## The Holiness Gospel and the Prayer with the Handkerchief of God's Power

Pastor Daniel Rozen (The Living Stone Church, Tel Aviv of Israel)

From my childhood, I lived in the painful and difficult history of my people Israel. My grandparents and parents, both of them underwent a terrible experience by the hands of the Nazis in Germany. My grandfather, a rabbi, was taken away by Nazis and never returned home. My grandfather-in-law was killed along with many other Jews in the middle of Holocaust. Grandmother successfully escaped with her two children (one of them is my mother) from the hands of the Nazis and reached the border between Poland and Ukraine, where their lives, as Jews, were not easy, either.

In my young days I worked as a physical therapist based in Jerusalem. One day one of my friends invited me to a Christian meeting through some volunteers who came from the Netherlands. I went there without any special expectation but I found myself in a comfortable and warm atmosphere. I could see how they served and respected each other out of love and it touched my heart. As time passed, I attended the meeting regularly with my friend. It took much time for me to understand the gospel of Jesus Christ which they always emphasized at the meetings.

I couldn't either understand or believe that Jesus redeemed mankind from their sins as the Messiah and Savior for the Jews and all men. Like all other Jewish people who know that we are God's Elect, I thought Jews had much more knowledge about God and the prophets.

One year after I attended the meeting, I accepted Jesus as the Messiah and my faith began growing up by the help of the Holy Spirit indwelling me. A short while later, at one of the meetings a brother approached me and asked forgiveness

with tears. He said that his parents were from Nazis Officers who were living in Austria. He asked for my forgiveness about his people having committed horrible things against the Jews during Nazis time. My heart melted down and we embraced each other with love. At that very single moment the Holy Spirit moved and we were reconciled to each other in the love of God, and through repentance we were put into liberty. I was released from the hidden anguish of pain and hatred that I'd carried in my heart.

In 1991, I worked as a model and was given a chance to enter a famous agency in the North America (D & G). The contract fee was 42,000.00 NIS (New Israeli Shekels, which is equivalent to around US \$10,000.00) per month. I expected it was the first gate to my success for riches, fame, and honor. But I had known the hypocrisy and emptiness in the fashion world, so I couldn't make a decision easily. One day I heard a voice telling me, "I created everything, now choose only one, life or death!" I looked around, but there was no one. A sudden fear from my whole being came like a strong rushing wind and I felt that God speaking to me in a deep way. I meditated on this question with fear and trembling and after a short time, I decided to quit everything related to the modeling job, and abandoned the ambition of riches, fame and honor. I determined to dedicate my life to the Lord. On the same week I was baptized and born again as a new creation of God.

I served God as an evangelist inside the land of Israel for three years. Meantime, by the grace of God I met my wife Vered-Chen Rozen and our only daughter Adiel was born. While we served at one Messianic evangelical

ministry in Jerusalem, through fervent prayer and fast, we realized we needed to train prayer warriors who would be able to pray for the peace of Jerusalem and make ready the way of the Lord. In 2004, "Living Stone Church" was established in Tel Aviv, Israel. One year later a few branches of the Living Stone Church were opened in Cyprus as well as in the Philippines, Florida of USA and Kazakhstan.

I've taught my church members to intercede for Israel and its government, and for the Jewish people to receive Jesus as their personal Savior. I delivered messages on Holiness, Sanctification and the Restoration of man's identity in the name of Jesus Christ. My wife and I were ordained as pastors in the State of Minnesota, USA in 2006.

In February of 2008, I had a chance to meet a special servant of God, Dr. Jaerock Lee by the guidance of Pastor Daniel Matias. It was a short meeting, but I was so touched by his humbleness and love. Tears fell down from my eyes for I felt the heart of our Heavenly Father from him. The compassion and meekness that I saw on him was extraordinary. His special love for the Jewish people and the land of Israel is so unique and immeasurable.

During his three years of ministry in Israel, until he conducted the 2009 International Multi-Cultural Festival in Jerusalem, Dr. Jaerock Lee showed miraculous signs by the power of God and confirmed Jesus Christ is our only Savior to the Jews and all mankind. It was so touching to me. After I read *The Measure of Faith* one of his books, I understood more that our dwelling place in Heaven is different according to how much we accomplished the heart of the Lord. Reading his book added me a desire to press on toward New Jerusalem, the best dwelling place in Heaven. When I delivered the messages with his books *The Measure of Faith*, *Heaven 1&2* at branch churches in Israel, the Philippines, Kazakhstan, Cyprus and Bulgaria, and at a few associative churches, I saw the churches experiencing revivals.

