manmin Summer Retreat was featured on a few daily newspapers—The Sudokwon Daily, The Daehan Today's News, and The Joong-ang Mail Newspaper, and weekly magazines including The Sisa News, and monthly magazines

including The Pictorial Journal of Korea and The Newsmaker. One of the journalists and reporters who attended this retreat said, "Dragonflies fly away from men, but it was so amazing to see dragonflies coming down from the sky and sitting on the people in a friendly manner."

2. Manmin Central Church believes in the unity and the work of God the Trinity: God the Holy Father, God the Holy Son, and God the Holy Spirit.
3. Manmin Central Church believes that we are forgiven of our sins only by the redeeming blood of Jesus Christ.
4. Manmin Central Church believes in the resurrection and ascension of Jesus

Christ, His Second Advent, the Millennium, and the eternal heaven.
5. Members of Manmin Central Church confess their faith through "The Apostles' Creed" each time they come together and believe in its content verbatim.
"God Himself gives to all people life and breath and all things." (Acts 17:25)
"And there is salvation in no one else; for there is no other name under heaven that has been given among men by which we must be saved." (Acts 4:12)
