People from 95 Countries Have Registered as Manmin Members Manmin Central Church Has Prepared for a Branch Church in Colombia to Take Care of Colombian Members

The number of newcomers who register via the church website, www.manmin.org, has steadily increased.

Manmin Central Church has its official website in seven languages including English, Simplified Chinese, Traditional Chinese, Japanese, French, Spanish, and Russian. On the web is a menu bar where newcomers can register as members of Manmin. Through the registration system, people from 95 countries have registered as church members from January, 2006 to present. Some of the countries among these are the USA, Canada, Brazil, Panama, Moldova, Romania, Denmark, Myanmar, Saudi Arabia, Oman, Turkey, Kuwait, Botswana, Tunisia, and Australia.

Even though there is no branch church in Colombia there are hundreds of people from there who have registered with Manmin Central Church and our Church has been preparing for the opening of a branch church in Bogota, capital city of Colombia to provide for them.

The church made the bar because a great number of people received much grace through the Church's website, GCN TV (Global Christian Network, www.gcntv.org), Dr. Jaerock Lee's

books, *Manmin News*, Dr. Lee's sermons, and testimonies and many of them asked the church how they could become members of Manmin Central Church.

Pastor Hose Leonardo from Venezuela who registered online said, "I have received great grace through a DVD that included Senior Pastor's sermons. I share this with my church members." He then extended his heartfelt thanks. Alkuiin Bajef from

Russia said, "I had listened to Dr. Lee's sermon every week. I finally registered as a member of Manmin to increase my faith all the more."

A Kenyan woman named Francis said, "I registered as a member of Manmin because after I watched the programming through Family TV and Internet I was touched by the ministry." She now attends Nairobi's Manmin Holiness Church. Moreover, the

number of prayer request letters to Senior Pastor Dr. Lee has dramatically increased day by day. This lets us realize the position of the church in the world.

In 2012, Manmin Central Church will grow closer to achieving the global parish more quickly in the explosive works of the Holy Spirit and the great and amazing power of God.

Manmin Central Church's worship services also have been

broadcast via GCN TV so viewers from all over the world can participate in the services together. (See page 3) Dr. Lee's sermons are simultaneously translated into English, Japanese, Chinese, French, Spanish, Mongolian, and Tagalog. In addition to the healing testimonies, powerful works of God and high-quality Christian culture shown in the performances of praise and dance have been broadcast.

"I Joined Kookmin Bank as the Youngest Employee"

Sister Ye-eun Kim
(1st Youth Mission)

In Korea, the unemployment rate is skyrocketing and even highly-educated men fail to land a job. But here is a girl who has been hired by Kookmin Bank as its youngest employee. Her name is Ye-eun Kim. She is working for the Gwanghwamun branch. In October 2011 she joined as the bank's employee at the age of 17. She started the job at the youngest age of all those who have worked for Kookmin Bank.

"I was told that most workers consider our branch as the best place to work. My story was featured through newspapers like *Joong-ang Ilbo*. I give thanks to God."

When she was in high school, she earned a total of 14 professional certificates including the first class

computerized accounting certificate. She even lost 30kg going from a weight of 80kg (176 pounds) to 50kg (110 pounds). She said that she was able to achieve all those things due to the grace and love of God.

"After three years into her marriage my mom conceived me through the prayer of Senior Pastor Dr. Jaerock Lee. With tears he asked students not to be stained with the worldly trends nor neglect the duties as students. I was moved by his love, which made me study hard and lead a diligent Christian life."

She now wants to become the youngest branch manager. We hope the grace of the Lord will be with her all the time.

"We Love the Time that We Have to Study the Bible"

On January 8, Children Sunday School teachers opened the first Bible class in 2012 with the Children's Bible Study Book, *Children Who Pursue True Blessing* Vol. 2 which has been reedited based on Dr. Lee's book, *A Man Who Pursues True Blessing*.

The Church Proclaiming to the Whole World

“But you will receive power when the Holy Spirit has come upon you; and you shall be My witnesses both in Jerusalem, and in all Judea and Samaria, and even to the remotest part of the earth.” (Acts 1:8)

God established Manmin Central Church in 1982 and gave the church the duties of national evangelization and the world mission to let the church spread the good news to the whole world. He let the church awaken the people in spiritual slumber. With the duties in our hearts, we have unceasingly run to fulfill them for the last 30 years. We have come to finally have around 10,000 branch and associative churches.

In the year of blessing, 2012, we will accomplish the kingdom of God more greatly as a church proclaiming to the whole world in the explosive power of the Holy Spirit like the Early Churches. Then, what is it that we have to proclaim?

1. We Are to Proclaim the Holiness Gospel and the Power of God to All Nations

When God gave me the calling to become a servant of God, He spoke to me and He said, “After you learn the Word for three years, you will perform signs and wonders going over the mountains and crossing the rivers and seas.” Manmin Church was established upon this vision.

Before the opening of the church I asked God to give me the name of the church Himself. So He gave me the answer to call it ‘Manmin’ which means ‘all nations’. This name has the meaning that this church will spread the gospel to all nations. In the meantime, the foundations for national and world evangelism have been laid as well.