I attended the worship services of Manmin Central Church via the live webcasting at Manmin TV (www.manmintv.org), and frequently visited the websites of Manmin Central Church to arm myself with the gospel of sanctification. I also witnessed the same power of God manifested during the New Testament time is being manifested through the handkerchief that Dr. Jaerock Lee prays on.

In this year of 2010 I held many healing meetings in Kazakhstan, Bulgaria, Hong-Kong and Italy. When I flew to Torino and Pelirolo of Italy, a day before I delivered the message of sanctification, I presented to the leadership of the two churches 'The Power of God' DVD and it touched their hearts. During the healing meeting with 800 attendees in total—many newcomers as well as church members, I prayed them with the handkerchief and surely the Holy Spirit moved. Many repented of their sins with tears; a lesbian fell on the altar in repentance and recovered her identity as a believing woman, and on the following meeting she brought her friends and they received Jesus Christ. At that evening meeting, the ears that couldn't hear for months were restored, and lives of people were changed.

Whenever I led the meetings, I distributed Dr. Lee's autobiography *My Life My Faith I* to pastors. And I explained that the believers enter different places of Heaven according to the level of faith and the measure of Christ-likeness, and then gave them Dr. Lee's book *Heaven I & II*. When I shared 'The Power of God' DVD

with them, they were so happy and encouraged.

In Kazakhstan I spread the holiness gospel to the five churches which I had spiritually covered as senior pastor for almost 3 years. After that, a senior female Kazakhstani pastor, Pastor Rozel Makhatayeva attended Dr. Jaerock Lee's International Multi-cultural Festival in Israel in 2009 where she witnessed miracles, signs and wonders happening. She and I held revival healing meetings with the holiness gospel of Jesus Christ and the handkerchief and we used it in praying for people.

God's powerful works were amazingly manifested and people received healing and answer to their prayers and problems. Two couples who had struggle and problem in their marriage and were at the edge of separation got reconciled at the meeting.

Church members started reading Dr. Lee's books and listening to his messages on MP3 and by watching on the television. Changes happened in their lives and the church experienced great revival. They were so blessed hearing the holiness gospel and receiving miracles in their lives. Short while later church leaders decided to be in partnership with Manmin Central Church, Seoul Korea through the holiness gospel.

As a messenger from Zion I continue travelling around the globe and trying my best to comfort and restore the brokenhearted through the holiness gospel and the love of Jesus Christ the only one Lord and the Savior of mankind.

## “We'll Send You the Books. Just Apply”

The Four Part Advanced Series, *SANCTIFICATION AND POWER*, is Shared by Mary's Mission

**Come and See the Evidences of the Living God**  
 Authored by Dr. Jaerock Lee

The most urgent thing to navigators who are making a way in the midst of a violent storm is a stream of light that is flashing from the lighthouse. It is the same in our journey of life. Many people are eagerly seeking the light of salvation before a variety of problems that they cannot solve with their abilities, but nothing in the world can become true light to them.

The Four Part Advanced Series, *SANCTIFICATION AND POWER* 1

**A Myriad of God's powerful works are taking place!**

The Four Part Advanced Series, *SANCTIFICATION AND POWER*

2 **By Faith We Understand that the Worlds Were Prepared by the Word of God**

When we possess perfect faith, we can experience God's unlimited power of creation. Faith is like a spiritual cord that links between God the Creator and us. It is also the passage through which we call down the power of God.

3 **The Power of God**

What kind of people can receive the power of God? Power is a gift of love God wants to give His children! Anyone who fervently loves God, cares for the souls, makes his heart clean and piles up fervent prayers can receive power.

4 **Thunder the Original Voice**

How is the original voice of creation that God sounded in the beginning being manifested today? This book presents the readers the ways in which they can experience God's powerful works that are manifested through His original voice.

Mary's Mission consists of single female members who are over 30 years of age. They have tried their very best to help Manmin Central Church with book ministry in accomplishing world evangelization. During this third stage of

the takeoff of the church, Urim Books published *Come and See the Evidences of the Living God*, the last and fourth volume of the four-book series for sanctification and power and Mary's Mission is holding a campaign 'Free Books Delivered to Your Door' for 5 weeks, from September 6 until October 10, the 28th anniversary of the church, to support many churches that have financial difficulty purchasing religious books; some churches that are in the farming and fishing villages, some dependent churches and some churches ministering to foreign believers.

