“The Lord, Light to Shine the World We Want to Take after You”

The year of 2011 closed and the year of 2012 has started. The members of Manmin Central Church have gotten rid of darkness through truth, their faces have brightened, and they are filled with new hope for the New Year. The world is darkened with sins, but the love of Christians who resemble the Lord is enough to warm the freezing world. Like the metaphor of the candlestick that gives light and warmth to drive away darkness through the sacrifice of itself, we hope the world will be brightened through the sacrifice and humbleness of Christian love. We expect the year of 2012 to be the year when the praise to God fills the whole world.

At 9:50 P.M. on December 16, 2011 Christmas Lighting Ceremony began with the cheering of church members who shouted “Faith, Hope, and Love!” Senior Pastor Dr. Jaerock Lee said, “The world is increasingly becoming more stained with sin and evil, and there are groans here and there seeing and hearing the world news. But Manmin members have ridden on the spiritual flow and they have been running towards the level of whole spirit. I give thanks to you. I hope you will achieve the spiritual heart like that of the Lord.”

I Wish You Will Spearhead in Evangelizing the Whole World with the Fivefold Gospel of Holiness by Coming forth as a Spiritual Warrior in the Midst of Fiery Works of the Holy Spirit

“Arise, shine; for your light has come, and the glory of the LORD has risen upon you. For behold, darkness will cover the earth and deep darkness the peoples; But the LORD will rise upon you and His glory will appear upon you. Nations will come to your light, and kings to the brightness of your rising. Lift up your eyes round about and see; they all gather together, they come to you. Your sons will come from afar, and your daughters will be carried in the arms.”
(Isaiah 60:1-4)

Senior Pastor Dr. Jaerock Lee

Dear brothers and sisters,

God the Father had given us the vision that this church would arise and shine the light of the truth upon the world that is darkened with sin and evil. He Himself has led the church to arise and shine for national evangelization and the world mission. The church's third stage of take-off started beginning 2010. Since then, many people have received salvation in such a rapid spiritual flow and God has blessed many of them to become men of spirit and men of whole spirit who glorify God.

In addition, God has given us His original light that has the power to change men's hearts. Through the explosive power of the shepherd, He also has established a solid foundation to construct the sanctuary that has the beauty of God. The 30th anniversary of Manmin Central Church will be in 2012. From the beginning of the year, abundant blessing beyond our imaginations have been prepared by God. What kinds of blessings has God been preparing for the church in 2012?

First of all, the blessings God wants will come upon us and we will give great glory to Him

God has done so many works to let the church members' spirit and soul prosper and enjoy good health. In particular, He allowed the congregation to realize where they were at when it comes to the level of faith through 2011 Group Leaders' Seminar and helped them fill up what they lacked. Now God will pour down blessings upon the church as well as individuals since they are spiritually qualified.

Therefore, in the year of 2012, I hope you will not only receive blessings both in spirit and body and glorify God but also testify to the living God and march towards New Jerusalem.

Secondly, the church will proclaim the holiness gospel throughout the whole world.

Apostles and members of Early Churches actively spread the gospel through the works of the Holy Spirit. It served as the momentum to cause the Roman Empire to select Christianity as its national religion, and the gospel was quickly spread to the whole world. Now, the world is becoming increasingly stained with sin and evil more and more and day by day. It's hard to find light. Even churches are becoming corrupted even after the Reformation.

At this end time, God founded Manmin Central Church and has given the church a duty of national evangelization and the world mission to have the holiness gospel spread to the remotest part of the earth. For those reasons, the church has never ceased to pursue its ministry through the publications of the Literary Media Ministry, like books and newspapers, and the Broadcast Ministry. As a result, the church has now around 10,000 branch and associative churches in and out of Korea. In this year of 2012, Manmin Central Church will proclaim the holiness gospel to the whole world like the apostles and members of Early Churches by the works of the Holy Spirit and the church will accomplish the kingdom of God greatly.

Thirdly, we will construct God-glorifying sanctuary on this earth

God wants a sanctuary not only with external beauty, but also one that is filled with His glory and where the Word of life is proclaimed. He has increased the power of the shepherd and our church members' faith to reveal His glory over the whole world through the sanctuary built by His sanctified children.

The time is coming. God will construct the God-pleasing sanctuary by the hands of His true children whose hearts resemble His. Through the sanctuary

God will be adored even by the worldly people. I give all thanks and glory to Father God for the land for Canaan Sanctuary, the starting point of Grand Sanctuary. I extend my heartfelt thanks to Him again who will give us financial blessings and work with us during the entire process of the construction.

