Archangel, and the thankful and joyful confessions of those children of God whose hearts had been well-cultivated by the Holy Spirit on earth. This performance was held on a specially-designed stage with special effects, and filmed in Full HD.

Anniversary Evening Service was offered at the first part of Friday all-night service. Dr. Jaerock Lee delivered the message entitled “The Grace of God” based on Deuteronomy 11:14. In his message he illustrated three different kinds of grace we have to remember and give thanks for. Celebration events were held during the second part of Friday all-night service with special performances. The 5th Anniversary presentation of GCN (Global Christian Network, channel name of Manmin TV) highlighted the 5-year ministry of GCN and included a special talk show interview with

Dr. Jaerock Lee, Founder and Board Chairman of GCN. Dr. Lee emphasized that GCN was founded for the sake of salvation of the souls around the world and said God opened the door to the broadcast ministry with GCN and allowed for it to prosper by the work of creating something out of nothingness. At 9:50 PM, on October 8, the opening ceremony of the 28th church anniversary was held with the 3D video presentation titled “The Love of the Shepherd”.

Among the honored guests attended were Bishop Maksim Maksimov, President of CNL (Christian Network Life) TV, Kazakhstan and Dr. Alfred Pratapsingh, Senior Pastor of Trinity Full Gospel Church, Chennai, India. This special 3D film presented Dr. Jaerock Lee’s earnest love for the souls. Because he is very aware of the horrors of Hell his powerful ministry is for their salvation.

From the moment of being called as a servant of the Lord until now he has eagerly and incessantly prayed that not even a single soul be lost.

“I’m Amazed at the Ministry of Manmin!”

Bishop Maksim Maksimov
President of CNL TV, Kazakhstan

“I came to know the ministry of Manmin Central Church at the NRB Convention and Exposition. This is the first time for me to watch a 3D video presentation on a giant screen at a church.

All the performances are wonderfully performed in perfect unity. The CNL TV broadcast 2006 New York Crusade and 2009 International Multi-cultural Festival live and began broadcasting GCN-produced programming the last September.

We are scheduled to broadcast live the “Days of South Korea in Estonia 2010” that will be held near the end of October.”

Mr. Immanuel Prabu
Board Director of The Word of Christ Publishing House

“When we, The Word of Christ Publishing House, printed *Hell*, one of the books authored by Dr. Jaerock Lee and distributed it to the whole areas of India we gained great attention from the readers. Through the 3D video presentation at the opening ceremony of the church anniversary, I felt the horrible reality of Hell and I was again determined to lead many more souls to salvation with Dr. Jaerock Lee’s books *Heaven I & II* and *Hell*. From now on, we will do our best to publish and distribute English, Tamil, Hindi, and Telugu editions of Dr. Jaerock Lee’s books *Heaven and Spirit Soul and Body* to many bookstores throughout all of India and also in the world in the cooperation with Urin Books.”

True Obedience

"Have this attitude in yourselves which was also in Christ Jesus, who, although He existed in the form of God, did not regard equality with God a thing to be grasped, but emptied Himself, taking the form of a bond-servant, and being made in the likeness of men. Being found in appearance as a man, He humbled Himself by becoming obedient to the point of death, even death on a cross." (Philippians 2:5-8)

Senior Pastor Dr. Jaerock Lee

Though Jesus is the Son of God, He put on a human form and came down to this earth and, according to the will of God, He was hung on a cross and died on it. He knew in advance He would have to bear unimaginable sufferings though there was no sin at all in Him, but He obeyed the will of God only with joy. It was because He loved God with a true heart.

God is still searching for a man of God who really obeys His will and is worthy to accomplish the kingdom of God. Such a man of God must obey in accordance with God's will whatever God wants. What shall we do in order to be deemed to really obey God?

1. There should be no 'self', but only God within us.

He who loves God must be willing to obey God. But some believers are found to disobey God despite their efforts to obey. It is because they have their 'self' in them. They involve their own thoughts, wisdom and methods and insisted on what they think is right in doing the work of God.

