Manmin Central Church has around 10,000 branch and associate churches around the world. The church has also been actively performing its ministry in Latin America through broadcasting and the handkerchief of power.

Senior Pastor Dr. Jaerock Lee was invited to Argentina in 1996 for the 'Blessing Crusade for Koreans', a Local Pastors' Seminar. And then in 1997, to Argentina again for a Revival Meeting for local people and a Pastors' Seminar. In 2002 he went to Honduras for a United Crusade and in 2004, to Peru for the Peru United Crusade. In the crusades, Dr. Lee proclaimed God is the Creator and Jesus Christ is our only Savior by showing signs, wonders, and many powerful works of God.

By Dr. Jaerock Lee's prayer for the sick in particular, a great number of people were freed from many diseases including AIDS and cancer. The blind came to see. There were those who were crippled who threw

away walking-sticks and stood up from wheel chairs. They walked and jumped, and God was greatly glorified through them.

Since then, the handkerchief healing meetings have constantly been conducted in the church's branch and associative churches in Latin America such as in Peru and Colombia. Furthermore, Dr. Lee's sermons and powerful works aired on Enlace TV—the leading broadcaster in Spanish-speaking countries and JBN of Honduras caused a number of people to meet the living God.

Dr. Jaerock Lee's sermon is broadcast on a regular basis. Above all, Dr. Jaerock Lee's Word of Life, aired on Sunday morning, has brought great responses from pastors. The Enlace viewers who received grace through the program even registered into Manmin Central Church via the Internet and are leading joyous Christian lives.

In addition, Dr. Jaerock Lee's books in Spanish and Portuguese have been

published and distributed by Nueva Vida of USA and Naos of Brazil.

On April 3, 2014, Manmin World Guidance Pastor, Rev. Heesun Lee, conducted a healing meeting with the handkerchief of power (Ref: Acts 19:11-12) at Peru Manmin Church ministered to by Pastor Lazarus Lee. A great number of people filled the sanctuary and joined even outside of the church. The number included Pastor Felipe Juamani, Chairperson of Dr. Jaerock Lee's 2004 Peru Healing Crusade Organizing Committee.

Rev. Heesun Lee preached the message entitled "True Faith" based on Hebrews 10:22. The attendants repented in prayer together. Then, she prayed for hundreds of sick people one by one who were waiting in line to receive her prayer with the handkerchief of power. The church members who had prepared with prayer and fasting during the previous month immediately received answers and gave glory to God.

Brother Guillermo Diaz got up from his wheelchair which he had to rely on for the previous 20 years, and came to walk. Sister Fannyt Janet Davila was healed of ovarian cyst. Brother Benjamin Salazar received healing of poor eye sight, high blood pressure, diabetes, and lung disease.

On April 5 to 6, Rev. Lee also preached at Colombia Manmin Church's Anniversary Service and led the meeting with the handkerchief of power. Ms. Rosalba Rodriguez de Rincón, President of Enlace Colombia and some pastors and believers from Venezuela attended. Through Rev. Lee's handkerchief prayer, Sister Diana Moreno was healed of farsightedness and Sister Marixa Pérez was set free from an ovarian cyst and allergic sinus infection. Many members in addition to them were made whole and gave glory to God. These events aroused great expectation for a more active ministry through the works of the Spirit in Latin America.

The Confession of the Lord

Father,
My tears formed a river and wet My heart.
I hope these tears will wet their hearts.
All things will be completed and
perfected.

Father
Please feel no grief.
I love You.

Until the very moment I have taken My
last breath,
I will think of You Father, and Your love.
So Father, feel no sorrow.

I don't feel unable
To bear this cross on My shoulder
Because it is heavy.

Father
I love You.
Until I shed My blood on this cross
And have taken My last breath...

Father
I looked back upon everything in the past
And thought about their hearts over and
over again...

Father
Don't feel grieved.
Through this Son of Yours, be glorified.
Your providence and all things in Your
plan
will be fulfilled perfectly forever and ever.

This is Jesus' confession with His cross
on His shoulder while walking up Golgotha
and thinking over God's providence

﴿ God Is Love ﴾

Love Is the Fulfillment of the Law

"Love does no wrong to a neighbor; therefore love is the fulfillment of the law"
(Romans 13:10).

The Law written in the Bible was given in the love of God who wants to give us happiness. To the extent that we keep the Law, we are more likely to be children of the Light, of righteousness, and of goodness. That is, we can resemble God who is love.

What should we do in detail to follow Jesus who fulfilled the Law with love and experience God's perfect love more deeply?

