God's Providence for All People Has Been Achieved

Manmin Central Church's 33rd Anniversary

Manmin Central Church is actively proclaiming God the Creator, the gospel of Jesus Christ, the works of the Holy Spirit with its approximately 10,000 branch and associate churches and through Global Christian Network, books and the newspaper in many languages, World Christian Doctors Network, and Manmin International Seminary. The church will keep leading countless souls to the Lord and glorifying God through constructing the Canaan Sanctuary and Grand Sanctuary. Let's reminisce about the thirty-three-year-old history of Manmin that has been always under God's guidance.

The Third
Take-off Stage,
from 2010
to present

"For the earth will be filled with the knowledge of the glory of the LORD, as the waters cover the sea" (Habakkuk 2:14).

Resources for the Providence of the End Time now were in Place

In October 2010 the church conducted the Estonia Crusade in Europe. God had previously arranged for the church to prepare human, financial, and spiritual resources to defeat the antichrist and cover the whole world with the holiness gospel. First, human resources were needed, so He led the members to be spiritual warriors. God extended an opportunity for them to thoroughly repent of past sins on December 25, Christmas, in 2010. By doing so, their status as His children was restored and members came to run toward the full measure of faith. In all these blessings were their shepherd's tears, sacrifice, and love.

The God of love poured down grace upon the members so that they could become sanctified and spiritual warriors. In May 2011, God blessed the members to take photos of colorful and various shaped aurora-like lights with their cellphones. In the 2011 Leadership Conference the members learned the nine untruthful attributes that hindered them from standing on the rock of faith. In 2012, they learned the subdivided descriptions of the level of spirit, and in 2013 they learned about the faith of 'whole spirit' that is the level of faith that can please God.

In such a great grace of God, the members increased their faith quickly. In fact, for the grace to be given to them, the shepherd had fulfilled the justice constantly. In early 2013, the members could see his love and love of God again through a three-month grace period and they received energy to be renewed all the more. In April 2014, the church eventually achieved the standardization of spirit as many members achieved the heart of spirit.

God who is full of love has given the flow of whole spirit to members in 2015, and has guided the members to become spiritual warriors who can fulfill His providence for the end time. It is almost the final step of preparation. The third stage of take-off is going to unfold in earnest very soon.

Senior Pastor of Manmin Central Church

Dr. Jaerock Lee

He is God's servant of love and power who has awakened people of all nations by spreading the core of the gospel following the example set by the Lord in manifesting the fiery works of the Holy Spirit.

He opened Manmin Central Church with only 9 adults and 4 children in 1982. Through the works of the Holy Spirit the church has grown to become a mega-sized church with approximately 10,000 branch and associative churches worldwide. Just as Jesus preached and confirmed the word by the signs that followed His teaching, Dr. Jaerock Lee has confirmed that the Bible is the truth by showing the power of God.

He has conducted many overseas crusades such as in Uganda, Japan, Pakistan, Kenya, the Philippines, Honduras, India, Russia, Germany, Peru, DR Congo, the U.S., and Estonia since 2000 and showed God's powerful works. Among them, Uganda Crusade was reported by CNN.

He also preached in Jerusalem at the Israel United Crusade 2009. He proclaimed Jesus is the Messiah and it was broadcast live to approximately 220 countries. He is dedicated to the Word and prayer to accomplish the providence of God who desires all people of all nations to be saved at the end time by proclaiming the gospel to the ends of the earth and achieving the mission to North Korea.

“For the word of God is living and active and sharper than any two-edged sword, and piercing as far as the division of soul and spirit, of both joints and marrow, and able to judge the thoughts and intentions of the heart” (Hebrews 4:12).

Today, you can find many churches and preachers. It is much difficult, however, to find in the dark sin-prevailing world the words that proclaim the will of the Lord. In this materialism-dominating fleshly world, it is rare to find the words that can help you meet and experience God who is spirit. Just as Amos the prophet prophesied in Amos 8:11, the world is hungry and thirsty because of the famine of the Word.

I met God at the end of 7 years of sickness. Nobody could heal me, and I was in despair waiting for death. But God healed me all at once. After I dramatically met God like this, I so much wanted to know the will of God. I diligently attended revival meetings, and read the Bible. But there were many words I couldn't understand well. Although I asked questions to pastors and referred to famous Bible annotations, I couldn't understand them.