They say they are obeying the Word of God, but they have their own ways and incorporate them in doing God's work. Afterward, they tend to explain how they followed the will of God when did this because of this and did that because of that. But even though they say they did something in obedience to the Word of God, it is still just their own thoughts. They cannot understand the heart of God and cannot realize His will, so after doing something as they want it done, they say they did it in accordance with the will and heart of God. Thus,

if the result is not worthy of others' recognition or it is unsatisfactory, they attribute this to the others.

Jesus had no 'self' at all. He had only 'God the Father' in His heart and did everything only according to the will of God. During His public ministry, Jesus always tried His best to pray and sought the will of God. In accomplishing God's ministry, Jesus thoroughly obeyed so that every single duty might be exactly fulfilled in accordance with the Word of God.

2. Our obedience to God must not be conditional.

He who sets conditions in doing something tends to make excuses. Such a person obeys what is beneficial for them but they may not obey if something doesn't benefit them. According to their desires and selfish motives they choose what profits them and according to the change of situations, their attitude changes any time. But he who truly obeys never sets any conditions on his obedience. They do not make excuses at all. They seek only the will of God. They obey whatever the will of God may be and obey unconditionally, with saying "Yes" and "Amen."

I wish for you to examine whether or not you are obeying for the sake of power, honor and recognition; whether you can obey the will of God whatever His will may be and until the end, no matter what the circumstances might be; and whether or not you are saying

"Amen" only when it agrees with your thoughts and the conditions before you.

Jesus never sought His own glory at all. He only obeyed for the glory of God. That's why He abandoned the heavenly throne, and accepted being treated as a sinner and put to death by crucifixion on earth. Jesus, the Son of God obeyed that way, so how could we then dare make our obedience to the will of God conditional?

3. We should bear the fruits of spiritual love.

While Jesus was hung on a cross, His disciples ran away out of fear. But, a couple of women, including Mary Magdalene, stayed with Jesus until the last moment. It was because those women loved Him exceedingly. This is true love.

God wants us to obey with spiritual love. Since Jesus loves God the Father to the utmost degree, He fully believed in God and overcame everything with the hope for the everlasting days of glory when He'd abide with God in the kingdom of Heaven. If we really love God, we must also fully believe in God. We must hope for the eternal days when we will stay with God in Heaven. We must obey whatever He commands and even lay down our lives.

Romans 8:35-39 reads, "Who will separate us from the love of Christ? Will tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? Just as it is written, 'For Your sake we are being put to death all day long; We were considered as sheep to be slaughtered.' But in all these things we overwhelmingly conquer through Him who loved us. For I am convinced that neither death, nor life, nor angels, nor principalities, nor things present, nor things to come, nor powers, nor height, nor depth, nor any other created thing, will be able to separate us from the love of God, which is in Christ Jesus our Lord." This is the confession of spiritual love and true obedience to the Lord.

Dear brothers and sisters in Christ, God is searching for the ones who can really obey Him in any circumstances and is worthy to accomplish His providence. May you all confess, "Amen! I am here!" for the glory of God, in the name of our Lord I pray!

"Manmin Is Totally Different! Every Moment Is Unforgettable!"

On Monday, October 11, more than one hundred honored guests, pastors, missionaries, and workers from overseas countries paid a visit to Muan water site after celebrating the 28th anniversary of Manmin Central Church. After arrival at Muan Manmin Church that stands near the Muan sweet water site, they offered a Thanksgiving Service for the miracle of turning from salty water into sweet water. They also had a program 'Looking up to the Sky' by the guidance of Pastor Myungsool Kim ministering at Muan Manmin Church.

When they submerged themselves into the Muan sweet water pool, peace and joy came upon their hearts, healing works occurred with them, and various works of the Holy Spirit took place. An outdoor reception festival for those visitors was held at the seashore in front of Muan Manmin Church. On this issue of *Manmin News*, we are going to publish these interviews with them.