The series books for Sanctification and Power are compilations from the messages that Dr. Jaerock Lee delivered during his twelve Two-week Special Revival Meetings, and are categorized into 3 groups: First, the four-part basic series for sanctification and power; second, the four-part intermediate series; and third, the four-part advanced series. The four books of the advanced series for sanctification and power are from the messages delivered at the two-week special revivals that were held from 2000 until 2004.

One year after he opened Manmin Church, Dr. Jaerock Lee established an editorial department to compile his messages into books, and in 1987, there was the first publication of Dr. Lee's testimonial memoirs *Tasting Eternal Life before Death*. Since then he has authored more than 60 books that have the love of the Lord and good wisdom worthy of the beautiful life in Him. Many readers have been experiencing changes of their heart, healing works and answers to their prayers and renewed in their spirits through these books. Among the dozens of his published works, *The Message of the Cross*, *Tasting Eternal Life before Death*, *Heaven*, and *Hell* have been bestsellers, steadfastly favored by many readers in the Christian community at home and overseas. In the opinion of many, his books have profound depths in the spiritual messages that are delivered in an easy and clear writing style. They are also actively being translated and published in many foreign languages. As of August of 2010, 30 of his books have been translated into 47 languages and about 120 publications have been printed in 24 languages.

Any (domestic) church that wishes to receive the 4-part advanced series Sanctification and Power can visit the website of Manmin News (news.manmin.org), download the application form, fill in the blanks, and return the form to us through email (book@manminnews.com) or call at 070-8240-5610 (M-F 9:30 to 6pm Korea local time). Senior Pastor Dr. Jaerock Lee

## How to Fulfill Our Heart's Desires

"Delight yourself in the LORD, And He will give you the desires of your heart." (Psalm 37:4)

Many new believers who have just begun attending church receive their heart's desires. A few of them seek God in their good consciences, while many others seek the answers to various problems including diseases that cannot be cured with modern medicines; conflicts and discord at home or between parents and children; and difficulties in work and businesses.

Some believers receive their heart's desires shortly after they pray, and overflow with thanks and joy. Others do not receive answers even long after they began to pray. Some others fail to understand the love of God, so that they give up praying and end up leaving God.

God is almighty and all-knowing and abounds in love. He takes delight in giving answers to His children who ask by faith. What then is the reason that some believers fail to receive their heart's desires from God? It is because they have little knowledge of themselves and the laws concerning receiving answers from God. What should we do in order to fulfill our heart's desires?

### 1. We Have to Examine Our Characters of the Heart

In order to receive answers and fulfill our heart's desires, first of all, we have to clearly believe without doubt in the absolute almightiness of God. We have to examine whether we really believe God from the heart, or whether we may be just expecting accidental answers because we do not fully believe but instead have doubts.

Many people worship idols and trust in themselves before they come to know Jesus Christ. That's why when they meet with various trials and afflictions they try their best to solve those problems through idols or with their own abilities. It is only after they are stuck within irremediable limitations due to those problems and are at a loss that they finally come to God and ask for

His help. It really means they come before God just with an expectation of accidental good-fortune-healing rather than to rely on the power of God the Almighty.

God the Creator and the Almighty governs the universe and everything in it. He governs and manages the history, death and life, woes and blessings of mankind. He searches even the depths of each one's heart. Anyone who wants to come to God and receive his heart's desires should throw away doubt and all hope for an accidental healing. He must then ask of God by faith instead. He has to ask for anything with the assurance of God's answer. Then, God is pleased with that faith and gives answers to one's heart's desires.

### 2. We Have to Examine the Assurance of Salvation and Measure Our Level of Faith.

Today there are many churchgoers who are wandering about with spiritual thirst and distress. Many don't have the assurance of salvation despite decades of years of faith. In such thirst, distress and lack of assurance, how could it be possible for them to please God and receive their heart's desires from Him?

Romans 10:10 reads, "For with the heart a person believes, resulting in righteousness, and with the mouth he confesses, resulting in salvation." If we open our heart and accept Jesus Christ as our personal Savior, we receive the Holy Spirit as a free gift of God and we receive the right to become the children of God. However, only when we confess with our mouths that Jesus Christ is the Savior and believe in our hearts that God raised Jesus from the dead, can we have the assurance of salvation.