Fourthly, we will lead countless souls to the arms of the Lord by manifesting great and amazing power

Now we live in the end time where knowledge has increased and sin and evil are rampant. At this moment, we need the power of God in order to extend the kingdom of God.

As Jesus said in John 14:12, "He who believes in Me, the works that I do, he will do also; and greater works than these he will do," God has shown His unimaginable power since the opening of the church and changed the hearts of men. With the new start of 2012, we will go forward to the Korean Christian community and the world. The authenticity will be proven through the highest power with which nothing is impossible. The power also will change the hearts of men, plant faith in them, and lead countless souls to the way of salvation.

Dear brothers and sisters in Christ,

In the beginning, God existed in the form of gorgeous light that contains magnificent sound, and at some point He made the great plan for human cultivation, and came to exist as God the Trinity according to the plan. All these were for Him to gain His true children.

God who is the Light wants us to resemble Him. He also wants us to have perfect faith by getting rid of lying and crafty hearts and overcoming all trials with joy and thanks. He desires to give us whatever we ask and share love with us in the stunningly beautiful Heaven.

The year of 2012 is the year in which the church celebrates its 30th anniversary. In this coming year, I pray in the name of the Lord that you will be used preciously for the kingdom of God by realizing the great love of God and give great glory to God.

'Close to the Bible, Close to God' All Manmin members in a fever for reading the Bible

The strong wind of the Holy Spirit hit Manmin Central Church. Its pastors and members couldn't be more fervent in praying and arming themselves with the Word of God. They pray and praise for 2 hours and 40 minutes a day in Daniel Prayer Meeting held at 9 P.M. every night. They also take notes listening to Dr. Lee's sermon again; they memorize Bible verses, and read the Bible regularly. Racing the clock, they pray and read the Bible after work, late at night, at dawn, and during breaks.

Today, many Christians don't read the Bible nor do they adhere to its teachings. Some of them consider it to be myths or just stories. But the Bible is the Word of the living God. Therefore, time given for people to read the Bible is time that is precious and blessed.

The members came to love the Bible because they put complete trust in the Bible as Dr. Lee's teaches. They can realize the heart and will of God by reading it and they are assured that their spirits and souls do prosper and everything is going well with them. In the coming year of 2012, Manmin Bible Reading Contest will be held, which will add great expectation.

Manmin Central Church has published the 'Korean Revised Version Bible' (KRV). This is because the Korean Revised Version Bible is rarely printed these days as the New Revised Korean Version (NKRKV) is now being published. Manmin members are already accustomed to reading the KRV Bible, but people are now experiencing difficulties in acquiring the KRV version.

2012 New Year's Service

Manmin Central Church had the 2012 New Year's Service from 8 P.M. on December 31st, 2011 until 1 A.M. on January 1st, 2012. The previous New Year's Services were offered from 11 P.M. to 4 A.M., but 2012 New Year's Service started three hours earlier than before. This is because the first day of 2012 is the Lord's Day. The year of 2012 is also meaningful in that the church will celebrate its 30th church anniversary. The members enjoyed the first day of the meaningful year offering up New Year's Service and Sunday Services and gave thanks to God.

Members of approximately 10,000 branch and associative church and viewing audiences attended the service through GCN TV and Internet as the 2012 New Year's Service was live broadcast. During the first half of the service, Dr. Lee delivered the message under the title 'Blessing' taken from 3 John 1:2. And the members gave the New Year's thanks offering to God and submitted their handwritten prayer titles to the church. Dr. Lee prayed for the titles during the second half of the service. After 30 minutes break, the Performing Arts Teams of the church gave praise, worship dance, and performance based on the four church prayer titles. All of the members gave glory to God and pray to receive blessing God will give to them.

2011 Year-end General Assembly

On December 25th, 2011 Year-end General Assembly was held in the main sanctuary after Sunday Evening Service with Dr. Jaerock Lee, chairperson of United Holiness Church of Jesus Christ. In the assembly, they had time to make petition for pastor ordination and decision for elder candidates. The 2011 finance management and 2012 budget were reported and reviewed. Then, the Plague of Appreciation and the Plagues Recognizing Contribution were awarded.