One day, I heard a testimony that an angel interpreted God's Word, and I started to earnestly pray for it. I prayed for 7 years that the words might be interpreted either by God Himself, or by angels. Whenever possible, I went to mountains, found flat rocks, and put a blanket on top to kneel down on it. While praying all day long, many times I skipped lunch to save time. Finally, God started to interpret the words one by one in the inspiration of the Holy Spirit. His words were sweeter than honey and honeycomb, and they were jewels as precious as the life.

Whenever the words were preached, dead souls came back to life, and souls in sleep woke up. The testimonies of salvation, answer, and blessing keep coming to my attention. It is the grace of God given to us through the gospel of holiness in the history of Manmin.

1. The gospel of holiness is the word that changes our hearts.

How does the Word change our hearts? It is to turn a heart that is dirty due to sin and evil such as hot temper, hatred, adulterous mind, greed, arrogance, and craftiness into a pure heart. It is to circumcise a heart and to accomplish sanctification. Once the heart becomes clean and empty by casting off sin and evil, it is now to be filled with love, goodness and truth. To the extent the heart is changed like this, it resembles the heart of Jesus Christ, and you recover the image of God who is the Light. Only then, just as 1 Thessalonians 5:23 says, can “your spirit and soul and body be preserved complete, without blame at the coming of our Lord Jesus Christ.”

When I was a novice Christian, a famous pastor said one's personality cannot change.

He also said, “How can a man keep all the Ten Commandments? We only try.” But the Bible doesn't agree.

1 Peter 1:16 says, “...you shall be holy, for I am holy.” And our Lord said in Matthew 5:48, “...you are to be perfect, as your heavenly Father is perfect.” You must change your personality and habit, and even cast off the sinful attributes in the root to become a holy child of God. Besides, the Bible keeps telling us to depart from the darkness and accomplish sanctification as a child of God who is the Light.

Of course, you cannot be sanctified by your own effort. But when you seek for it by faith and make an effort, the grace and strength of God will come upon you. And the Holy Spirit inside you will help you. He will help you burn the sinful attributes by the fire of the Holy Spirit, and pull them out one by one. When you were yet a sinner, you accepted the Lord, and you were called righteous by faith. But that is not it. You now must get sanctified.

God gave us many words that can help us change our heart into the sanctified one. He explained in great detail what sinful attributes, and how to cast off the works of the flesh, things of the flesh, and even the original evil deep in our hearts. He also explained what truths to fill our hearts with, and about the spiritual love, the fruits of the Holy Spirit, and Beatitude. He said that, to the extent our hearts change, our faith can also grow up.

1 John deals with the faith of fathers, faith of young men, and faith of children differently. The level of faith is not decided by how long you've come to church, how much you know the Bible, or what title you have in the church. It is decided by how much sin and evil you cast off from your heart and how much you fill your heart with the truth and how well you resemble God. As your faith grows up, you will have strength to defeat the enemy devil and Satan when they test you. You will get away from diseases and disasters, and receive blessings and answers. Furthermore, you can do miracles and manifest the power. And you will be great in Heaven.

Many people around the world testify. They went to church for a long time, but they suffered from trials and afflictions such as problems of children, troubles at work, and diseases. Since they knew this church and heard the gospel of holiness, however, darkness has gone from their lives and they've received answers and blessings. This gospel of holiness is the word that changes your heart and enables you to enjoy the rights of being the child of God. It is the word of life that helps you meet and experience God all the time, and receive answers and blessings.

The Confession of Faith

1. Manmin Central Church believes that the Bible is God-breathed Word that is perfect and flawless.
2. Manmin Central Church believes in the unity and the work of God the Trinity: God the Holy Father, God the Holy Son, and God the Holy Spirit.
3. Manmin Central Church believes that we are forgiven of our sins only by the redeeming blood of Jesus Christ.
4. Manmin Central Church believes in the resurrection and ascension of Jesus Christ, His Second Advent, the Millennium, and the eternal heaven.
5. Members of Manmin Central Church confess their faith through “The Apostles' Creed” each time they come together and believe in its content verbatim.

“[God] Himself gives to all people life and breath and all things.” (Acts 17:25)

“And there is salvation in no one else; for there is no other name under heaven that has been given among men by which we must be saved.” (Acts 4:12)

The Church that Has Accomplished the Word

2. The gospel of holiness is the word that helps you truly understand God the Father.

People of goodness can understand the divine nature and eternal power of God as they see the things in the universe, and they may meet and experience God in their Christian lives. They also learn God in the Bible. But as men of flesh, there is a limit to understand God who is spirit.