1. We have to understand the relation between God's love and His justice

Only when we realize the boundless love of God can we be embraced in the deepness of that love. In addition, we should understand God's justice together with His love because He governs the heavens and the earth and all things in them with His justice.

Only by the understanding of the relation between love and justice can we apply the law of justice in a correct way and achieve love transcending justice. For this understanding, we have to have the knowledge of the Law of God.

The law in the Bible includes the Ten Commandments that God gave to Moses and many commands such as 'do, don't do, keep, and cast off'. The Law embraces all these commands like 'Love one another', 'give thanks', 'pray', 'keep the whole Sabbath', 'cast off sins', and 'don't hate'.

Why, then, do God's children have to keep the Law? This is because there is the spiritual law that was built based on justice. God is alive so He lets one reap according to what he has sown and repays him to the extent that that person acts. This is justice. Based on this justice as the standard, God governs all things in love.

Simply put, if one sins he cannot but receive punishment and reach death. However, if he repents, he can be forgiven. In addition, if one obeys the Word of God and lives in goodness, he receives answers and blessings and will enjoy everlasting glory in Heaven.

2. The proof of love for God is to keep His commandments

We read in 1 John 5:3, "For this is the love of God, that we keep His commandments; and His commandments are not burdensome." This emphasizes that God's children must keep His

commandments.

Then, why is keeping God's commandments the proof of love for God? Suppose parents teach their child to frequently wash their hands and feet after playing outside; not to cross the street when the red traffic light is on; and not to go to dangerous places. It is not that they want to restrict him and give him a hard time. It is their love and consideration so that their child can live more safely in peace freed from the dangers of diseases or accidents.

If a child knows this heart of his parents, he might obey though their teaching sometimes feels like a burden. Furthermore, children who want to please their parents always keep their parents' words and practice them. Those who obey with love for their parents won't fall into evil ways and they will be more prosperous than other people.

This same reason is why God the origin of love gives us the commandments. We can easily keep them when we, who were created in His image, realize that He gives us the commands to enable us to receive the blessings that follow obedience and to also be able to live peacefully and happily.

3. Answers and blessings when keeping the commandments

Since the transgression of the first man, Adam, the enemy devil and Satan have always prowled around like a roaring lion, seeking someone to devour. They tempt people into the corruptions of the lust of the flesh, the lust of the eyes, and the boastful pride of this life (1 John 2:16).

If one doesn't obey the Word of God and commits sins seeking the lusts of the world, then sufferings will come upon them and death awaits them (Romans 6:21). But what awaits those who keep God's commandments?

1 John 3:21-22 says, "Beloved, if our heart does not condemn us, we have confidence before God; and whatever we ask we receive from Him, because we keep His commandments and do the things that are pleasing in His sight." As spoken, such people can receive blessings and answers to whatever they ask for.

God of love wants to give His children blessings, but He only works according to the justice. Thus, He has no choice other than to

Senior Pastor of Manmin Central Church
Dr. Jaerock Lee

He is God's servant of love and power who has awakened people of all nations by spreading the core of the gospel following the Lord's way and manifesting the fiery works of the Holy Spirit.

Manmin Central Church opened with only 9 adults and 4 children in 1982. Through the works of the Holy Spirit the church has grown to become a mega-sized church with approximately 10,000 branch and associative churches world-wide. Just as Jesus preached and confirmed the word by the signs that followed His teaching, Dr. Jaerock Lee confirms that the Bible is the truth by showing the power of God

He has conducted many overseas crusades such as in Uganda, Japan, Pakistan, Kenya, the Philippines, Honduras, India, Russia, Germany, Peru, DR Congo, the U.S., and Estonia since 2000 and showed explosive powerful works. Among them, Uganda Crusade was reported by CNN.

He also preached in Jerusalem at the Israel United Crusade 2009. He proclaimed Jesus is the Messiah and it was broadcast live to approximately 220 countries. He is dedicated to the Word and prayer to accomplish the providence of God who desires all people of all nations to be saved at the end time by proclaiming the gospel to the end of the earth and achieving the mission of the ministry to North Korea.

hand them over to Satan if they live outside of His Word. Then, hardship and afflictions follow them and they meet with diseases or accidents.

Practicing the Word of God is like having a lamp in pitch darkness. With a lamp, we don't have to worry about falling down. So, when God who is Light is with us we can be protected from all things and we will enjoy the authority and eternal life as God's children.

