NO. 306 OCTOBER 7, 2012 (THE 30TH ANNIVERSARY SPECIAL)

Until the 30th Church Anniversary

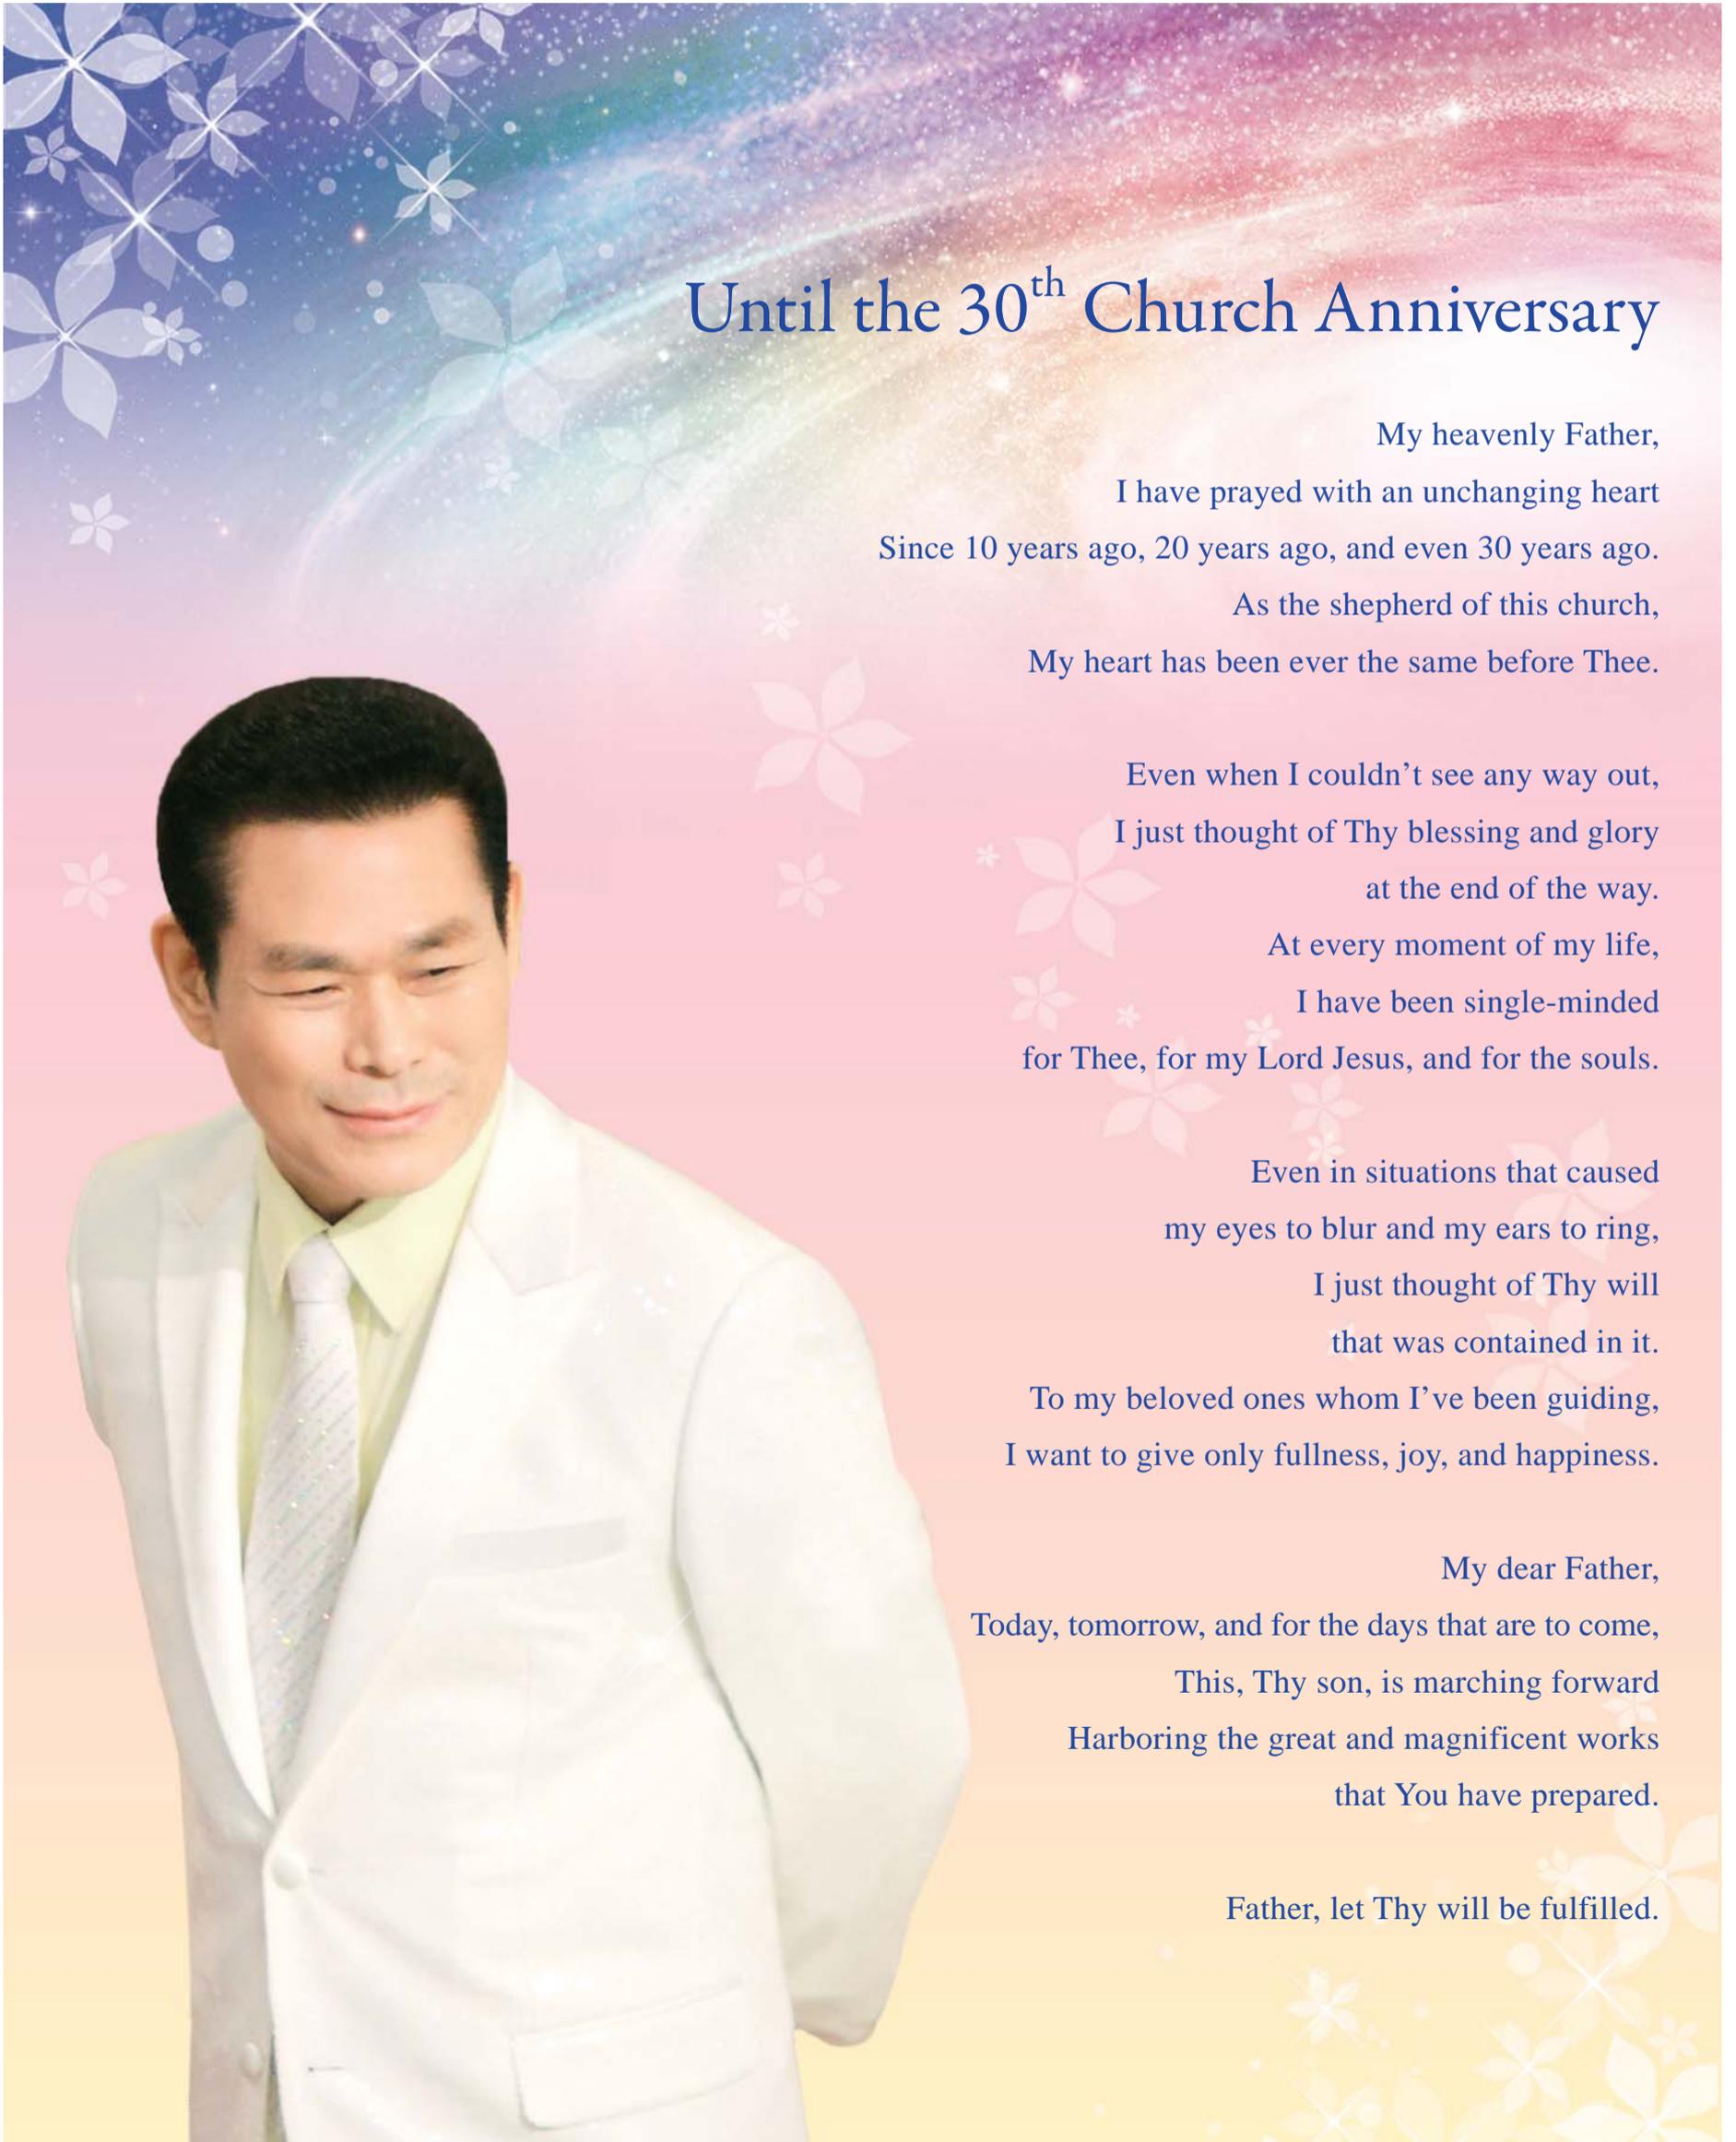

My heavenly Father,
I have prayed with an unchanging heart
Since 10 years ago, 20 years ago, and even 30 years ago.
As the shepherd of this church,
My heart has been ever the same before Thee.

Even when I couldn't see any way out,
I just thought of Thy blessing and glory
at the end of the way.
At every moment of my life,
I have been single-minded
for Thee, for my Lord Jesus, and for the souls.