For example, they have so many ideas about the tree of the knowledge of good and evil. Some people say, "Why did God put the tree there and make Adam fall?" They don't know the providence of God who

The Message of the Cross, printed in 57 languages

let people experience relativity and choose the truth in their free will. Some people think God forgives unconditionally. Even if they repeatedly commit sin, all they have to do is just repent with their lips; this is what they think. Others think God is the fierce God of judgment; they are only afraid of God. Since they don't know the justice and love of God, they misunderstand God.

Through the gospel of holiness, God explained to us in great detail the providence of cultivation, and the love and justice contained in it. He also told us about His fundamentals. Originally, God was the Light containing the voice; He existed filling the entire space. That space was the heart of God, His power, His love, and His Word. Then God had a plan. He wanted to make one who could share all His glory and love He used to enjoy alone. That is, He decided to create and cultivate man on earth.

Once God planned this human cultivation, He had to deal with all the sacrifices. The betrayal of Lucifer, the sin of Adam, the flood of Noah, the judgment on Sodom and Gomorrah; whenever He encountered these incidents, He had to suffer. When watching human beings stained by sin, He had to mourn and lament. He also had to suffer from giving up His only begotten Son.

It is not true that God doesn't feel a thing when He judges sinners and when He is betrayed only because He is God and spirit. Whenever He dealt with such things, He shed tears, and He had to turn His face away to avoid watching things. As time went by, however, the children who understood the heart of God came out. Enoch, Abraham, and Moses; when a child of whole spirit came out like them. God was consoled.

Even tonight, God is searching with earnest eyes of expectation and hope. He looks at you and me, saying, "Who can understand My mournful heart and who can understand My heart of love?"

To understand God the Father truly is to understand His sacrifice and love. It is to ardently understand the heart of God who wants to save just one more soul and to give only the good things. Once you truly understand the love of God, it becomes great help and strength to cast off sin and evil and sanctify your heart. You don't constrainedly live your

Christian life not to go to hell or to avoid punishments.

You change your heart with joy to console the Father. Just as 1 John 2:14 says, the faith grows up to be the faith of fathers 'to know God who has been from the beginning.' As you can see, the gospel of holiness is the holy word that teaches you the fundamentals of God the Father, and the word of power to help you understand the love of God and change.

3. The gospel of holiness is the word to let you hope for heaven.

In 1984, it was the week of my birthday. God suddenly made me do 3-day fasting, and He said He would tell me about Heaven that I had prayed for. After the fasting, the amazing words came to me in the inspiration of the Holy Spirit. What kind of place Heaven is, how it is divided, what kind of life is lived there, what is the heaven, heaven of heavens, what is the third heaven that Apostle Paul saw; He explained all these.

He also told me that all the saved souls would not go to the same place, but that their dwelling place is decided by their measure of faith, and so is their rewards and glory. How their face, body, clothes look, how their houses are constructed, what rewards are given, how they live there; all of these things were explained. He didn't vaguely say it is good and beautiful place; He let me vividly feel Heaven as if I could see it and touch it.

Two-part series Heaven I & II, printed in 15 languages

Since Apostle Paul saw Paradise in the 3rd heavenly kingdom, he could rejoice and give thanks under the persecution and sufferings. For the Lord and the soul, he sacrificed his time, energy, and even his life, and he didn't regard it difficult. Today, many people say they believe in the Lord, but they live their lives for the things of the earth. However, we heard the gospel of holiness, and so we have vivid hope for Heaven, and live our lives for the things above. We are more interested in how to be sanctified and faithful, how to pile up more in the sight of God instead of seeking for riches and honors of this world.

Dear brothers and sisters in Christ, 33 years ago, when God the Father established Manmin church, He gave us vision of world ministry. Just as God was with the apostles followed by signs and miracles when they testified to the resurrection of the Lord, where this gospel of holiness was preached, God was always with us with great works of His power.

Just as the Lord commanded, "you shall be My witnesses both in Jerusalem, and in all Judea and Samaria, and even to the remotest part of the earth," I urge you to preach this gospel not only to your family, relatives, and workplace, but also your country and whole world. I pray in the name of the Lord that you will be in the praise, honor, glory of the Lord when the Lord embraces you.