In 2011, the contribution plagues went to Dr. Pastor Sujin Lee, president of Pastors' Association and Pastor Dongcho Shin, Sermon Division of Secretary Office. The appreciation plagues went to Elder Joseph Roh, president of Seoul Joongang Insurance Corp. who has enjoyed blessings through its honest management and who has supported the church and Pastor Taesik Gil ministering to Daejeon Manmin Church whose members actively participated in Bible Quiz Contest and accomplished the world mission.

With the Original Light of C The Year of Blessing, the Year of Ra

Since God founded Manmin Central Church in 1982, he has led the church to shine in the world filled with sin and evil. The church is also accomplishing national evangelization and the world mission. In this way God has guided the church to become the church that 'arises and shines'. He has given the church prayer titles and paid intensive attention to the spiritual growth of the members. He has protected the members and held fast for them not to sway and to get rid of evil and stand on the rock of faith.

In 2011, Father God gave the church four church prayer titles. They are, 'Church that Arises and Shines' from Isaiah 60:1-3; 'Children who Glorify God' from Hebrews 10:22;

'Sanctuary that Has the Beauty of Father' from Isaiah 60:4; and 'Explosive Power of the Shepherd' from John 14:12.

During the year of 2011, God the Father allowed a number of members not only to receive salvation but also become men of spirit and whole spirit who glorify God in the rapid spiritual flow through the power, tears, and petition of the shepherd. Above all, He has offered them the original light of God to change even the hearts of men so that they could firmly lay financial and systemic foundation for the construction of Canaan Sanctuary that has the beauty of God.

2011 Lighting Ceremony

Thanks to God for Blessing Manmin to Arise and Shine!

The Global Parish Is Being Accomplished with Approximately 10,000 Branch and Associative Churches together with the Literary Media's Publications and Newspapers and the Broadcasting Ministry.

Manmin Central Church has prayed for seven billion souls' salvation and given glory to God with the holiness gospel and unceasing power. And the global parish has been accomplished through the ministries of 100,000 branch and associative churches, various publication, and broadcasting.

Dr. Jaerock Lee's books have been published in Chinese speaking countries and in the third-world countries like Vietnam. His books were also translated into Russian and distributed in the Middle Eastern countries like Israel, Lebanon and the Ukraine.

Manmin TV also produced and publicized the Word of Life, the powerful works, praise, prayer, and testimonial programs. As the Manmin TV changed its corporate name into GCN TV in November, 2011, its ungraded and higher-quality programs have frequently been visited by viewing audiences.

Through all these aspects of media, the ministry of Manmin has been made known to many people. So a number of pastors and church workers from in and out of Korea came to the church to learn the ministry of Manmin. The 29th Church Anniversary Celebration Performance was marked as a global spiritual festival. Just as 'Manmin' means 'all creation', the church became the outstanding church among all creation in the world.

Thanks to God for Blessing Manmin to Glorify God!

Many Members Have Stood on the Rock of Faith, Come into Spirit and Whole Spirit

The year of 2011 was a historic year marking a milestone in Manmin members' Christian lives. Dr. Lee's sermon series such as 'The Measure of Faith,' 'Lectures on 1 John,' and 'Deficiencies of the Body' helped members discover even the forms of evil deep in their hearts.

In addition, Dr. Lee's Three Session Consecutive Special Divine Healing Meeting in June, Group Leaders' Conference in July, and Mini Crusade have made great contributions to change Manmin students and youth members and let them realize the deep love of God. In such a rapid spiritual flow, they have quickly changed and have put more trust in the power of faith with which nothing is impossible.

The members have cast away the untruth from their hearts with fervent prayer and marched towards the level of sanctification. In the meantime, God began to work with the original light of God that changes the hearts of men. It has allowed for them to change more rapidly. As a result, their faith increased more than one level. Many members have come into spirit and whole spirit.

Thanks to God for the Sanctuary that Has His Beauty

The Beautiful Fragrance of His Children Offered up to Him with Love

We can call a sanctuary 'the sanctuary that has the beauty of Father' only when it is built by His children who love Him and have one heart with Him. This is because God accepts their hearts with joy and receives glory through the construction of the sanctuary.

Since the founding of the church, the members have unceasingly prayed for the construction of Grand Sanctuary along with Canaan Sanctuary which will be the sixth sanctuary of Manmin Central Church. Canaan Sanctuary is the starting point of Grand Sanctuary. During the year of 2011, God let them buy the land for the Canaan Sanctuary, prepared the finances, and guided all the process toward the construction.