Even in situations that caused
my eyes to blur and my ears to ring,
I just thought of Thy will
that was contained in it.
To my beloved ones whom I've been guiding,
I want to give only fullness, joy, and happiness.

My dear Father,
Today, tomorrow, and for the days that are to come,
This, Thy son, is marching forward
Harboring the great and magnificent works
that You have prepared.

Father, let Thy will be fulfilled.

God Demonstrates Heaven

God is in heaven, which refers to the spiritual realm, and we, mankind, live on the earth. The earth doesn't just refer to the ground of the earth that we stand on, but also it includes the whole tangible, physical space. Men who belong to the earth can't see God who belongs to heaven. Man cannot understand Him either. But God has given us a lot of grace in order that we on the earth can feel heaven.

In the mysterious order of all creatures and through the Bible, we can feel God the Creator. He also reveals heaven through God-sent men: Some people witness the spiritual realm like Heaven and Hell through spiritual experiences and testify to them. The reason God reveals heaven to us is to let us understand we have to become men who belong to the spiritual realm. He desires us to press on to become His true children with whom He will share true love forever and to take a better dwelling place in Heaven by force with faith and hope.

Heaven is invisible to human eyes. For the past 30 years, however, God has revealed heaven to Manmin. By this, God proved His love for this church and achieved His will and providence. Then, what does it mean that God demonstrates heaven to us?

First, He reveals heaven through the Word

When Manmin was established, it laid its foundation on the Word of God who is spirit. It is based on the fivefold gospel of holiness—Regeneration, Sanctification, Divine Healing, Resurrection, and Second Coming. Now is the time of the Holy Spirit when the Holy Spirit has come into the hearts of believers after the Lord's resurrection and ascension and those believers wait for the return of their Bridegroom the Lord adorning themselves as His brides. The Lord's Second Coming and resurrection of believers are actual occurrences that will take place.

Thus, I have preached about the resurrection and the things that will happen after the resurrection as recorded in the Bible. I also explained about Heaven and Hell. These things sometimes caused my church to be wrongfully judged as a church of 'Christian mysticism'.

What is the reality of the current situation of many of today's churches? Most of them don't preach about either the Lord's Second Coming or His resurrection. Some of them may touch on the subjects at times as a matter of formality. But, this church has tried to deliver all the facts of the gospel and the teachings of the Bible without any addition or omission. I have taught them not only 'The Message of the Cross' that reveals the secret of salvation hidden since before the ages but also the providence of human cultivation and spiritual world through the Lectures on Genesis and Revelation. So our members have tried all they could to avoid every kind of evil and sin in hope for resurrection and Heaven and endeavored to live according to God's will (2 Peter 1:4).

The Word of God that explains about different dwelling places, rewards, and glories in Heaven accelerated the members' growth in faith. They have pressed on to reach New Jerusalem where the throne of God is located, and tried their best to become God-like children.

Through the messages on "Hell", they have driven away temptation of sins, kept themselves away from

worldly things that will soon perish, and focused on adorning themselves as the holy brides of the Lord. How blessed it is to clearly know about Heaven, our future home and the spiritual world!

The greater blessing given to us through the spiritual, deep messages is that we have come to clearly understand about God. By listening to the messages, we gained realization on how holy and perfect God is, how mighty His power is, and how much He loves us. Since I met God and became a pastor, my desire to understand the will of God has gotten stronger. So I kept fasting and praying day and night no matter whether it was scorching or freezing. God listened to my prayers and revealed His will embedded in the difficult passages of the Bible by the Holy Spirit's inspiration. The representative fruit is my book *The Message of the Cross*, which has been translated into 66 languages and published in 38 languages.

Just as 1 Corinthians 2:9-10 reads, "But just as it is written, 'Things which eye has not seen and ear has not heard, and which have not entered the heart of man, all that God has prepared for those who love Him.' For to us God revealed them through the Spirit; for the Spirit searches all things, even the depths of God," God has shown us heaven and the glory of God who is in heaven through the spiritual messages revealed through the works of the Holy Spirit for the past 30 years.

Secondly, He reveals heaven through His power

Psalm 62:11 says, "Once God has spoken; twice I have heard this: that power belongs to God." Thus, the fact that His power takes place in this church offers the most conclusive proof that God is with us, and that the spiritual message delivered in this church comes from God Himself.