Since the year 2000 in particular, God has opened wide the doors to the world mission. He has guided us to preach the holiness gospel and power of God in important parts of the globe. But the actual beginning point of national and world evangelism is this year 2012.

More than 7 billion souls are in deep spiritual slumber and they are being captured by the darkness. Christianity is supposed to become the light and salt of the world, but it is being rejected by the people. Europe was the birthplace of evangelism, yet there is found the shocking motto, “There’s probably no God!” The flame of faith is being quenched there by the power of the anti-Christ. Now, the anti-Christ is expanding the power of their influence all over the world.

It is for this reason that it is impossible to awaken this generation with a handful of workers who have just average power. We are in desperate need of powerful works like the power of Jesus, and powerful workers who are like the apostles. That is why God has been increasing the faith and power of believers at Manmin. Along with this, God has lifted any limitations on His power bestowed on me and He has increased that power ever more greatly.

2. God Has Given the Rapid Spiritual Flow to Manmin in the ‘Third Stage of Takeoff’

God called the period between 1982, when the church opened and 1999, when the church laid a basic foundation with faith, ‘The First Stage of Takeoff’. ‘The Second Stage of Takeoff’ is from 2000, when the

Senior Pastor Dr. Jaerock Lee

world mission started in full swing with the power of Creation, to 2009, when Israel ministry was completed. Now we are at ‘The Third Stage of Takeoff’ where we accomplish the providence of God.

God called 2010 the beginning year of the ‘Third Stage of Take-off’ and ‘The Year of Reaping’. God gave us the prayer title, ‘Measure of Faith’, and let us thoroughly check the faith of each and every one of us. For each person He revealed the sins and the sinful natures that are deep inside each person. And gratefully, He gave us the special grace to forgive our past sins and iniquities.

Through this process, God first lifted up those who had strayed outside of the boundary of salvation to have the first level of faith. He has lifted those who were at the 1st and 2nd levels of faith to the 3rd level of faith.

In 2011, all Manmin members as well as many youth members were moved by the love of God, the grace of the Lord, and prayer of the shepherd and began New Jerusalem campaign to become sanctified and gain the qualifications to enter the city of New Jerusalem. To achieve the goal, they also armed themselves with the Word of God and prayed fervently.

God led us to sanctify ourselves, keep our faith, and resemble the Lord. He guided us to advance from the 3rd level of faith to stand on the rock of faith and to reach level of spirit. In May, God has showed the original light, the aurora-like lights, which surround this church. In June, He let us have three special healing meetings and the leadership conference in July. Having these events, many believers came to stand on the rock of faith within a short period of time. Those who were at the threshold of spirit for a long time went into spirit and whole spirit.

Furthermore, God has fulfilled the law of justice for you today, through your shepherd who was set up in place for you. God has shown you the finger fractures, vocal cord nodules, loss of life-energy and stomach ceasing to function, letting me show you the example of faith so that you could also have perfect faith in your heart as well. Many of you said that you came to possess true love and true faith through these events. Now, all these things worked together and allowed for you to be

born again as warriors of the Lord.

3. What should you do to become warriors of the Lord?

First, you must put on the holy garments.

Romans 13:14 says, “But put on the Lord Jesus Christ, and make no provision for the flesh in regard to its lusts.” The garments refer to the heart. Those who still have any sinful natures remaining in you, I urge you to cast them off within this year. Then, even the unbelievers will recognize you as true Christians and listen to what you proclaim.

The holy garment refers to the holy heart and represents you as the workers of the Lord and the instruments of the Holy Spirit. Holy garments also protect you. Wherever you may go, in the wilderness or high mountains, you can be protected by God as long as you put on the holy garments. Today, many people call out, ‘Lord, Lord.’ You should, however, remember that a true Christian is spotted by their garment, which is their heart.

Secondly, you must have strong weapons.

To spread the holiness gospel and power of God in the spiritual battlefields, we must have the sword of the word that is strong enough to destroy the camp of the devil. Namely, you should arm yourself with the holiness gospel completely. Also, you should store up your prayers so that you can bring down the power of God whenever you need it. Given that you are wearing the same kind of holy garment, the authority in word and power of God manifested will differ according to the extent to which you learn the word and store up prayers.

Soon, so many thirsty souls will ask for the workers from our church. Also, as the kingdom of God will be expanded, there will be more and more things to do. Therefore, you are urged in the name of the Lord who has great power that even from today you will learn the word systematically and pray so that you will be able to perform your duties powerfully.

Thirdly, you should have burning love in you.

Today, people love themselves, money, and pleasure more than anything else. They are unloving and brutal. (2 Timothy 3:1-5) They close the door of their hearts tightly and will not open it to either God or other people. The key to melt down and open such a heart is ‘love’.

One of the qualifications to become the Savior, and probably the most important one, is love. In the heart of the apostles and the members of the early church, there was forgiveness and compassion for those who persecuted them.