The members should strive to have God-pleasing faith in order to build the sanctuary that has the beauty of Father. In the era of the Canaan Sanctuary and Grand Sanctuary, people around the world will be fascinated by the splendor of the sanctuaries, become full of life through the Word of life and the amazing power of God. Countless souls from all over the world will come to the church.

Thanks to God for the Explosive Power of the Shepherd!

The Power of the Shepherd Changed the Hearts of Men with the Original Light

John 14:12 says, "Truly, truly, I say to you, he who believes in Me, the works that I do, he will do also; and greater works than these he will do; because I go to the Father." As written in the verse, the power manifested by Dr. Jaerock Lee has been powerful such that it has exceeded the human imagination since the opening of the church. At this end time, God has proved the authenticity of the Bible, changed the hearts of the members, planted faith in their hearts, and led innumerable souls to the way of salvation by allowing them to see the power of God. The power of God manifested through Dr. Lee has demonstrated the works of creation, the life-controlling works, the works transcending space and time, and the works through the spiritual space.

During the year of 2011, the handkerchief healing meetings were held in the U.S., Kenya, DR Congo, Japan, Belgium, Estonia, Pakistan, Sri Lanka, Thailand, Nepal, India, Fiji, and Israel. A number of people have received the works of healing and answers. They accepted Jesus Christ. (Acts 19:11-12)

2011 Contribution Plague Winner_Dr. Pastor Sujin Lee

1. Congratulations! Would you please give us a few words concerning the award.

I want to give all thanks and glory to Father God first. I could receive the 2011 Contribution Plague because of Senior Pastor Dr. Jaerock Lee who has shown a good example of how to live for the church and church members with love and devotion. I will work faithfully with a thankful heart for the kingdom of God in 2012 and until the Lord comes back.

2. Your TV sermons entitled 'Beatitudes' and 'Flesh and Spirit' have been extending a lot of grace to viewing audiences. Is there any specific reason for you to have chosen these particular sermon series?

'Beatitudes' has been delivered by Dr. Lee a few times. Together with 'The Love Chapter' and 'Fruits of the Holy Spirit', these are significant and important message series for us to become men of spirit and whole spirit. I came to know that Dr. Lee's sermon program series couldn't be broadcast because the image quality was quite poor. At the critical moment when the members were eager to change, I wanted to deliver his message to them so that they could change quickly through the sermons on Beatitudes.

The messages preached in Manmin Central Church are not the explanation of the Bible's literal meaning, but spiritual messages explained by God and inspired by the Holy Spirit. Among these messages, 'Flesh and Spirit' was preached by Dr. Lee in 1996. This series is the Christian's 'basics'. They tell us how to cast away flesh and become men of spirit. In addition the messages clearly illustrate the spiritual meanings of the flesh, the spirit, works of flesh, and things of the flesh. So I hoped that by delivering the messages newcomers and other church members would be able to understand Dr. Lee's other messages preached in our church.

3. Your messages are very clear and understandable; many members have received a lot of grace. How have you prepared for the sermons?

Before I delivered the message, I prayed first. I prayed thinking like this, 'What kinds of messages does God want to give our church members? Which messages are necessary for them the most?' Then, the Holy Spirit guided me and gave me the title, the scripture, and the contents of each of the sermons. I prepared for the sermon with the truth cultivated in my heart and added some analogies and anecdotes about members' thoughts, heart, and things that happen in their lives so that they can easily discover themselves. Actually, it is like I was just guiding in cooking

spiritual food with the 'Word of God' as basic ingredients and the Holy Spirit helps me with the cooking.

4. A number of members have been striving to arm themselves with the Word of God. How can they enjoy it more?

It will be better for you not to think of studying the Word of God as homework. Instead, think of it as making you men of spirit. Then, you can enjoy it more. What you should be aware of here is that you have to 'arm' yourselves with the Word, which means you have to apply the Word to your hearts and actually practice it in your lives.

When taking notes, please try to underline what you are short of to achieve perfect goodness and love and pray holding it. Such prayer piles up on prayer, and then the truth that you stored as knowledge will be completely yours and changes begin to happen in you. This is the process to 'arm' oneself with the Word of God. Only then, you can teach your flock and have strength to change them. In this way 'arming oneself with the Word' is the way to change and become a spiritual warrior. By realizing this, I hope you will enjoy arming yourself with the Word of God with happiness and joy.