Another important reason that God reveals His power in this church is that He wants us to know that heaven, which is the spiritual realm, really exists and has no limits, and how almighty God the ruler of the spiritual realm is. God's powerful works have offered a decisive chance for many believers to meet God the Creator and the Lord and to possess true faith. Since the founding of the church, His powerful works have unceasingly taken place in overseas crusades and pastors' seminars as well as at revival meetings.

Moreover, the works of power together with the holiness gospel have been spread over the world via GCN TV, which broadcasts its programs in approximately 170 countries via satellites, cable TVs, and public TVs and whose Internet service and 24-hour mobile web service enable anyone to watch the programs anywhere anytime.

Via GCN, my prayer for the sick is broadcast worldwide three times a day. Through the prayer, many viewers have experienced God's power through healing or answer such as: "I received the prayer just via TV, but my tumor in the last stage was gone," "My dead optic nerves and acoustic nerves were regenerated! I came to see and hear well by the prayer," and "My baby in my womb had stopped moving, but he began to move again by the prayer." Such amazing testimonial letters have been received from every corner of the world. *In-Victory* readers and *TBN Russia* viewers regularly have sent their

“Arise, shine; for your light has come, and the glory of the LORD has risen upon you. For behold, darkness will cover the earth and deep darkness the peoples; but the LORD will rise upon you and His glory will appear upon you. Nations will come to your light, and kings to the brightness of your rising.”
(Isaiah 60:1-3)

prayer titles which were numbered in hundreds and at times thousands. I just lay my hand on them and pray for them from the pulpit without calling each one of them. Nevertheless, many of them have received answers and healings, and sent their testimonies back to us.

Among the testimonies received, only a comparatively small number have been delivered to church members through *Manmin News*, the church weekly newspaper, *Manmin Magazine*, the church weekly video news, and the annual International Christian Medical Conference of WCDN (World Christian Doctors Network). Around 550 Korean editions of *Manmin News* have been published, around 750 episodes of *Manmin Magazine* have been presented, and WCDN’s conference has been conducted nine times. Whenever those testimonies were introduced, our members rejoiced together and gave glory to God. They shed a lot of tears full of thanks and emotion due to our living Father God who works with us.

The testimonies presented are as various in kind as the testimony givers. Sometimes it was an individual or a whole family who experienced the powerful work and other times it was a church or even a country. Through those testimonies, they could understand that God manages men’s lives, deaths, fortunes, and misfortunes, and that God supervises human history. God told me more and more leaders of nations would ask me to pray for their national problems. By praying for them, we will preach God the Almighty and the existence of the spiritual world to more souls.

2000 was the first time we saw clouds coming in and going out at a specific point in the sky. Some clouds poured out from a spot in the sky and then disappeared at the same point. Some clouds appeared and were soon swept away as if someone had let the clouds go for a moment and then suddenly re-absorbed them again. It was God’s message telling us that there are other invisible realms different in dimension from our visible world.

Afterwards, God showed a variety of wonders that use the spiritual realms. The typhoons that were bearing down on the locations of our summer retreats and crusades changed their courses or just disappeared. When I arrived at a place where conflicts arose due to long-lasting droughts, sweet rain started to pour down upon the area. During the summer season when heat wave warnings were issued, *Manmin* enjoyed cool breezes like that of air conditioners at the summer retreat. A large swarm of dragonflies came through the spiritual realm and made the retreat places pleasant by getting rid of bugs. They sat on the members’ bodies in a friendly way. Father God also has shown us multiple rainbows—double, triple, and quadruple rainbows and extraordinary rainbows which confirm God’s love and promise towards us. Stars even moved fast and danced across

the night sky by using the spiritual space.

From 2011, God started to show us the spiritual world in more detailed way through colorful aurora-like lights. In the beautiful lights appear images of New Jerusalem, angels, heavenly fruits, flowers, fish, the sword of the Holy Spirit, and musical instruments, which add hope for Heaven to us. The heart-, ring-, and bouquet-shaped lights are God’s expression of love to us. Other aurora-lights manifest the fire of Hell, messengers of Hell, and skulls being tormented in Hell.

