“Full of the Holy Spirit’s Power!”

Various Kinds of Healing Works Were Manifested

From November 10 to 24, Rev. Heesun Lee, Manmin World Guidance Pastor delivered the love of God by visiting the branch churches in India, Nepal, Hong Kong, and Taiwan on behalf of Senior Pastor Dr. Jaerock Lee. Left, Rev. Heesun Lee, the branch churches' members (middle), the new sanctuary of Nepal Manmin Church and Chennai Manmin Church (Right)

In November of 2015, Rev. Heesun Lee, Manmin World Guidance Pastor paid a visit to four countries in Asia.

On November 10, 2015, she departed in Incheon International Airport. On November 12, she led the Delhi Manmin Church's 3rd Anniversary and Handkerchief Healing Meeting. The Power Chorus performed traditional Indian dance and praise in the Hindi language. Then, Rev. Heesun Lee preached the message about true faith. The attendees received Dr. Jaerock Lee's prayer through the recorded video and then Rev. Heesun Lee prayed for them with the handkerchief (Acts 19:11-12).

Brother Papu, age 23, regained vision in the right eye that had become blind. Sister Minu, age 27, was healed of enuresis and a kidney stone; Brother Satici, age 11, of anemia and anasarca; and Sister Minadevi, age 47, of hepatitis C. In addition, many others testified to their healing. Sister Jipijikyasu's family members came with longing

for the meeting all the way from Maharajganj Uttar Pradesh, which is 1,000km away from Delhi. They were healed of diabetes and walking disorder.

On November 14, Nepal Manmin Church had its 10th anniversary service with the sanctuary relocation service. It was a very meaningful day because the church and its 196 branch churches had been protected in the Nepal Earthquake 2015. Rev. Heesun Lee delivered the message under the title of "Love". She urged them to understand each other and not to forget God's grace. In the following handkerchief healing meeting, Deaconess Joseph Taman, age 34, said, "My father was a Buddhist monk but he converted to Christianity. He attended this meeting and received a lot of grace. He told me that he would start to pray."

Sister Keibi Rai, age 36, stated, "My wife used to insist on her opinion all the time, but after realizing the love of God she became gentle. My father-in-law could not

walk well due to coxodynia (hip joint disease) but he came to be completely healed and gained faith. He said his hardened heart was melted with the love of God."

On November 15, Rev. Lee gave a lecture on the keys to the church's revival in Nepalese Pastors' Seminar. Pastors and leaders of Manmin's branch churches in Nepal gave the plaque of appreciation to Senior Pastor Dr. Jaerock Lee, and Nepal Manmin Church, to Rev. Heesun Lee.

On November 17, Rev. Heesun Lee led the 11th Anniversary Service and Handkerchief Healing Meeting in Chennai Manmin Church in India. She preached the message and prayed for the members with the handkerchief. Brother Jhonsi, age 9, had polio so his ankles were bent. But after the prayer his ankles were straightened. Sister Jagadeshwari, age 33, was healed of otitis media (an acute ear infection) that had troubled her for 30 years. Sister Papita, age 14, was healed of thyroid inflammation and Deaconess Indira,

age 44, was healed of high blood pressure and complications caused by diabetes.

On November 18, Rev. Lee met pastors in Chennai. The pastors remembered the India United Crusade 2002 and expressed their gratitude to Dr. Jaerock Lee.

In particular, the southern part of India at this time was inundated with heavy rainfall and a typhoon. It was the heaviest rain fall in 40 years. It caused the airports to be closed and 70 people to die, but before Rev. Lee arrived at Chennai, the typhoon changed its course, it stopped raining, and the airport reopened.

On November 20, she visited the members in Hong Kong, and on November 22, she led Taiwan Manmin Church's 23rd Anniversary Service and Fullness of the Holy Spirit Prayer Meeting. The members in Taiwan had prepared with relay fasting and prayer for the meeting, through which they received many blessings and answers to their prayer titles.

Senior Pastor Dr. Jaerock Lee

“But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law” (Galatians 5:22-23).

Fruit of Gentleness

For example, Moses was acknowledged by God for his gentleness. Numbers 12:3 says, “Now the man Moses was very humble, more than any man who was on the face of the earth.” The number of the sons of Israel was more than 600,000 adult men. Including women and children it would have been much more than 2 million. Leading such a number of people in itself would be a very difficult task for an ordinary person. The Israelites complained and stood against Moses even though Moses showed them such great power. Just by seeing the fact that Moses led such people in the wilderness for 40 years, we can understand how gentle Moses had been.

Matthew 5:5 says, “Blessed are the gentle, for they shall inherit the earth.” Here, to inherit the earth does not mean you will receive a piece of land on this earth. It means that to the extent to which you accomplish gentleness, you will receive a large piece of land in Heaven.

