

Manmin Magazine's 700th Episode On location for recording of the special presentation

The circular rainbow appeared over the sky when the 700th Manmin Magazine was recorded. It was taken at 11:41 A.M. The audiences were shouting with joy and the family of Brother Jaewoo Lee, who was healed of burns and gave testimonies in the 433rd Manmin Magazine, was filled with the Holy Spirit.

How to watch Manmin Magazine on the Internet

Visit Manmin TV's website (www.manmintv.org) and select the language. Then click the menu bar 'Testimonies' and then 'Manmin Magazine.' You can watch previous episodes.

Manmin Magazine, a weekly video news programming of Manmin TV broadcast live during Friday All-night service every Friday, presented its 700th episode. Since its first presentation on July 29, 1997, for the last 15 years, Manmin Magazine has delivered the church news and testimonies of those who have met God, who have been healed of diseases and have been set free from problems in their lives in the name of Jesus Christ through Dr. Jaerock Lee.

Manmin Magazine is broadcast through satellite, IPTV, and the Internet and has given grace to viewers, touched their hearts, and planted faith in them. Manmin TV takes the lead in spreading the holiness gospel by producing and distributing various programs that include praise and performance that spearhead Christian culture, the holiness gospel, the works of power, and a variety of testimonies.

God was with Manmin with a circular rainbow and good weather

On October 3, the 700th Manmin Magazine was recorded on the special staging at Muan Manmin Church in Jeollanamdo. It is the site of God's power where salty sea water was changed into sweet fresh water by the prayer of Dr. Jaerock Lee. On the recording day, seven cameras including four HD and one crane camera were used to shoot it.

The production team left for the site at 5 A.M. and arrived at 9 A.M. While they were setting the stage in a good weather, a circular rainbow appeared over them. They felt the love of God who celebrated the 700th Manmin Magazine.

At the beginning of the filming, Pastor Myungsool Kim ministering to Muan Manmin Church came up to the stage and prayed for the shooting. After that he said, "Strong winds blew yesterday, but now there's no wind and it is very warm." He gave glory and thanks to God along with the audience. It heightened the atmosphere even more.

This filming work of Manmin Magazine brought many members from domestic branch churches in the Jellanamdo region. Among them Brother Jaewoo Lee was interviewed. His parents testified he had been healed of burns of his face when he was just 8 months old and the healing testimony broadcast in the 433rd Manmin Magazine. Seeing him grow up healthy without scarring, the audience gave thanks and glory to God and they all felt very happy. The recording proceeded until 10:30 P.M. with MCs, Elder Johnny Kim and Cleo Hong.

The 100 testimonies of experiencing the powerful works of God

The 24-hour Internet streaming service has been made possible. GCN service has been available through satellites and IP TV. But beginning October 7th, as the 700th Manmin Magazine was being presented, GCN internet service can now be watched 24 hours a day anywhere Internet service is available. Day and night, you can contact and enjoy GCN programming anywhere anytime. The service is even available through Smart Phones, by using the address m.manmintv.org to access the site.

The 700th Manmin Magazine showed 100 testimonies that have been manifested through the power of the shepherd. They were chosen among hundreds of testimonies because they were well-reviewed by viewers. The powerful works amazed them again even though they had already seen them. The works in 100 testimonies were as follows: healings of cancer, burns, walking disorders, skin diseases, the dead coming to life, recovery from poor eyesight and hearing, being protected from car accidents, blessings of conception and easy labor, experiencing the spiritual world, and healing cases transcending space and time.

Also, Dr. Jaerock Lee's crusades held in Uganda, Pakistan, India, New York in the U.S., and Jerusalem in Israel were introduced. Various signs, wonders, and extraordinary works such as rainbows, dragonflies, and movement of stars were also presented.

The 700th Manmin Magazine was presented during Friday All-night Service on October 7 celebrating the 29th church anniversary and watched by around 150 foreign guests from 18 countries who visited Manmin Central Church to celebrate the 29th anniversary. I give thanks and glory to Father God who has led countless souls to the way of salvation through the broadcasting ministry.

We Congratulate Manmin Central Church on its 29th Anniversary

Brothers and sisters of Manmin Central Church and workers of Manmin TV and GCN, I send you my congratulations on your 29th anniversary. Nobody knew 29 years ago that God would bless the ministry of Manmin to such an extent as to cover the whole world as it does now. I pray in the name of Jesus Christ our Lord that the peace and blessings of God will be with you continuously.