All of them are God’s love that helps us be awakened and lead our Christian lives well. I can’t cite every work of God here, but God let us feel the spiritual realms and the existence of God who is in heaven through such extraordinary works as though we saw and touched Him. We came to feel the real and tangible qualities of New Jerusalem and have been able to lead more earnest Christian lives.

Thirdly, God reveals heaven through performance culture

From the church opening, *Manmin Central Church* recognized the importance of the ministry of Christian cultural arts including praise and dance. Performing Arts Committee was organized through the guidance of the Holy Spirit, and it has made steady development and now represents the spiritual world through various genres of performances. They have made noticeable growth in praise, dance, instrumentals, use of video techniques, costumes & wardrobe, and props. They have demonstrated gorgeous Heaven where beautiful lights and sound overflow, where praises flow endlessly, and where the lights of lamps and even the sun are no longer needed because God’s light is shed upon all areas!

By watching the performances in worship services, *Manmin* members came to feel how happy and joyful the heavenly life is and have greater hope for Heaven. Their performances in overseas crusades let the attendees open their hearts widely and accept the gospel more easily. In particular, God gave us pure praises through the inspiration of the Holy Spirit. How moving the God-given songs’ melodies and lyrics are!

The church events, including Easter Performance and Anniversary Celebration are planned with God-given titles and flow. Through them, *Manmin* is getting to know more clearly about God who is in heaven. We also realized what kind of aroma of heart we should offer up to God until we reach New Jerusalem and we can feel vividly what kind of fragrance we will offer up to Father God in Heaven. As recorded in Isaiah 43:21, “The people whom I formed for Myself will declare My praise,” to God who gave the heavenly praises to us, I give all thanks and glory!

God has unceasingly revealed heaven to us for the last 30 years. None of them have been given to us ‘for free’. If they had been, the enemy devil and Satan would have brought accusation saying that we came to have great faith because God unjustly revealed the spiritual world without cost. So God let the exact price be paid according to His justice. God led church leaders and believers to pass through fiery trials and afflictions in a same way that the Israelites had done during the march of the Exodus. Through these, many believers came to have the faith of god (1 Peter 1:7).

Dear brothers and sisters, the God-shown spiritual realms in this church allow for us to realize that His heart and His love for us have no end. Thirty years ago, just 77 days after the Opening Service we offered the Founding Service with 170 people. By 2012, we became a mega-sized church with about 10,000 branch and associative churches throughout the world and we have proclaimed another opening. God who is spirit will never stop His work, and through this church that He loves, He will gather all nations and kings to His bosom. I give all thanks and glory to our Father God of love.

The 30th Church Anniversary is celebrated under the theme of “Heaven and Earth.” It depicts that in Heaven, heavenly hosts and angels and on the earth, men who have experienced human cultivation give glory to God together to celebrate the 30th Anniversary of Manmin Central Church announcing that God’s source of joy lies in the incessant dedication of the shepherd who has always sought God’s will and led the church according to His will and the transformation of church members who have been changing into spirit by His power.

In every anniversary celebration performance since 2010, God Himself has given us praises, instrumental music, and songs for dancing that represent the beauty of New Jerusalem housing God’s throne so that we can feel and experience the works of the spiritual realm demonstrated on the earth. God has given those music and songs that have clear and beautiful melodies and lyrics for us to stay unstained by the worldly trends in a much same way that God gave the Israelites a song in order that they would not forget the Law and God’s love as written in Deuteronomy 31:19-22.

With the main theme of “Banquet at the Sea,” the 28th Anniversary Celebration Performance displayed the banquet to be held on the sea of the most beautiful of the heavenly dwelling places, New Jerusalem. The 29th Anniversary Celebration Performance expressed the happy and joyful life in the beautiful and gorgeous castle of the shepherd in New Jerusalem, under the theme of the “Castle of the Shepherd.” In 2012, the 30th Anniversary Celebration Performance has the main theme “Heaven and Earth.” It begins with the heavenly praise of angels.

Section 1 Prelude

1. “Beginning of Heaven and Earth” that expresses the beginning of Manmin and the fruits of the fulfillment of God’s magnificent providences

This opening performance manifests the beginning of Manmin established in God’s plan, its 30-year history fulfilled only with obedience, and the fruits that have been borne. Through an instrumental arrangement, the opening of the immense space, the mysterious and beautiful sounds contained in it, and God’s clear and sonorous sounds are expressed. The dignified march of flag-bearing angels and many archangels is expressed with the majestic sounds of the musical instrumentations.