Even though you have a very big piece of land on earth, you cannot take it to Heaven. But if you receive land in Heaven by accomplishing gentleness, it will be your eternal inheritance. In that place you can spend happy moments forever with the Lord and those who are dear to you.

2. Spiritual gentleness is like good soil

Spiritually, a gentle heart is likened to the good soil. If a man has a lot of evil, his heart is hardened like the soil of the roadside and he cannot accept the truth. Even if he hears the truth and receives God’s grace, he soon has doubt and the grace pours out from him as he forsakes the grace to gain worldly things. But even this kind of heart-soil can be changed into good soil if the person diligently works to change it.

Even the most barren land can be changed into a good soil if the farmer cultivates it diligently. Just as the characters of the field can be changed, men’s hearts can also be changed by the power of God.

Even the hearts that are hardened like the field along the road can be plowed by the help of the Holy

Spirit. Even the hearts that have a lot of evil can be changed into a gentle heart once the evil is cast away. Even hearts full of envy, jealousy, quarrelling and other forms of evil can become mild and gentle. The more you cultivate your heart this way, the more of the fruit of gentleness you will bear.

But your heart cannot be changed automatically just because you have received the Holy Spirit. There must be your own effort, too. You have to pray continually and fervently and try to think, speak, and act in truth in all things. You should not give up after several weeks or months, but you have to keep up your effort until the end. When you show this kind of effort, God will consider it and give you His grace and power, and the Holy Spirit will help you.

As you cultivate your heart-field into good soil, you will automatically bear other fruits of the Holy Spirit, too. But gentleness is more closely related with the plowing of the heart-field. You cannot become gentle unless you cast away hot-temper, hatred, envy, greed, quarrelling, boasting, self-righteousness, etc. With such characters of heart, other people cannot find rest in you.

That is why gentleness has a closer link with sanctification itself than other fruits of the Holy Spirit. If you have spiritual gentleness, you will receive answers to anything you ask, just like you get good fruit when you sow in a good field. You will also hear the voice of the Holy Spirit clearly so you will prosper in all things.

3. The spiritual gentleness with virtuous generosity

First, virtuous generosity appears as dignified and moderate actions. Those who are just mild all the time without proper discernments cannot accept others. They will be looked down upon and used by others. Likewise, those who have both gentleness and virtuous generosity have a proper standard of judgment. They do what is righteous by discerning what is right and wrong correctly.

When Jesus purified the Temple and rebuked the hypocrisy of the Pharisees and the scribes, He was very compelling and stern. He has

a gentle heart so as not to ‘break a bruised reed or snuff out a smoldering wick’, but still He rebuked the people harshly when He had to. If you have such dignity and righteousness in heart, people cannot look down on you even though you never raise your voice or try to become stern.

Outward appearance is also related to possessing the manners of the Lord and the perfect deeds of the body. A virtuous person has dignity, authority and importance in his words; he doesn’t carelessly speak meaningless words. He puts on appropriate clothes for each occasion. He has mild facial expressions, but not brusque or cold faces. He who is virtuous and generous will do everything with uprightness, and he also has the consideration to make people feel comfortable.

Next, virtuous generosity shows as actions of mercy and compassion. They not only help those who are in financial need but also those who are spiritually weary and weak by comforting them and showing them grace.

For example, suppose there is a believer who is suffering from persecutions for her faith. Here, some leaders feel compassion only in their hearts. On the other hand, some other leaders encourage and comfort her and also help her according to her situation. When the gentleness shows on the outside as virtuous deeds, it can give grace and life to others.

Dear brothers and sisters in Christ, when things do not go as they want, some people say, “I can’t help it because I was born like this.” But those who believe in God must not speak such words. We can change the characters and even inner heart by the works of the Holy Spirit.

Even short-temperedness, boasting, self-centered minds and strong self-righteousness can be changed in nature resulting in a gentle and virtuous heart if the evil is cast away and the heart is cultivated. Even very introverted and timid characters can become bold and generous to help many others.

I hope you will diligently cultivate your heart and bear the beautiful fruit of gentleness so that you will become a great vessel like Moses.

Generally, people say that one is gentle when he has mild and temperate personality. But the spiritual gentleness God recognizes is not just about being soft and mild. Then, of the nine fruits of the Spirit, how is one to achieve this fruit of ‘gentleness’?

1. It is having the heart to understand and harbor all people

Spiritual gentleness is to have wisdom and the ability to discern between the right and wrong while at the same time understanding and accepting everybody because there is no evil in such people. Namely, it is to have virtuous generosity coupled with a mild and temperate character. If you have this virtuous generosity, you won’t just be mild all the time, but you also have dignity when necessary.