With the true faith in our heart we can act by the will of God and receive our heart's desires from Him. Jesus said in John 15:7, "If you abide in Me, and My words abide in you, ask whatever you wish, and

it will be done for you." Even if we have obtained the right to become the children of God and have the assurance of salvation, if we do not act according to His will, we can neither be deemed right in His sight nor can we receive our heart's desires.

To fulfill our heart's desires, above all, we have to discover the walls of sin built against God, repent of and turn away from them. If we do not repent and turn back from the sins that have been revealed to us, we cannot receive answers from God. So, in the assurance of our salvation, when we destroy the walls of sin and do the will of God, we can fulfill our heart's desires.

### 3. We Have to Show the Deeds of Faith that Please God.

After we acknowledge God the Creator and accept Jesus Christ, we can understand the heart of God as much as we make our spiritual bread of the truth. A little child is not able to understand how to please her parents, but as time passes she comes to understand what it is to please them. She then tries to do the things that please them according to her love for them. In the same way, the children of God can please Him as much as they understand, make their spiritual bread of, and practice the truth.

Many biblical figures tell us how they pleased God and fulfilled their heart's desires. Abraham always sought peace with everyone and accomplished sanctification, and served God with all his heart, mind, soul and sincerity. Because he believed God would be able to bring back a dead person to life, he never got involved in any fleshly thought but completely obeyed the command of God telling him to offer his only son Isaac as a burnt offering. This obedience of faith pleased God and he received the blessing of 'The LORD Will Provide' and he is also called the 'Father of Faith.'

# Wonderful Mysteries of the Human Body

A psalmist confessed in Psalm 139:14, "I will give thanks to You, for I am fearfully and wonderfully made; Wonderful are Your works, and my soul knows it very well." When it is surveyed here just how wonderfully and mysteriously God made a human body, it is expected that you should be able to give your heartfelt thanks to God the Creator and lead a blessed life in the faith in Him.

It is said that a car consists of about 13,000 parts, and that about 3,000,000 parts are necessary to assemble a Boeing 747. They say that about 5 million parts are required to build a space shuttle. How many parts do you think constitute a human body? At the creation of a human being, God had all information about such a creature, and designed every part of it. How wonderful and mysterious is a human body God created according to His design?

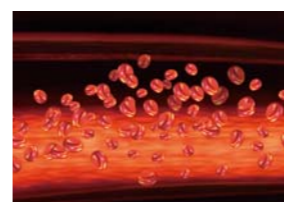

- A Human Has Sixty Trillion Cells and 206 Bones
- Bones that Are Renewed Every 7 Years and Skin

A man's body consists of more than 60 trillion cells. An adult has 206 bones. The human bone is stronger than granite. A bone the size of a small match box is capable of supporting 10 tons, and is stronger than concrete. The bone structure constantly changes so that the entire skeletal system of the human body renews every 7 years.

The surface area of the skin for the average male is 1.9 square meters, and it is 1.6 square meters for a female. The skin constantly peels off and renews; it is completely renewed every 4 weeks. It is as though we put on a new natural water resistant suit of skin every month. The entire skin we peel off during our whole life weighs 48kg and we put on new skin 1,000 times in our lifetime.

- The Total Length of the Blood Vessels Could Circle the Earth 3 Times
- Blood Travels around the Whole Body in 46 Seconds

The total length of the circulatory system of the blood vessels is about 120,000 kilometers. This length could circle around the earth 3 times. Now, 4.7 liters of blood passes through our heart every minute. If we think about the size of a 2-liter water bottle we can realize how quickly the heart is pumping the blood.

The blood that is pumped from the heart travels throughout our body and returns to the heart in approximately 46 seconds. And the amount of the blood of a man is proportional to his body weight. There are about 80 milliliters per 1 kilogram of body weight; if a man weighs 60 kilograms, he may have 4.8 liters of blood. The main constituent of blood is the erythrocyte (red blood cell) that is produced in bone marrow at the rate of 20,000 per second.

- The Whole Area of All the Alveoli is One-fourth the Size of a Basketball Court
- The Whole Passage Way of the Digestive Tract from Beginning to End Is 8.5 Meters Long

Each lung has about 3-500 million alveoli, which, if stretched out, would be able to cover between 70 and 100 square meters. This is an area that is about one-fourth the size of a basketball court. Such huge things are folded so

intricately inside our body.