5. What is the most memorable ministry in 2011?

I keep the TV sermons in my mind. While preparing for the sermon series, I came to realize the value of the holiness gospel and the significance of Senior Pastor Dr. Lee delivering such messages. I also came to have deeper love for the church members who would watch the sermon series on GCN TV. In addition, I gave prayer with greater love for other church members, church workers, and viewing audiences who would watch them. I felt grateful to God who allowed me to deliver the messages through GCN TV of Manmin Central Church which has achieved the world mission through the holiness gospel and the amazing power that has led countless dying souls to the way of Heaven.

6. Do you have anything to say to the whole members of church as a General Leader?

Watching such a rapid spiritual flow in 2011, I gave thanks to Dr. Lee who has tried his best to change the members and Manmin members who have obeyed his words. This spiritual flow will continue in 2012 and until the Lord comes back. I hope you will have hope for New Jerusalem and run this race of faith more diligently. Hallelujah!

In Manmin Central Church, Daniel Prayer Meeting is held every night except for Friday. It starts at 9 P.M..

Mrs. Boknim Lee is the Payer Center president and leads the members in seeking the kingdom and righteousness of God. Also, there are Special Daniel Prayer Meeting held twice a year, which encourages all members to participate and has Awards Ceremonies. Let's take a closer look at the testimony of Sister Gayoung Ryu who received the grand prize in the Double-session Consecutive Special Daniel Prayer Meeting.

Sister Gayoung Ryu Who Won the Grand Prize of the 2011 Double-Session Consecutive Special Daniel Prayer Meeting

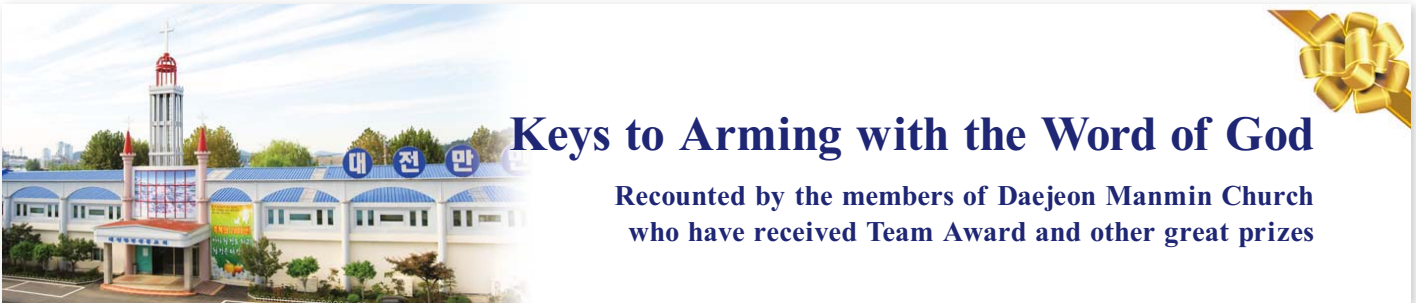

"Thanks to the Mini Crusade with Senior Pastor Dr. Lee, I could change and received this prize. The crusade made me turn over a new leaf. Dr. Lee has held the crusade to help students keep faith in the world stained with sins and evil and separate themselves from secular lives. He has led us to be loved by God.

I hadn't led a proper Christian life from the time I was in middle school. But I happened to see Dr. Lee's tears in the Mini Crusade. He taught us Heaven, Hell, sins, and the love of God and the Lord. He moved my heart. I could feel his great love from the bottom of my heart.

Then, I started to actively take part in New Jerusalem Campaign which includes a few rules such as no secular programs on TV, no gaming, and the use of socially polite words to friends. I came to worship in spirit and truth during services, pray, serve my mom, and study hard.

Now I am filled with hope for New Jerusalem. I became confident in doing things and feel so happy and thankful to God. I believe the Lord gave me this prize because He is pleased with my changed life and wants to encourage me to keep my steps moving forward."

In December 2002, Pastor Taesik Gil of Daejeon Manmin Church started to conduct monthly tests with weekly verses on the church bulletin board.

Pastor Gil said, "I had prayed for all church members to obey the word of Senior Pastor Dr. Jaerock Lee who told us to read more than one chapter of the Bible and memorize one verse. This is because I also knew that the Word is necessary to increase faith. In the meantime, I began the monthly quiz contest in my church."