4. The Law is the textbook of love that presents the most blessed way

God gives us the Law because He loves us. So, when we obey His Word how pleased will He feel as He protects us with His blazing eyes and gives us answers to whatever we ask for?

God's children also enjoy the great blessing to accomplish a clean and good heart and finally achieve the heart of God as they put His Word into practice.

As people accomplish the heart of God, they can feel the love of God more deeply and become perfect children wanted by God. Only when we know the heart of God can we understand love and become God's true children who can love God and all people.

Therefore, the God-given Law is the textbook of love that presents the most blessed way for us all who receive cultivation on the earth. It tells us the way to avoid disasters and receive God's blessing while living on the earth that is now being ruled over by Satan during this period of cultivation. God gives us the commandments not because He wants to send those who don't keep it to Hell, but because He wants to let all people enter Heaven by abiding by the Law.

5. Jesus forgave an adulterous woman and fulfilled the Law with love

Jesus fulfilled the Law with the love of the cross. Even though Jesus Himself kept all the commandments, He didn't condemn other people who didn't, nor did He say, "You broke the Law, so you should be put to death."

He only taught the truth day and night so that even one more soul could reach repentance and salvation. He ceaselessly worked to set people free who were bound to diseases and infirmities and heal the demon-possessed.

The incident that clearly shows the love of Jesus occurred when a woman caught in a very act of adultery was brought before Jesus (John 8).

One day, the scribes and the Pharisees brought a woman caught in adultery and said to Jesus, "Now in the Law Moses commanded us to stone such women; what then do You say?" If Jesus had said, "Stone her", then her sin would have been revealed and she would have been put to death by the pouring stones.

Without saying anything, Jesus wrote the people's sins down on the ground. He said, "He who is without sin among you, let him be the first to throw a stone at her." By doing so, He taught them they all had sinned so they couldn't condemn one another. So Jews there felt ashamed and left one by one. Finally only Jesus and the woman were left.

Jesus said to the woman, "I do not condemn you, either. Go. From now on sin no more." How amazing His love is! Hadn't the woman known she would be stoned to death if she committed adultery? Yes, she knew it.

Even though people hear the Law, learn the Law, and fear the punishment, when they fail to overcome fleshly lusts, they commit sins behind each other's back. In the woman's case, her sin was revealed and she was under pain and fear. Then, unexpectedly, Jesus forgave her of it. So many tears she must have shed and how strongly she must have made up her mind not to sin anymore! If she remembered the love of Jesus, she couldn't violate the Law and commit sins again. This is the love of Jesus who fulfilled the Law with love.

6. To the extent we realize the love of the cross, we can perfectly act in the Law following Jesus' example

The whole body of the blameless and spotless Jesus was scourged for sinners and He wore the thorny crown. He was nailed through His feet and hands and shed all His water and blood. In the end He gave His life for us. The greatest love in human history was manifested in Jesus' crucifixion.

We received such an amazing love. It is only when we realize this love that we can receive the strength to practice the Law perfectly. If Jesus had judged everything strictly only according to the Law and if He had turned His face away from people who sinned without fulfilling the Law with love, then who on this earth could have been saved!

The fundamental spirit of the Law is to love God the Father and achieve His heart. However, the teachers of the Law at Jesus' time were not interested in sanctifying their hearts but they were inclined to the exterior formality of the Law and thought they kept the Law. So, they simply judged and condemned those who couldn't live as they did. They condemned Jesus who taught the heart of God the Father contained in the Law.

What God wants is not to just keep the Law and condemn others without mercy and love. He also doesn't want His beloved children to find it difficult to keep the Law and fail to feel the love of God.

Since the Pharisees didn't have love, no matter how strictly they abided by the Law as formality, nothing benefited their spirits. They judged and condemned brothers in faith with their knowledge of the Law which caused them to distance themselves from God. They ended up becoming evil doers who crucified the Son of God.

Therefore, God's children should cultivate their hearts into spirit by casting away sins and evil and changing their hearts into pure and unchanging ones. Only then can they love God with spiritual love. To the extent that they understand the love of the cross, they can love God and others as themselves.

Dear brothers and sisters in Christ, I urge you to emulate Jesus who fulfilled the Law with love and love God more earnestly. I pray in the name of the Lord that you will keep all commandments with the power of love and receive all God's answers and blessings remembering it is He who can give us everything that we ask for and, give glory to God!

“Since I am blessed for my soul to prosper, everything goes well!”

I attended church when I was young, but I had never seen any signs and wonders as written in the Bible. Since I had never experienced the living God, I just attended Sunday Morning Service and enjoyed playing table tennis, billiard, baduk, and go-stop (Korean traditional card game). But I thought I would be saved.