With Signs, Wonders, and to Lead All Me

Proclaim God the Creator and

Signs and Wonders

Senior Pastor Dr. Jaerock Lee met the living God and believed all the signs and wonders written in the Bible completely. And he asked God to let him manifest them based on John 4:48 that says, "So Jesus said to him, 'Unless you people see signs and wonders, you simply will not believe.'"

1. Wonders 'Wonders' refer to God's works that control the weather, natural phenomena, and celestial bodies. Wonders move all things in the space including stars and control meteorological phenomena on the earth such as snow, rain, wind, clouds, temperature, and atmosphere pressure.

>> God 'Tailored' the weather during Summer Retreat

On August 1 in 1983, the first Manmin Summer Retreat was supposed to be held. But from the previous night, it poured with lightning and thunders. It did not look like it was going to stop raining. The church members prayed together asking God to stop the rain, and then they went down from the sanctuary on the second floor. As the first person stepped on the ground outside, the heavy rainfall turned into mist and lightning and thunders stopped.

In a retreat, the typhoon coming to the retreat venue changed its course, and in another a typhoon disappeared. During Sports Day, clouds came from all directions to protect the members from the strong sunshine or cool winds kept blowing. In 2015, especially, God let Manmin experience heavenly winds filling them with spiritual fullness. While heat wave alert was in effect nationwide, the members enjoyed the optimum weather, experienced the spiritual realm, and felt heavenly joy.

>> Extraordinary and marvelous rainbows and large swarms of dragonflies

On May 15, 1998, the first circular rainbow appeared and surrounded the sun in the sky over Manmin Central Church. Since then, the members have frequently witnessed many various extraordinary rainbows during the church's events including its branch churches' events. The shapes of the rainbows varied from circular rainbows around the sun, linear ones, and symmetry ones to comprehensive rainbows with several shapes together. As recorded in Revelation 4:3, there is a rainbow around God's throne, and it is also a sign of His covenant (Genesis 9:16).

From August 2006, big swarms of dragonflies started to appear during Manmin Summer Retreat. They became source of joy for the members because they came down from around the sun and sat and stayed on the members. It reminded them of a biblical incident of God sending quails in the book of Exodus, which increased the members' faith. Moreover, the dragonflies eradicated harmful insects such as mosquitoes and moths.

>> Typhoons caused no harm and heavy rainfall ended the long droughts

During the Philippine Crusade in 2001, the typhoon was driven away through Dr. Lee's prayer. Although it was rainy season, the outdoor crusade was successfully conducted in Luneta Park in Manila for four days. In 2005, when the hurricane Gustav was on the way to New Orleans, U.S., the members in the area asked Dr. Lee to pray. After his prayer, Gustav lost its power and died out.

In 2002, India was suffering from long lasting drought. When the church's mission team arrived at Chennai International Airport in Tamil Nadu for India United Crusade, it rained a lot during the period of crusade after the arrival, which ended the national drought. In 2009, when Israel United Crusade was held, Israel was having hard time due to severe drought. It caused the water level of the Sea of Galilee to drop to a very dangerous point. Then some media press asked Dr. Lee for a prayer. After his prayer, it rained heavily though it was dry season.

2. Signs 'Sign' refers to the works that show the sign of the Lord's or the Holy Spirit's involvement (Mark 16:17-18). Signs include such works as healing incurable diseases and driving away demons by prayer. The Lord's disciples and Apostle Paul manifested many signs.

>> The extraordinary miracles manifested through the handkerchief that Dr. Lee prayed on

As people carried handkerchiefs or aprons from Apostle Paul's body to the sick, extraordinary miracles happened (Acts 19:11-12). In the same manner, through the handkerchief that Dr. Lee prayed on, many great works of the Holy Spirit occurred. In September 1999, Pastor Taesik Gil led crusades in Pakistan with the handkerchief, and since then Handkerchief Crusades have been held in many places around the world.

Pastor Yuri Kalmykov in Israel received the prayer of handkerchief from Rev. Soojin Lee for his brother who was in the Intensive Care Unit in Russia. His brother had barely sustained his life with respirator, but after the prayer his heart became normal and after a few days he was discharged from hospital. Sister Lydia Godiz in the Philippines had a granddaughter who could not walk from birth, but after she received the

handkerchief prayer from Rev. Heesun Lee her granddaughter came to walk. Brother Jacob Otienou in Kenya fractured his spine but through the handkerchief prayer of Bishop Dr. Myeongho Cheong, he came to walk and jump. There are many other people who received healing and answers through the handkerchief of power.