Up until November 2011, these monthly contests had never been skipped, but recently the members have continued to participate through attending the 108th contest. It wouldn't be easy without Pastor Gil's zeal and the members' active participation. Pastor Gil gave thanks for the grace of God who let them enjoy the tests for nine years.

They make recorded tapes that contain the 70 key passages and listen together. They even take mock tests for the final round. They share the good ways to memorize the verses. They often use the word association method for difficult passages.

► God who is Pleased with Obedience Gives Them Abundant Blessing

Daejeon Manmin Church has supported overseas ministries like handkerchief healing crusades in Pakistan with finance and prayer. The church also has received the Team Award in the Bible Quiz Contest and some members even received the Grand Prize. In the recognition of their contributions, Manmin Central Church gave the church the Appreciation Plaque in 2011 Year-end General Assembly. Through all the deeds, testimonies of blessings are running over in the members' lives.

■ Deaconess Eunseon Lee (Grand Prize Winner, the 11th Bible Quiz Contest)

I was awarded the Participation Prize in 2010. Then, I prepared for the following year's contest with all my heart. I gave services, prayer, and praise with my heart and tried hard to cultivate my heart into goodness. By doing so, I could feel my love for God, the Lord, and the shepherd was getting deeper and deeper. I felt so grateful for the Grand Prize. What's more, my parents came to lead diligent Christian lives after that. I also was elected as the vice president of Mary's Mission in 2012. Blessings both in spirit and body overflow in my life.

■ Pastor Huengyong Park (Grand Prize Winner, the 8th Bible Quiz Contest)

I've steadily memorized the Bible passages. As a result, I have advanced to the final round every year since the 3rd Bible Quiz Contest and received the Grand, Golden, Silver, Bronze, and Participation Prizes. I am very excited when I recall suitable passages for members while I lead the visitation service.

■ Deaconess Sujin Jang (Golden Prize Winner, the 10th Bible Quiz Contest)

I won no prize when I focused only on memorizing word by word. On the other hand, I won the golden prize in 2012 when I memorize the Bible verses praying to cultivate my heart with the verses.

► "For it is sanctified by means of the word of God and prayer." (1 Timothy 4:5)

The members have strived to arm themselves with the Word of God reading Dr. Jaerock Lee's books and the Bible and summarizing the sermons with the era of Canaan Sanctuary ahead. Their interest has been placed only in shining the world as God's true children and reaching the beautiful Heaven, New Jerusalem.

It is said that the darker it is, the more brightly light shines. In such a dark world the light of the Word brightly shines brightly from their hearts. They confessed they are very happy with the Word of God and arming themselves with the Word. We hope Daejeon Manmin Church will be developed even more.

There was a church that caught our attention at the 11th Bible Quiz Contest hosted by Men's Mission of Manmin Central Church. It is Daejeon Manmin Church. The church's seven members advanced to the final round where only those who have memorized the assigned 365 verses can participate. The members received Grand, Silver, Bronze, Participation, and Encouragement Prizes in the contest.

As the Canaan Era is just ahead of us, the importance of Word-armed workers couldn't be more emphasized. This is Daejeon Manmin Church, a church that has set such an excellent example through obedience.

The members of Daejeon Manmin Church who came to Manmin Central Church to gave cheer to those members who participated in the final round of Manmin Bible Quiz Contest

“After Ten Years of Marriage I Delivered My Son”

Pastor Asif Nazir (Director of Isaac TV, Pakistan)

I came to know Senior Pastor Dr. Jaerock Lee through my elder brother, Asher Nazir. He works for GCN TV (Global Christian Network). My brother told me to attend the 2000 Pakistan United Crusade with Dr. Jaerock Lee. This crusade was marked as a starting point of the ministry in the Muslim countries. A total of around 300,000 people attended and many of them were converted to Christianity. In addition, the powerful work of God took place. After that, I also experienced an amazing power of that work.

My wife and I married in 2001. I had dreamed of a happy life, but I started to feel impatience two years into the marriage when no child had yet been conceived. My wife's check-up result showed that her oviduct was blocked, which meant she was infertile. I was thinking about adoption, but she didn't like the idea. We often had arguments. My wife left for the U.K. to study during the sixth year of our marriage. I felt very lonely without my wife. I felt like happiness had nothing to do with me.