Let's take a look the digestive tract. Beginning in the mouth it is about 8.5 meters from one end to the other. The large intestine is 1.5 meters long. The small intestine is 6 meters long which is the longest part of the digestive tract. A human can survive even if he loses half of his stomach, or with just one kidney or one lung.

- The Gastric Acid from the Stomach Can Dissolve Zinc
- Epithelial Layer Called the 'Mucous Membrane' Prevent Damage

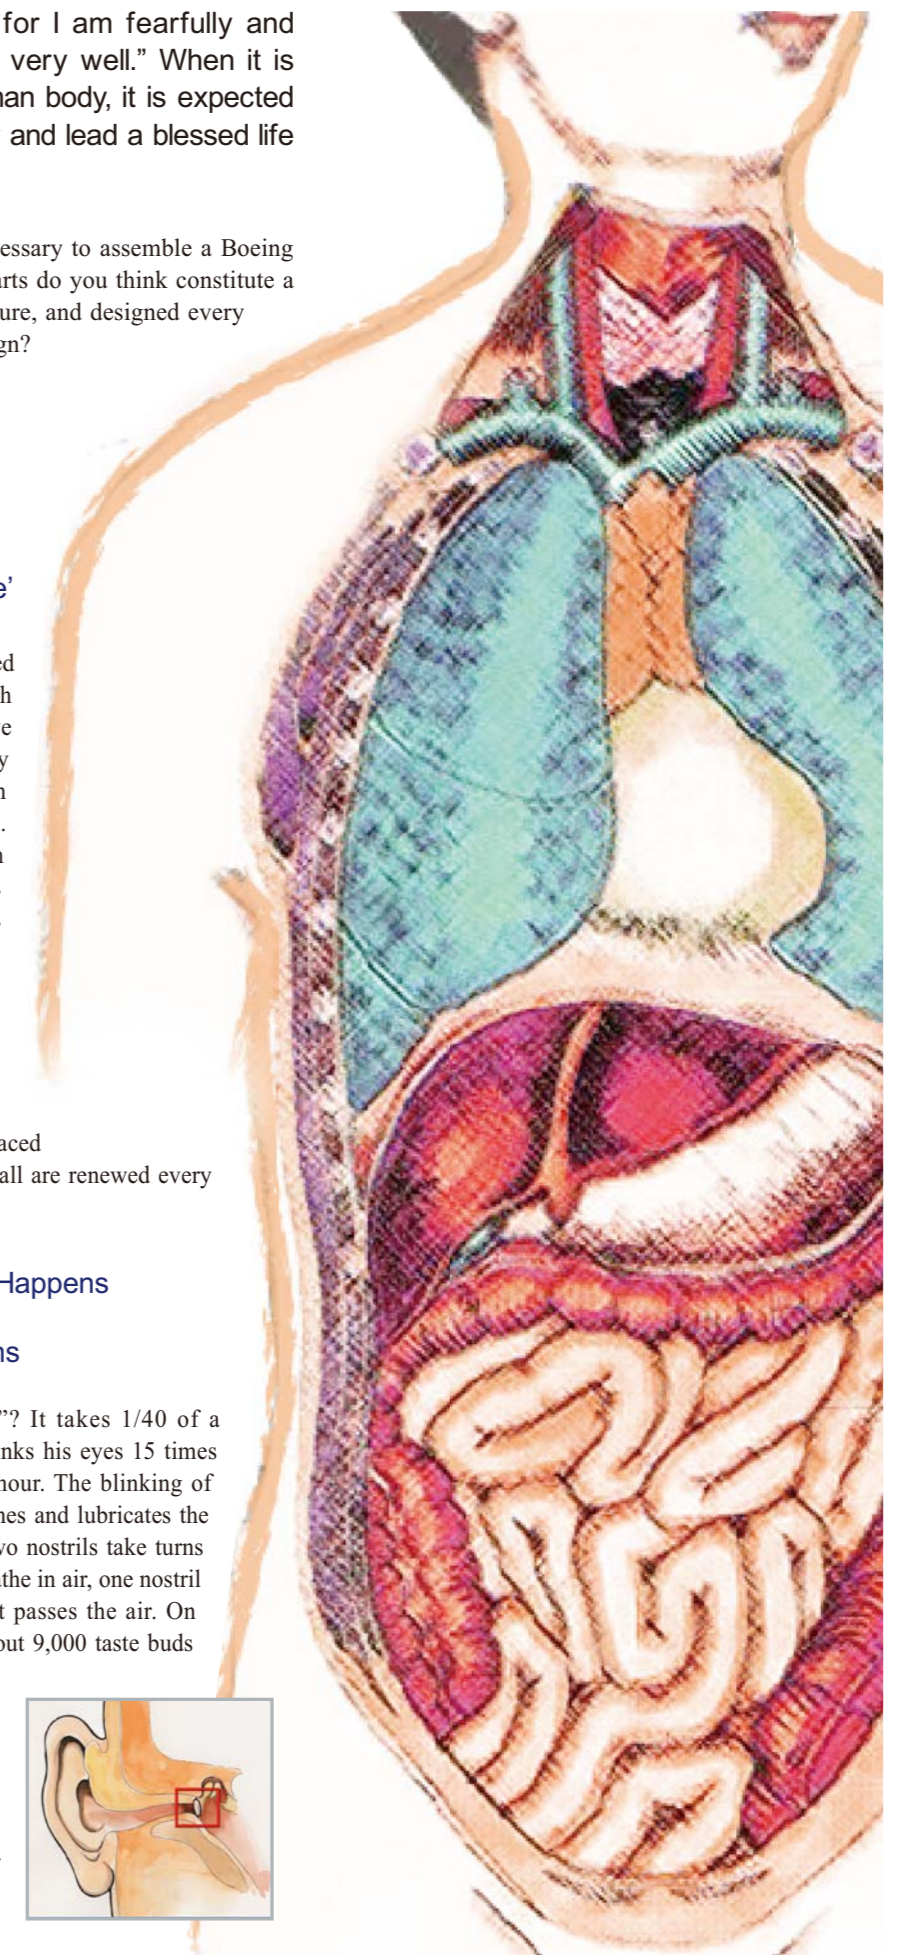

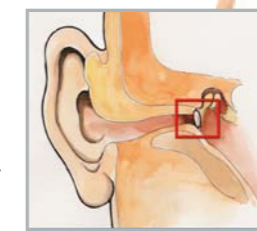

The gastric acid which is secreted by our stomach has such a high level of acidity that it can dissolve zinc. If our stomach secreted only this gastric acid, the stomach walls will be severely damaged. However, our stomach has an epithelial layer called the 'mucous membrane' which produces mucus to prevent damage.

In addition, an alkaline secretion is produced that neutralizes the gastric acid and prevents the walls from being dissolved. At the same time, the cells of the stomach walls are continually replaced with new cells. The cells of the wall are renewed every 3 days.

- The Blink of the Eyes Happens 900 Times an Hour
- Two Nostrils Take Turns Every 3 or 4 Hours

How fast is a "blink of the eye"? It takes 1/40 of a second. On an average, a man blinks his eyes 15 times a minute, or about 900 times an hour. The blinking of the eye protects the eye, and soothes and lubricates the cornea. Every 3 or 4 hours, the two nostrils take turns doing their job. As the nostrils breathe in air, one nostril detects odors while the other just passes the air. On the tongue of a man, there are about 9,000 taste buds which can detect tastes.

Inside an ear, there is an eardrum which can receive the vibrations of sound waves. In the eardrum it smells very bad. This is to prevent any tiny insects or worms from hurting the interior of the ear if it enters into the ear.

### God Guards His People as the Pupil of His Eye God's True Children Guard His Teaching as the Apple of Their Eye

Deuteronomy 32:10 says that God "guards His people as the pupil of His eye." David prayed in Psalm 17:8 that God may 'keep him as the apple of the eye.' God protects the children of faith just as the eyelid protects the pupil by quickly coming down when dust enters into the eye. Even in a very urgent and dangerous situation like a fatal car accident, for example, God works very quickly through angels.

Those who have experienced it already know how quickly God works and protects them. It tells us to keep the commandments of God as though it was the apple of our

eye. Now, Proverbs 7:2 says, "Keep my commandments and you will live, and guard my teaching as the apple of your eye." When something we think may be unrighteous approaches, we should quickly turn back. When the deceiving things of the world come near us like particles of dust, we should quickly bring down the eyelids of our heart so that they cannot get into our heart. By doing this, we should always live in the Word of God so that the things of the world cannot sneak into us for a minute, a second, or not even 1/40 of a second.