– Dr. Frank Wright, President of NRB
(National Religious Broadcasters)

I offer you my congratulations on your 29th anniversary with the heart of African souls. I give glory to God who has revealed His secrets embedded in the Bible and let us testify to the living God and Jesus Christ through Dr. Jaerock Lee, chairman of United Holiness Church of Jesus Christ. I also extend my thanks to God who has helped me do the ministry in 54 countries in Africa based on his teachings and power.

– Bishop Dr. Myongho Cheong, Chairman of United Holiness Church of Jesus Christ, Africa

I happened to come to know about Manmin Central Church through the 2004 Germany Miracle Festival. I saw the amazing power of God manifested through Dr. Jaerock Lee. I later published his representative book, *The Message of the Cross* in English and distributed it throughout the world. I pray that God will keep using Manmin Central Church and Dr. Lee greatly.

God who is Always with Us

“Enoch walked with God; and he was not, for God took him” (Genesis 5:24).

There can be no greater blessing than to have God walk with us. To have God walk with you means that God is always with you in the life that is being lived. It is the life that you can live when God leads you in everything according to His plans by His will and in His providence.

So, anyone who relies on the Holy Spirit can live a life with God. To have God, who is light, always walk with you, there should be no darkness at all in you. Your life must be lived completely in the light.

Enoch walked with God for 300 years. And then he didn't see death, but he was taken up alive into Heaven. 'The wage of sin is death,' but he didn't experience physical death, which means he had nothing to do with committing sin at all.

Joseph is another example of a person with whom God was always with. Joseph's life was in accordance with the plan of God. In His great providence God used him as His precious tool for His kingdom. The refinements or trials that he underwent didn't come upon him because he had faults or sin. It was the process that God allowed for Joseph to become His precious tool.

For the past 29 years this church has experienced many evidences that God has been walking with us. While we are celebrating the 29th church anniversary, I will list many of these evidences that God the Father has been and continues to be with Manmin.

First of all, God has been together with us in His power.

Psalm 62:11 says, "Once God has spoken; twice I have heard this: That power belongs to God." This is the power that is solely God's inherent territory and no one can imitate it. And this is not even to mention the power of creation!

For the last 29 years, since the founding of this church, the work of God's power has never ceased or failed to be manifested in this church. Moreover, that power is getting greater and greater. The healing work of individuals takes place much more quickly, and something that seemed impossible is actually now taking place.

A few months ago, there was a sister in Chun-Cheon Manmin Church whose teeth were straightened soon after receiving my prayer. It is also amazing that some members who are not good at operating their cell phones saw 'New Jerusalem' suddenly appear as the cell phone's wallpaper.

In addition, the work of God's power that is being manifested goes far beyond what you could have imagined before. Dragonflies appearing through the transfer through spaces, the control of meteorological conditions and weather phenomena, and the aurora light which is the original light of God's form; these are the highest level of power that belongs to God the Creator.

That's why Acts 2:22 says, "Men of Israel, listen to these words: Jesus the Nazarene, a man attested to you by God with miracles and wonders and signs which God performed through Him in your midst, just as you yourselves know." In Romans 15:18-19, Apostle Paul said, "For I will not presume to speak of anything except what Christ has accomplished through me,

Senior Pastor Dr. Jaerock Lee

resulting in the obedience of the Gentiles by word and deed, in the power of signs and wonders, in the power of the Spirit." In other words, there is nothing more definite and absolute as evidence that God is with us than the power of God.

Secondly, God has been with us together with His word.

After I accepted the Lord, I began to cling to God by prayer and fasting and asked Him to explain the words of the Bible. I did it for 7 years without giving up. In the end, in the deep inspiration of the Holy Spirit, God the Father began to explain the spiritual meaning contained in the Word in the Bible one by one. In addition, God explained about the spiritual realm that cannot be explained by any knowledge in the world such as man's wisdom, understanding, thoughts, and theory.

Among them, *The Message of the Cross* is the most basic for Christian life and a must-read for Christians. This book alone contains clear answers to the most fundamental issues of faith.

The Measure of Faith which is a guide book that helps Christians understand and correctly measure their faith and reach the stature of the fullness of Christ. These are the message that you cannot hear anywhere else. These are essential messages for Christians whose faith is actually 'dead faith' and who think everyone has the same faith.

The messages of the series "Spirit, Soul, & Body" guide people to cast off their 'self' of untruth and to become a man of spirit and whole spirit (1 Thessalonians 5:23). This message presents a way to change into spirit by analyzing every bit of man's fundamentals, which is possible only when it is explained by God who created human beings. The messages about 'Heaven' and 'Hell' are about the afterlife that God Himself explained in great detail. They are the messages that everyone on this earth should listen to, and not just Christians.