After that, I was touched by Dr. Lee's books, Tasting Eternal Life before Death. I was even asked to translate Dr. Lee's sermon series such 'Love Chapter' and 'The Measure of Faith' into Urdu. During the translation work, I gained abundant spiritual realizations. Above all, I personally witnessed people that were healed by the prayer of handkerchief on which Dr. Lee had prayed (Ref: Acts 19:11-12). I came to have assurance that we too could receive the blessing of conception.

*The husband of the wife
whose oviduct was blocked*

The wife who could not conceive

*She and her husband couldn't come to
the church because they couldn't get visas*

*They sent their picture to Dr. Jaerock Lee
and received his prayer*

First, I received Dr. Lee's prayer for my wife's return from the U.K. Just as he prayed, she came back in July, 2010. She also received great grace and was spiritually moved by Dr. Lee's sermons and the powerful works. So we decided to go to Korea to receive his prayer for conception. But unfortunately, we couldn't get a visa. In the end, we sent our photos to Seoul, Korea and received his prayer transcending space and time in November 2010. After that, my wife conceived a baby and delivered a son in November, 2011. Hallelujah!

There is a bit more happy news. Isaac TV (the first Christian satellites TV channel in Pakistan) has broadcast Dr. Lee's overseas crusades and praise programs in English and Urdu for around six or eight hours per day. All the programs have been aired in a rather large number of countries in Asia and the Middle East. In the meantime, I got a phone call from a woman telling me that she was healed of stomach disease and her mother-in-law of diabetes. A man from Saudi Arabia, a Muslim, also told me he was impressed by the sermons and wanted to convert to Christianity.

Dr. Lee's ministry has worked so greatly that many people are now able to live by the Word of God after having seen the signs, wonders, and powerful works. It has also manifested a strong power moving people to convert people to Christianity. I hope I will soon be able to visit and see him in Korea and express my sincere thanks to him personally.

“I Was Healed of Diabetes in Manmin Central Church”

Pastor Rita Sihotang Cussoy (Philadelphia Ministry in Indonesia)

In 1982 I was suffering from great pain in my feet due to diabetes. I was in such a serious state that I was even told that I probably wouldn't live beyond the next six months. But I received healing by the grace of God, but 15 years later the disease reoccurred due to my wrongdoings.

In October, I planned to visit Manmin Central Church, but my blood sugar level hit 700. My doctor forced me not to travel all the way to Korea because of possible danger. But I was convinced that I would be healed by the prayer of Dr. Lee who God has used so preciously.

I had gotten to know about Dr. Lee through Patricia, a relative of mine. Her husband is Missionary Peter Yoon who is conducting his ministry in Indonesia. She gave me a DVD entitled 'Power of God'. The video presentation was amazing. Dr. Lee prayed without his hands on each individual sick person, but just prayed on the stage. Nevertheless, countless souls were healed of their diseases. Finally, faith was given to me. I then stopped taking medication.

On October 7, I visited Korea to attend the 29th Anniversary Eve Performance of Manmin Central Church. At the right time, Senior Pastor Dr. Jaerock Lee arrived at the event venue. I was reminded of a woman in the Bible who had had a hemorrhage that had lasted for 12 years, but she received healing after she just touched the hem of Jesus cloak. (Luke 8:43-44) With such a longing heart and faith, I shook hands with Dr. Lee. At the very moment, I was filled with joy and emotion and felt assured of my healing. After that, my diabetic symptoms were gone and I got better. In addition, I was able to walk without any discomfort.

On October 10, I visited Muan Sweet Water Site where salty sea water had changed into fresh sweet drinkable water by the prayer of Dr. Lee. I got there together with other overseas guests. With an earnest heart, I prayed holding a cup of Muan Sweet Water in my hands and put the water in my eyes with faith. I drank it as well. Then, amazing works happened when I looked up at the sky. The sunlight looked

like a cross and I listened to the voice of the Holy Spirit saying 'you've been healed.'

Then, I dipped myself in Muan Sweet Water Pool seven times harboring my desire. Then, another striking work took place. I was healed of diabetic complications as well as diabetes. That is, I had had very poor eyesight in my right eye, but I came to be able to see even small letters. My legs had often become swollen, but the swelling subsided and became normal.

I had my blood sugar level retested in Indonesia. It was 96 on an empty stomach and 110 two hours after a meal, which means just normal. I could eat well and run. I am very healthy. I give all thanks and glory to God.

Blood Sugar Level (October 31, 2011): Normal: 96 on an empty stomach and : 110 two hours after a meal