2. “Mysterious Music” that makes us feel the heavenly beauty and mystery

In this performance, many angels congratulate Manmin’s anniversary with melody and dance that make us feel the beauty and mystery of Heaven. When the angels fly through the air, beautiful lights are emanated from them and the lights remain at the lower ends of their garments. The flowers on their wreaths give off lights whenever they take a turn. Heaven, where they stay, is expressed with many angels and flower petals.

3. “Celebration Music and March” glorifying God through majestic march

Just as an earthly king is followed by many flag-bearers and trumpeters during his ceremonial walk, this performance expresses the majestic march of special archangel envoys before the appearance of the King. During the performance, if you make up your mind to become men of spirit or whole spirit who are equal to proclaim the power of the Holy Spirit to the whole world and offer up your resolution to God as aroma, you will receive great grace.

5. “Powerful Dance of Trumpet Archangels” celebrating the 30th Anniversary

The archangels of trumpets with golden crowns convey a message in the playing of their trumpets. The message’s meaning conveys “Congratulations on Manmin’s 30th Anniversary”.

6. The “Dance of Dancing Angels” helps us reminisce about Manmin’s 30-year history

During the performance we offer up our thanks to God and look back upon Manmin’s 30-year history as though we were in a heavenly banquet and reminisced about the time of our cultivation. Manmin’s 30-year history is spread out before us by the dance of dancing angels. You will feel as though you can hear, “You did a great job for the past 30 years. You did this at that time. You prayed in one heart with the shepherd at that moment. You shed so many tears throughout those times.”

7. “Praise of Praising Angels,” Father God’s message of love

The song, “Praise of Praising Angels” contains the following lyrics: “From a beautiful place flows out praise” and “The place where there is beautiful praise of the beautiful ones, His eyes stay on this place.” It delivers our heavenly Father’s message of love to us. In this performance, the archangels praise beautifully playing different kinds of instruments. God is pleased with our members who are endeavoring quickly to stand on the rock of faith, come into spirit, and into whole spirit. So, in this song He calls our church ‘a beautiful place’ and our members ‘beautiful ones’. We will bear in mind once again how blessed and happy we are because we lead our Christian lives receiving such great love of God.

8. “Our Dance” offered up with our hearts

The 30th Anniversary Events are prepared by all Manmin members’ prayer, fasting, financial support, and volunteer works. In this performance, Performing Arts Committee’s performers gather all Manmin members’ joyful hearts and express the joy to God on their behalf. In reply to heavenly dance of angels, we, earthly people of God, give glory to our heavenly Father with our dance that will be performed in a royal ball.

Let’s give Him glory. Give glory to our God, exalt the Creator.
Let us give glory to our God, give glory to our God.
Let us give glory to our Savior. Give glory to our Savior.

Heaven and earth give the Father glory. He’s rejoicing, He’s rejoicing!
The Father who is in Heaven, He’s rejoicing, He’s rejoicing!
The Father who is in Heaven, He’s rejoicing. Let us give glory to God.

9. “Our Praise” that expresses our joy

On the 30th anniversary of Manmin that has fulfilled God’s will in His providence, God delights and we also feel joyful and thankful for His love that has been with us all the time. In this performance, our joyful and happy hearts are expressed in a festive mood.

Let us all praise with joy, God has given us joy.
God has given us honor, God has given us blessings.
Let us give glory to God being united as one.
We are overjoyed with the joy of this day!
Our Father God established this church in His providence.

10. “Heaven and Earth,” praise offered up by all of us together

All Manmin members praise God together by singing the main song of the 30th anniversary, “Heaven and Earth” and happily offer up their hearts to Him.

Let’s all gather and let our lips sing
to the Great Father sing Hallelujah.
Gather our hearts to sing out once more
to the Great Lord sing Hallelujah.
With all my heart I can joyfully praise!
He gave me new life, He leads the way.
With all my heart I can joyfully praise!
Give God the Glory! Praise to the Great Father!