Meantime, I learned that my cousin-in-law Elder Hongki Park who had been suffering from the newly-discovered ‘pollution disease’ for seven years was healed of it in May, 1997 by attending Manmin Central Church’s two-week-consecutive Special Revival Meeting and receiving Dr. Jaerock Lee’s prayer.

In 2002, I came to be assured of the living God and my family and I started our Christian lives in Manmin Central Church. In those days, my mother was troubled with serious pain because she had injured her back and her backbone had protruded for the previous ten years. She received Dr. Lee’s prayer. Around 15 minutes later, her projecting backbone moved and it became normal...and the pain was gone!

I felt so thankful for the grace of God who healed my mother that I cut myself off from enjoying worldly pleasures and started to offer up every kind of services and devote myself to prayer. I longed to listen to the Word of God and attended places of grace. I also tried my best to fulfill my God-given duties.

Then, I found myself in the Word of God with realization that my family members had difficult times because of my authoritative attitude towards them. I asked my wife to obey my word all the time and I burst into anger when my children didn’t listen to me. But Dr. Jaerock Lee didn’t ignore even little children and valued the church members more than his own life. He also prayed for the sick with all his strength.

I made up my mind to follow the example of Dr. Lee and change. From then, I started to serve my wife and children without self-centeredness. Even when my children couldn’t pray and had lukewarm faith, I

didn’t force them and just helped them pray. We lived in Incheon, so when they found it hard for them to pray in the central church in Seoul I prayed together with them in Daniel Prayer Meeting in the local sanctuary near our home or at home via GCN TV. I saw them through the eyes of faith and could see that they would change sometime and lead fervent Christian lives.

In 2010, I began to enjoy reading the Bible and listening to Dr. Jaerock Lee’s sermons such as Love Chapter, Beatitudes, and Nine Fruits of the Holy Spirit. As much as I kept realization from the messages in my heart and prayed earnestly, my wife and children also tried hard to change themselves by means of the Word of God and prayer. In the end, all my family members joined the race of faith to achieve the heart of spirit and, moreover, to run towards New Jerusalem in Heaven

Pastor Heesun Ku, my daughter serves the members as the 21st Parish Pastor. Brother Kyunghwae Ku, my son belongs to Harmony Team. Senior Deaconess Hyunsuk Lee, my wife works as a group leader of Prayer Devotees’ Group. I am Vice President of 2nd Elders’ Association and Male

District Leaders’ Association. I cherish my God-given duties and prioritize God’s works, so God has blessed me in my business and to get recognition in society.

In January 2003, I opened a tax accounting firm. Since then, my income has constantly increased for 11 years. I am recognized as a diligent person, an able man, and for just management. As recognition for contribution to national tax administration, I received Award of Ministry of Strategy and Finance and Award of Prime Minister, which glorified God.

I currently work as President of Northern Incheon Tax Accountants’ Association, a member of Fair Taxation Committee in Northern Incheon, and a lecturer of Korea Association of Realtors. I give all thanks glory to God who blessed my soul to prosper and give this testimony.

“I am pleased to walk normally!”

Sister Angelica Osorio,
aged 16, in Colombia Manmin Church

I was born with ‘absent radii syndrome’. At the age of one, I had femur removal surgery and another surgery for fitting. Until the age of ten, I wore a cast with an angle of ninety degrees on my legs. Naturally, I couldn’t attend primary school and stayed at home in bed.

One day, my mom learned about Dr. Jaerock Lee’s powerful works via Enlace TV. She said to me that I would be healed if I would have faith. At first, I couldn’t believe it, but after registering at Colombia Manmin Church my family members all changed.

Dr. Jaerock Lee’s testimonial memoirs encouraged me to have great joy and hope because he had suffered from more diseases and greater pain than I had, but he was healed of all of them by God. I was assured that I would be healed, and started to pray.

On April 5 and 6 in 2014, Colombia Manmin Church ministered to by Pastor Jungyeon Jang had its 2nd Anniversary Service. Rev. Heesun Lee, Manmin World Guidance Pastor came there. I attended Handkerchief Healing Meeting and listened to her message. I repented that I hadn’t had true belief in God and had hated other people. And I received the prayer of handkerchief of power (Acts 19:11-12). Then, my backbone was straightened and I had no pain. Hallelujah!

My bent backbone and legs were straightened so I don’t limp any longer and came to walk normally. I give all thanks and glory to God who healed me and answered my prayer.