After attending the 28th church anniversary celebration performance, **Mr. D. James Vincent, President of Salvation TV in India** said, "Dr. Jaerock Lee's message emphasizing the significance of prayer and sanctification, and gorgeous performance that feels like a heavenly banquet are never to be forgotten at all." He added, "Salvation TV broadcast live the 2009 International Multi-cultural Festival in Jerusalem with Dr. Jaerock Lee to the whole land of India. Numerous Indians were healed watching the festival on TV and sent their testimonies to our broadcasting station. We will broadcast Dr. Lee's Estonian Crusade, Days of South Korea in Estonia 2010 that will be held the end of this October, and we are looking forward with expectation what will happen this time."

Ms. Shah Mina Dilpun Govind, Executive Director of Naku Mart in Kenya said, "Manmin Central Church is so well-organized, rendering excellent services, and at a very high level in spirit. My visit to the church is rare and very beneficial experience to me. Performance was so wonderful, and I was touched to see each worker fulfilling their duties in harmony and action."

A Ukrainian Pastor Iurii Pidnebesnyi, Senior Pastor of Christian Faith Church

confessed, "This magnificent performance is not possible without prayer. I was so touched by the performance. I could feel sweet fragrance not from performers' appearance but from clean heart. While reading Dr. Jaerock Lee's books *Heaven I & II*, I was wondering who the author is and how he could describe it so vividly and in very detail even though he has not been to Heaven. Later I attended the 2009 International Multi-cultural Festival in Jerusalem, and seeing everything that happened through Dr. Jaerock Lee at the festival I came to fully believe everything. His books, the Russian editions, have been almost worn out because so many pastors have read them by turns, and many of them are requesting us to send other books."

Mr. Dennis Thamburaj Ebenezer, Executive Director of the Holy God TV India said, "God is with Dr. Jaerock Lee, and I could feel and taste Heaven at Manmin Central Church. Dr. Jaerock Lee's *The Message of the Cross* sermon series drew great attention from the viewers. And many testimonies of those who have been healed through Dr. Lee's prayer and prayer requests are flooding into our TV station."

A Ukrainian psychiatrist Dr. Victor Ryabchinsky, Director of the Association of Ukraine

Christian Medical Doctors, professed in great emotion, "I am feeling as if I had been in Heaven. I will tell my fellow doctors they should have visited Korea and attended this graceful performance. I want to tell them to firsthand come and see this wonderful anniversary. Coming to know the ministry of Manmin is a spiritual revolution to me. I attended the 6th International Christian Medical Conference held in Kiev, Ukraine hosted by WCDN, and it was the first time for me to enjoy such an amazing medical conference that presented divine healing cases performed by prayer and manifestation of God's power. It was a very high class of medical conference in science and spirit."

Rev. Dr. Dudley M. Thangiah, recognized throughout all India as famous gospel song composer said, "Performance was so touching and inspirational. I trembled with strong emotion and my heart was in great peace to see the performance. I felt it made brothers and sisters have a reverent fear of God. Dr. Jaerock Lee's prayer life and sacrificial dedications are so impressive. We are so touched to see him serving us and many people in humility. And I'd like to express my gratitude to everyone who welcomed and treated us with love."

Dr. Freddy Mbakata, Senior Advisor to the Prime Minister in Democratic Republic of the Congo commented, "Dr. Jaerock Lee is so famous in my country. I often listen to his messages and watch beautiful performances through the Internet, but now I was so surprised to see everything with my eyes. Everything is perfect, and the church is very well-organized. Many Congolese love Muan sweet water so much. They asked my wife to bring as much Muan sweet water as possible because they want to experience God's works."

Rev. Surapong Prathumwan said in an interview, "The holiness gospel makes our faith firm and sure, and the manifestations of God's powerful works enable us to have such strong faith. Through the holiness gospel and Dr. Lee's powerful ministry, we have experienced fiery works of the Holy Spirit and learned mutual love and service between a pastor and his flock. Manmin's songs and performances are the best in the world. Thai Christians lack prayer, but Manmin's prayer is so fervent. I've learned how to pray at Daniel Prayer Meeting."

Praising, dancing and all performances made me feel the kingdom of Heaven vividly. It was holy and sanctified emotion! I believe our Father God was so pleased with this performance."

Since I came to know Manmin, I could gain spiritual faith. It's a blessing to know Manmin Central Church."