>> Infertility and Down syndrome were healed, and fetus' gender changed by prayer

In Special Revival Meeting, 1993, particularly, tens of couples received the blessing of conception at the same time through Dr. Lee's prayer. And Senior Deaconess Okja Kim could not have a baby so she was ill-treated by her family-in-law. She even made a suicide attempt drinking pesticides. But through Dr. Lee's prayer, she was healed of pesticides poisoning and conceived a baby after 21 years of marriage.

Senior Deaconess Yunyeong Choi also came to have a baby after Dr. Lee's prayer. She and her husband founded a branch church in Japan and evangelized many couples who were suffering from infertility. They also received the blessing of conception. Such works are still occurring to many couples in and out of Korea.

Moreover, many fetuses that were categorized as a high-risk group of Down syndrome were born normal, and even the gender of fetuses changed by the prayer of power of re-creation.

>> Eradicated newly-discovered diseases including SARS, foot-and-mouth disease, swine flu, and Ebola

When the whole world was stuck with horror due to SARS in 2003, Deaconess Kuembok Choi in China was healed of it by Dr. Lee's prayer. In 2010, during the epidemic of foot-and-mouth disease, the members of Chuncheon Manimn Church received Dr. Lee's prayer transcending space and time. And it stopped and their livestock farms were protected safely.

In September 2009, Dr. Lee prayed for eradication of swine flu in Israel United Crusade. Then the spread of swine flu ceased in Israel. In September 2014, Mr. Sebastien Impeto Pengo, Governor of Equateur in DR Congo asked Dr. Lee to pray to eliminate Ebola virus in his country. Then the Ebola virus ended.

the 2015 Nepal Earthquake"

"I was a son in my mother's womb, but I was born as a daughter"

Power of Re-creation

The power of re-creation is the power through original voice as the light came into existence when God said, "Let there be light" (Genesis 1:3). It is the power that can recover things God created beautifully when they were destroyed and damaged. That is, the power can revive things dead and renew everything between the earth and heaven.

>> Followed God's will to become the Lord's witnesses to the remotest part

1 Timothy 2:4 says God desires all men to be saved and to come to the knowledge of the truth. The Lord also said to us, "But you will receive power when the Holy Spirit has come upon you; and you shall be My witnesses both in Jerusalem, and in all Judea and Samaria, and even to the remotest part of the earth" (Acts 1:8).

With the desire and request of God and the Lord in his heart, Dr. Jaerock Lee dreamed to be the Lord's witness through the power of the Holy Spirit. His goal was not just to establish a big church but also to spread the holiness gospel towards the whole world and lead countless people to salvation. In the middle of pursuing the goal, the church was selected as one of the World's Top 50 Churches by *Christian World* magazine.

From 2000, he conducted overseas crusades in many countries. He went to anywhere God told him to go, and he did not go to the countries where God did not tell him to go although people asked him to come. With Uganda Holy Gospel Crusade reported by CNN as the beginning, he constantly preached the holiness gospel to the world until he preached in Israel in 2009.

like cool winds overflowed!"
by people from 27 foreign countries

>> With the power of re-creation, God's love for souls' salvation

God's children who accepted Jesus Christ can become His true children if they become sanctified by the Holy Spirit's help. Such children are followed by the evidence showing that God is with them and then He is walking with them; the evidence is power. Power belongs to God (Psalm 62:11), and God gives this power only to His true children who are after His heart. In Manmin's history, such works of power have never stopped, and it is only getting stronger and stronger.

During overseas crusades, innumerable powerful works occurred, but it was just part of power. Since December 25 in 2010, the power of re-creation has been given so that the church can defeat antichrist in the end time. When the power is completed one hundred percent, the church will go to the world again and reveal God's glory. Also, the power of re-creation will cover Korean Christian society together with the holiness gospel, and then great works of repentance and revival will take place.

World Mission via Broadcasting, the Dream Came True GCN's 10th Anniversary

Global Christian Network was established for the spreading of the holiness gospel to the whole world and has now just celebrated its 10th anniversary. GCN broadcasts pure gospel and pure contents that include the word of life, prayer, testimonies, praise, various genres of performing arts and many educational programs. They are completely differentiated from other TV programs that darken the heart of people. Now covering approximately 170 countries all over the world, it brightens the heart of viewers with the love of God.

The walk of faith for souls On January 1 in 2000, he started 'Manmin TV' which was the forerunner to 'Global Christian Network (GCN)'.