The heart of the gentle person is as soft as cotton. If you throw a stone at cotton or poke it with a needle, the cotton will just cover and embrace them. Likewise, no matter how other people treat him, a gentle person will not have hard-feelings in his heart toward them. Namely, he doesn’t get angry or have discomfort. Also, he does not cause others to experience discomfort, either. He does not pass judgment or condemnation, but understands and accepts others.

People will feel comfort from such a person so many people can come and find rest in him. It’s just like a big tree with many branches so the birds can come, nest and rest in the branches.

Those Who Have Experienced God's Love and Power

When you live by the Word of God, you can receive answers to whatever you ask for, you will also be healed of incurable and terminal diseases without any medical treatment, and you will also be freed from infirmities. Also, you will be protected from any kind of diseases, accidents, and disasters under the love of God.

“I Am Now Happier Since I Recovered Good Hearing Ability”

I had a problem in my right ear for ten years, and my doctor said I had lost 40 percent of my hearing ability. I often failed to understand what other people were saying. I had heard and watched many Manmin members being healed of their diseases in Manmin Summer Retreat, so I also wanted to receive healing in Manmin Summer Retreat as well.

In March 2015, during Sunday Morning Service, I was listening to the sermon “Whole Tithe and Proper Offerings”. I realized that I had not given a tithe of my housing mortgage loan. So, I immediately gave 2,000 euro that I had actually set aside for a visit to South

Korea for Summer Retreat. I decided to give the rest when I withdraw my installment savings the following year.

In August 2015, I visited Korea to attend Manmin Summer Retreat 2015, and I finally experienced amazing power! On the first night, while I was receiving Dr. Jaerock Lee's prayer for the sick, I received the fire of the Holy Spirit on my ears and abdomen several times. Then, my right ear came to hear well. Hallelujah!

Now I can hear others say and listen to music well. I am so happy because I now have no problem in my daily life. I give all thanks and glory to God who healed me.

“I Was Healed of Inflammation of My Finger in Just Three Days”

In May 2015, under my right thumb, inflammation developed. It didn't get any better even after a month. A sore oozed under my nail and it became thick. It was spread to the inside of my nail. The nail was about to come off. There was no medicine of any use.

As a pharmacist, I had to formulate medications and write prescriptions. The inflammation caused many problems. In July, I went to a dermatologist and the doctor told me that I should receive freezing treatment for more than six months until new skin grows. I had no pain, but I

could not use my hand working with medicines and doing house chores. It was very uncomfortable and I felt troubled too.

But an amazing thing happened to me on the day after I received Dr. Jaerock Lee's prayer for the sick during Manmin Summer Retreat in August 2015. I felt something under my thumb nail. The scabs started to come off. In two days, they completely came off leaving no trace. Through Dr. Lee's prayer, I was completely healed only in three days. Hallelujah!

Deaconess Hyeok Jeong, age 51, Parish 9, South Korea

“I Was Healed of Chronic Rhinitis”

Ten years ago I began suffering from rhinitis. My nose was stopped up so I habitually breathed through my mouth. So I used to be out of breath even while I was eating. Due to my nasal voice, I even had a hard time communicating with others. Some friends teased me.

Of course, I had heard many testimonies of the church members who were healed of their diseases through Senior Pastor's prayer but nothing came to my mind. Although I had attended church, I preferred hanging out with my friends and playing games. My faith had not increased. But even to such a boy like me, God did not spare His abundant grace.

Shortly before Manmin Summer Retreat 2015, God gave a longing into my heart. I came to have a desire to attend the retreat because it was the last one I could attend as a high school student. I also wanted to be healed like other believers who had been healed.

I even volunteered with joy; I went to the retreat beforehand as an advance group member and carried luggage and cleaned the places happily.

On August 3, when Dr. Lee prayed for the sick, an astounding work happened to me. When I received his prayer with faith, cool winds came into my nostrils. At the moment, runny nose stopped and I was healed of rhinitis. Hallelujah!

Brother Taewon Yoon, age 19, 12th grader of Students Sunday School, South Korea

“A Fist-sized Cyst Was Gone through a Powerful Prayer”

Four years ago, I felt pain in my side. I got an ultrasound at a hospital. The doctor told me that there was a cyst next to liver. And he added that such a cyst sometimes subsides or disappears naturally. He suggested watching it more. Afterwards, I had no pain so I did not take it seriously. In October 2015, my stomach felt abnormal. In November, the cyst became as big as a fist and was painful.

I had previously experienced the healing work of appendicitis through the prayer of the handkerchief that Dr. Lee had prayed on (Acts 19:11-12). I wanted to be healed

of this too. I listened to Dr. Lee's messages through GCN (www.gcntv.org) and prayed with them. Whenever I had pain, I received his prayer for the sick several times through Automated Response System.