God has provided you with enough spiritual food so that you can recover the lost image of God and become His true children. Through lectures on the Beatitudes, the Nine Fruits of the Holy Spirit, the Love Chapter of 1 Corinthians, the levels of goodness and others, God has provided you with messages essential to come into the spirit and whole spirit.

The messages that were delivered from the altar have been guaranteed by God Himself. In particular, since the beginning of this church I have prophesied countless times and what was prophesied has never been wrong. It is because it is from God who knows everything.

Thirdly, God has been together with us in the fruit.

Jesus said in Matthew 7:20, "So then, you will know them by their fruits." A good tree cannot produce bad fruit, nor can a bad tree produce good fruit. Therefore, the church that God is with will bear good and proper fruits.

Many souls have reached salvation, and many have met and experienced God. The kingdom of God is enlarged, and the works that give glory to God take place. The works of goodness that restores life to the souls are taking place as well.

Most of our members are always protected from accidents and disasters. Even when they are sick, they find the cause, repent of it, and receive prayer; then they are always healed right away and become normal. If they walk the path of righteousness in the truth, plant by faith before God, and receive prayer, their businesses receive blessings and they become prosperous in their lives.

These fruits are important, but it is the fruit of their spirit and soul becoming prosperous that is the priority. It is because only then can the blessing of health and all other blessings follow. Nowadays, many Manmin members go beyond the level of the 'rock of faith', and they are entering the level of the spirit. They are confident that they can make it, and riding on the rapid flow of the spirit, they are entering the spirit and whole spirit.

Along with these fruits, Manmin is bearing amazing fruits as a church. The broadcast media ministry of Manmin TV and GCN are covering about 170 countries around the world. About 60 of my books have been translated or are being translated into approximately 70 languages, and they have already published in more than 28 languages.

The World Christian Doctors Network (WCDN) is playing a great role in our World Mission by providing documentation of the medical evidence of the work of God's power. Through Manmin International Seminary, countless servants of God in foreign countries learn the gospel of holiness, and preach the gospel to souls in their respective countries.

Through dozens of overseas crusades and pastors' seminars, I have set many records and had events that are sufficient to be recorded in the history of Christianity. Moreover, through the historic Israel Ministry, the gospel returned to Israel, 'the remotest part of the earth', after 2,000 years.

All these works were not done by man's power. They were not possible by wealth or authority; they were not accomplished according to man's plan, either. Only God the Father has led our every step, and guaranteed with fruits that He is with us. We all give thanks and glory to God the Father who has been always with us for the last 29 years.

The Breathtaking Views of the Castle in New Jerusalem

In the middle of the spacious and beautiful Heaven, there is a holy castle in New Jerusalem. We can fly in a carriage of gold like Elijah and ride on the cloud of the glory like Enoch. We can live forever with the Lord sharing eternal love with Him. We invite you to the heavenly kingdom where you will be served by beautiful angels in a majestic and awesome golden castle.

The City of New Jerusalem is surrounded with the light of the glory of God

Beautiful buildings decorated with various colored gemstones and gold spread out in New Jerusalem. The lights from them mingle together so that the whole city looks like it is living and moving. From the very center of the city where the water of life flows is God's throne. The homes of those who are recognized by God as the forefathers of faith such as Elijah, Enoch, Abraham, Moses, and Paul and the homes of the women who loved the Lord exceedingly, Mary Magdalene and Virgin Mary, also surround the throne of God.

The Castle of the Holy Spirit that is on the southwest side of God's Throne

The castle of the Holy Spirit is a structure with a dome that shows His mother-like gentleness. The arched-bridge made with clear and bright clouds connects the castles of the Lord and the Holy Spirit. The castles are almost like giant cities constructed by God Himself in uniquely unusual architectural style. Around the castle of the Holy Spirit are the houses of those who resemble God and greatly accomplish many things for the kingdom of God in the era of the Holy Spirit.

The Castle of the Lord that is situated on the southeast side of God's Throne

There is a majestic dome golden roof in the middle of the castle of the Lord. On the roof is the cross of the glory surrounded with dazzling lights. It is built up there to let the love of the Lord remembered forever. The houses of His 12 apostles including Peter and John face the castle of the Lord. The homes of Peter, John, and James are right in front of the castle, followed by the other disciples.