From 2000, the church's overseas crusades were conducted and broadcast live via many broadcasters. In 2004, the Global Christian Network was established and on October 10 in 2005, GCN transmitted the first signal through the public channel No. 17 in New York. Since then the station has built up partnerships with many prominent broadcasters and broadcasts its programs via many public broadcast TV stations, satellite broadcasting, and cable transmissions in over 170 countries.

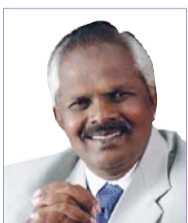

GCN's programs produced by those who owe love GCN's workers are all Christians. They serve all people of the world with the heart of broadcasting missionaries to repay the Lord's love they have received. They work with assurance of salvation and with hope for New Jerusalem.

There are various educational programs including performing and cultural arts performances as well as the programs with the word of life and powerful works for all ages. The God-given programs were full of life and happiness. They are available 24 hours every day.

Happy waves going through viewers' lives Many people have experienced their souls' prosperity and received answers and blessings through GCN programs. Many of them have visited Manmin Central Church in Seoul from many countries including the U.S., Israel, Switzerland, Russia, and Bulgaria.

Testimonies have been sent continually by many viewers. They experienced the power of God through Dr. Lee's message and prayer for the sick, and others accepted Jesus Christ and came to believe in Heaven and Hell through the programs.

Mr. Abraham Vincent,
Arulvaku GCN TV, India

I am the owner of Arulvaku GCN TV and we have approximately 1.2 million viewers in India. Many of them experienced the power of God through Dr. Lee's prayer for the sick. Demons went away from some people, others were healed of many diseases, and some others received the blessing of conception.

Sister Jone Schramm,
GCN viewer, USA

I happened to watch GCN while I was searching for channels on Glory Star Cable TV. I received great grace from Dr. Lee's message that told me to become sanctified and to live according to the Bible. I also enjoy watching the Spirit-filled performances and its differentiated programs.

Brother Anton,
TBN Russia viewer, Ukraine

I happened to listen to Dr. Lee's message via TBN Russia. I felt God's great love and received a lot of grace. Dr. Lee's sermon strengthened me to keep God's Word in my life. As my heart was renewed, I received great blessings in my business.

Sister Maria Hema Ciera Satos,
Enlace TV viewer, Colombia

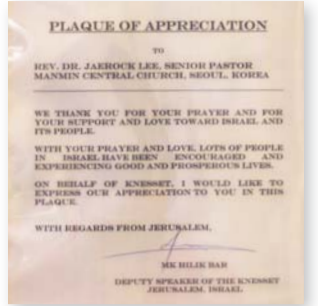

I watch Dr. Lee's sermon programs every week through Enlace TV, the leading broadcaster in Spanish speaking countries. Through them, I realized that a true Christian life is to achieve the heart of the Lord. Furthermore, I was healed of diseases that had troubled me for seven years.

“Thanks to Your Love and Prayer, Many Israelis Lead Healthy and Prosperous Lives”

Mr. Hilik Bar, the Deputy Speaker of the Knesset

I still have the memories in my mind of the Multicultural Festival led by Dr. Jaerock Lee in Israel in September 2009. It was held in the International Convention Center (ICC) in Jerusalem and broadcast live all over the world. It was a joy for many people in Jerusalem, and contributed to promoting friendly relations between Israel and South Korea.

At that time, Israel was in a difficult situation internationally. Dr. Lee asked viewing audiences all over the world to visit Israel. I have not forgotten his love and consideration for Israel. I would like to extend my thanks to him.

Israel had also been suffering from water shortage for the past a few years. Dr. Lee prayed for it to rain, and it rained a lot and the Sea of Galilee was filled. We could enjoy the following winter with happiness.

I also experienced amazing power of God manifested through Dr. Lee personally. When I first met him, I was a member of the Jerusalem City

Council. But after I received his prayer, I continued to get promoted and currently I am a member of the Knesset and the Deputy Speaker of the Knesset. It was God's grace and blessing that were given to me after I met Dr. Lee and Manmin Central Church.

I am well aware that my beloved Dr. Lee and Manmin members are always praying for Israel and Jewish people with love. I give thanks to all of you.

Your love and prayer encouraged Israel, and we are now living healthy and prosperous lives. On behalf of the Knesset of Israel, I extend my heartfelt thanks.