Then, my abdomen turned red and I felt like something was moving violently inside of my abdomen. I went to bathroom and a great amount of liquid came out of my abdomen. Hallelujah! I now feel comfortable because the cyst was gone and my abdomen became normal. I give all thanks and glory to God who healed me through the powerful prayer.

Deaconess Byunghee Song, age 83, Parish 21, South Korea

“Wow! The Blindness in My Eye Cleared and I Could See!”

When I was 17, I fought with my friends. Someone struck me on the head with an iron pipe. Afterwards, for ten years I lost the vision in my left eye little by little until finally I lost my vision completely.

The doctors said that blood vessels related to eyesight were all cut, and the eye started to go blind. They said it was incurable. I couldn't help quitting my job, and I even got depression because of discomfort caused by one eye. I lived in dissipation drinking alcohol, gambling, and carrying on with women.

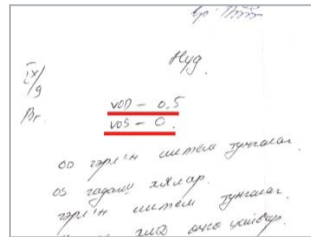

In April 2010, my daughter, who had married a Korean, asked me to come to Korea and stayed there. In September 2010, I was guided to Manmin Central Church. I also got a job, but it was quite a heavy labor and I started to have a backache in November 2014. Later it affected my right leg and I could not move it well. The hospital said I should get a surgery but I had to go back to Mongolia because my visa expired in February 2015.

Since then I attended Mongolia Manmin Church. I looked back upon myself in every worship service and Daniel Prayer Meeting. I prayed for my healing, but also I made up my mind to cast away sins and evil in my

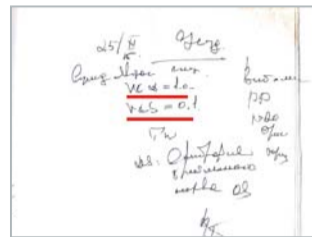

heart as I was taught through the Word of God. I fasted and prayed for it.

On October 31, 2015, I attended the Handkerchief Healing Meeting held in Mongolia Manmin Church (Acts 19:11-12). Missionary Potzorig Purub prayed for me with the handkerchief on which Dr. Jaerock Lee had prayed. I felt the fire of the Holy Spirit in my back, and then pain in my back and right leg was gone and I came to move my legs freely. Moreover, I started seeing with my left eye again. Hallelujah!

Now I even can read books. I feel like I was dreaming. Thank You, God!

“My Shops Were All Protected from Fire”

My wife and I were looking for the word of life. In the meantime, in 2009, we happened to see Dr. Jaerock Lee of Manmin Central Church on TBN Russia. We have listened to his messages through the website www.manmin.org. On Sundays, we joined the live-broadcasting service of Manmin Central Church.

As we walked the right path in our business and we obeyed the Word telling us to do, not to do, to keep, and to throw away things, we received many blessings in our business. Now we are running several shops in the Barabashawba Shopping Mall. Our tithe has also increased. Feeling so grateful, we visited Manmin Central Church in South Korea in February 2014. There we became filled with the Holy Spirit and enjoyed ourselves. Recently, we felt God's love greatly once again.

On November 14, 2015, there was a massive fire in the shopping mall where our shops are. The Mall consists of two big buildings and the two were connected by a small bridge. The fire was so big that it seemed to spread in a moment. The building 2 was almost burnt to ashes. The 150 shops were all burnt. This fire was moving towards the building 1 where our shops were. It was so urgent

that we weren't able to think about contacting the central church in Seoul. We just prayed, “Father God, protect us in the space of the shepherd.”

Then, an amazing thing took place. Although the fire came quickly, my shops were not affected. Even all products displayed were perfectly protected. Hallelujah!

As Senior Pastor wishes his members to stay away from poverty, diseases and disaster, we were protected perfectly in Ukraine. I give all thanks and glory to God who renewed our hearts with the holiness gospel and led us to the way of blessings.

“My Car Was Turned Over, but I Didn't Get Hurt at All”

On September 21, 2015, I was driving and forced my way into a lane change. My car bumped a big truck. It bounced off and crashed into the median strip. It flipped over! I got out of the car through the broken window. The car had many broken parts, and things flying out of the car.

However, I did not get hurt at all. Even there was no trace of the accident on my clothes or shoes. I felt so grateful. I was sent to hospital by ambulance and first of all, received Dr. Jaerock Lee's prayer through Automated Response Service (822-830-5320). The CT and MRI scans showed that I was perfectly normal from head to toe.

This accident allowed me to look back upon my

lukewarm Christian life. I also realized that I changed lanes because I sought my own benefits without considering others. I give all thanks and glory to God who protected me in the big accident and gave me the realization.