As the Senior Pastor of Manmin Church, I sincerely hope that you will also have in you the love of the Lord, namely the love of forgiveness and self-sacrifice, and the love of the Holy Spirit, who never gives up on any soul until he reaches salvation and New Jerusalem. He urges you in the name of the Lord who gave us true peace to set free numerous souls from the bonds of sins.

The Confession of Faith

1. Manmin Central Church believes that the Bible is God-breathed Word that is perfect and flawless.
2. Manmin Central Church believes in the unity and the work of God the Trinity: God the Holy Father, God the Holy Son, and God the Holy Spirit.
3. Manmin Central Church believes that we are forgiven of our sins only by the redeeming blood of Jesus Christ.
4. Manmin Central Church believes in the resurrection and ascension of Jesus

5. Members of Manmin Central Church confess their faith through “The Apostles’ Creed” each time they come together and believe in its content verbatim.
“[God] Himself gives to all people life and breath and all things.”(Acts 17:25)
“And there is salvation in no one else; for there is no other name under heaven that has been given among men by which we must be saved.”(Acts 4:12)

Great Sermons which Move Spanish-speaking Souls Changed My Life

Elder Aldo Enrico Guido-Spano Amoretti (Peru Manmin Church)

"In December 2004, Dr. Jaerock Lee's Peru Healing Crusade was conducted in Lima, the capital city of Peru. The crusade planted the seeds of the holiness gospel in Peru. Currently its abundant fruit has been borne with Peru Manmin Church at the center and through Enlace TV programs."

I wasted money in wild living and enjoyed alcohol when I worked as a diplomat. I resigned in 1992. Three years later I accepted the Lord, but there was no noticeable change in my life.

In the meantime, I attended Peru Healing Crusade conducted by Dr. Jaerock Lee

One day amazing changes came upon me. I happened to do translation works for people from an Eastern country and heard about the ministry of Dr. Jaerock Lee, Senior Pastor of Manmin Central Church from them. As it turned out, they were church workers who were on the mission trip who had come all the way to Peru.

In December, 2004, Dr. Jaerock Lee's Peru Healing Crusade was conducted in Lima, the capital city of Peru. I experienced eye-opening things. I witnessed countless people receive healing of many kinds of diseases including AIDS and cancer and saw the lame throw away wheelchairs and walking canes, walk, and jump.

I came to have true faith through the holiness gospel

From that time on I began translating the sermons of Pastor Lazarus J. Lee who ministers to Peru Manmin

Church as a missionary of Manmin Central Church. His message carried spiritually deep meanings. He said he learned all the messages he had been preaching from Dr. Jaerock Lee, Senior Pastor of Manmin Central Church. My family members and I listened to the messages every week and started to lead thoroughly changed lives.

Our spiritual faith increased quickly through the messages about human cultivation, measures of faith, sanctification, the different meanings between 'Jesus' and 'Jesus Christ', and the secret hidden before the time began.

We eventually came to have true faith accompanied with deeds. I realized I had stored the Word of God just as knowledge.

I received the blessing of being able to participate in the publication and broadcast ministries

At about that same time I began to translate Dr. Lee's books *The Message of the Cross* and *The Measure of Faith* into Spanish. What's more amazing was that I participated in the dubbing of Dr. Lee's sermons aired on Enlace TV which is the leading Christian TV in Latin

America. I have now translated around 500 sessions of his sermons and I have also done the dubbing of them.

I believe what I am doing is very important to spread the holiness gospel to every corner of the earth.

Now Dr. Lee's sermons have been spread throughout the Latin countries and to Spanish-speaking people around the world. In the U.S. the sermons are also being spread to Spanish-speaking people, the minority population with the largest portion in the US.

I have received amazingly abundant blessings since I translated Dr. Lee's sermons. My life came to be prosperous, and my goal has also changed.

I was eager to deliver the correct will of God included in the sermons and to express Dr. Lee's love for souls well. I tried hard to do so and then my voice changed into a soft voice. Although I couldn't understand the Korean language, God helped me feel Dr. Lee's heart. By doing so, I could grasp the Word of God more deeply and realize His heart and will.

My family is blessed to work faithfully for God's kingdom with hope for New Jerusalem

Recently, a member living in Quito, the capital city of Ecuador, made a visit to Peru Manmin Church. Since he received a lot of grace, he came all the way to Peru at his own expense. He said he had never listened to this kind of pure gospel and expressed his thanks for letting him have true faith through the messages. It is truly a blessing that we can learn the Word of God correctly and lead happy Christian lives.

I am now seeing the heavenly rewards. Above all, I want to become sanctified and lead a diligent Christian life to reach the best dwelling place of all, New Jerusalem. I became an elder and worked as the head of Finance Department and Planning Department of the church as well as a translator of Dr. Lee's sermons.

My wife also has performed the duty of District Leader and Deaconess and worked faithfully.

I give all thanks and glory to Father God who let me know the love of God and the Lord and allowed for me to meet the guide who leads the way to New Jerusalem, Dr. Jaerock Lee.