Manmin members are like my family, so I really like to visit the church and to pray for Jerusalem and Seoul.

I pray that the close relationship between South Korea and Israel and between Jerusalem and Manmin Central Church will be continuously developed.

ISRAEL

Manmin Central Church kept the vision for Israel ministry, which was in God's providence, and the Church piled up innumerable amounts of prayer for it. Finally, on July 25 in 2007, Senior Pastor Dr. Jaerock Lee held the first meeting in Nazareth where Jesus grew up. With the meeting as the beginning, he visited Israel twelve times during the period of three years and delivered the love of God all over the nation.

In 2009, he conducted Israel United Crusade in the ICC, Jerusalem. It was aired all over the world through 22 broadcasters. Dr. Lee proclaimed that Jesus

Christ is our only Savior. He also performed with the power of God the Creator. Countless people listened to his message and received healing and answers. God was greatly glorified.

Now there are 12 branch churches and 20 associate churches in Israel. Dr. Lee's messages have been delivered to people in Israel through CMTN, TBN Russia, CNL, Holy God TV, and Rodnoy; his books in English, Russian, Hebrew, and Arabic such as *The Message of the Cross* and *Awaken Israel*; and *Manmin News* in those languages. God's providence for Israel is being underway.

The Second Take-off Stage, from 2000 to 2009

“...you shall be My witnesses... even to the remotest part of the earth” (Acts 1:8).

Overseas Crusades Overflowed with Explosively Powerful Works

In March, 2000, a ‘work of creation’ occurred when the water from the sea in Muan, South Korea was changed into sweet drinkable water. In July of the same year, the church began conducting overseas crusades in earnest. The first one was The Uganda Holy Gospel Crusade that was reported by CNN (Cable News Network), and crusades continued to be held and Senior Pastor Dr. Jaerock Lee preached in Japan and Pakistan (2000); Kenya and the Philippines (2001); Honduras and India (2002); Russia (2003), Germany and Peru (2004), and DR Congo and the U.S. (2006).

In July 2007, the Israeli ministry that the church had prayed for since its opening, finally started. From Nazareth, where Jesus grew up, Dr. Lee went from one area to another. They included Bethlehem and Jerusalem. He preached the holiness gospel and manifested the powerful works all over the nation. His ministry strengthened the Messianic Jews’ society. In September 2009, the Israel United Crusade was held, bringing both orthodox Jews as well as Messianic Jews together. In the International Convention Center, Jerusalem, Jesus Christ was proclaimed as our only Savior.

In 2004, the WCDN was organized, and in 2005 GCN started up, adding the literary media ministry through publication of books and a newspaper that the church had become actively engaged in.

The First Take-off Stage, from 1982 to 1999

“Arise, shine...” (Isaiah 60:1) Great Revival like that in the Early Church and Devotion for the National Evangelism

On October 10th 1982, according to God’s Word telling them to offer up the Church’s Foundation Service ‘when grains and fruits became ripe and there was the first frost of the year’, the church had its Foundation Service. Their motto was “Arise, shine” (Isaiah 60:1).

In May 1986, Jaerock Lee was ordained as a pastor and then he was invited to many revival meetings all over the country. The number of the church members kept increasing. In January 1987 the church numbered 3,000 and by March 1991 it reached 10,000.

Meantime, the church met with persecutions from the parent denomination and the country. The persecutions were allowed by God, and served as the foundation for the national evangelism and the world mission.

In July 1991, the church was organized as ‘The United Holiness Church of Jesus Christ, South Korea’ and played a key role in many Christian events such as the ‘92 World Holy Spirit Explosion Crusade and the Peaceful Re-Unification Jubilee Crusade for the 50th Anniversary of Independence. In 1993, the church was selected as one of the “World’s Top 50 Churches” by *Christian World* magazine (US).

In May 1993, the Special Revival Meeting started as an annual meeting. Many people came from in and out of Korea and experienced the Holy Spirit’s works. Also, by conducting overseas meetings in Washington D.C., L.A., and Hawaii in the U.S., Tanzania, Japan, and Argentina, the church laid a foundation for the world mission. In June 1996, the church relocated its sanctuary to the present one (the fifth one) as the number of members increased.

In 1998 and 1999, the church was faced with three great trials but it was a chance to fulfill the law with love and strengthen the foundation of the church’s growth. The unimaginably great blessings that God gave to the church afterwards assured the members that all the trials were for God’s blessings.
