This Book Helps You Lay the Foundation of Faith

Dr. Jaerock Lee's Students' Bible Study Book 7, *Manna Time*

After we accept Jesus Christ and attend church we start to live the life of a believer. The foundation of this life can be laid through receiving the Helper the Holy Spirit as a sign of salvation. Furthermore, in a believing life we must keep the whole Sabbath, give the whole tithe, worship in spirit and truth, and pray unceasingly. In doing so we should then start sharing love with God.

The book that explains this process of laying the foundation of faith has been published. It is titled *Manna Time*. The book was published as one of Dr. Jaerock Lee's 'Bible Study Book Series for Students'. It is the 7th in the series. It was published on February 26, and the contents consist of things necessary for students who are trying to lay their foundations of faith.

There are four parts and 21 chapters: Part 1, "With the Holy Spirit"; Part 2, "The Proper Way to Keep the Sabbath"; Part 3, "The Secret to Blessings, the Tithe"; and Part 4, "True Service, Prayer, and New Start!". This book will serve as treasure-like guidelines to lay a firm foundation of faith.

The Opportunity of Blessings, Special Daniel Prayer Meeting

It Begins on February 29 and Lasts for Six Weeks with Live Broadcasting World-wide

Daniel Prayer Meeting is held every night (with the exception of Friday) in Manmin Central Church, and broadcast via GCN and the internet (www.gcntv.org). People in branch and associate churches in and out of Korea join in the Meeting and they seek to achieve the heart of the Lord through the prayer. This prayer meeting has served as the passage-way to receiving God's answers and blessings.

In Daniel 10, Daniel humbled himself before God and prayed earnestly for three weeks to receive God's answer. In doing so he eventually received it. A single session is three weeks which symbolizes Daniel's three-week prayer. The double session will be offered up as a Special Daniel Prayer Meeting for six weeks from February 29 to April 10 in 2016 under the leadership of Manmin Prayer Center President Boknim Lee.

In 2016 the third stage of take-off has started in earnest. In this rapid flow of whole spirit, Special Daniel Prayer Meeting's main theme and prayer title is "Fill Up the 1% of the Measure of Justice".

Mark 9:23 says, "If You can? All things are possible to him who believes." Jeremiah 33:3

reads, "Call to Me and I will answer you, and I will tell you great and mighty things, which you do not know." With the Word in their hearts, the members will receive God's great answers and glorify Him.

The two-session Special Daniel Prayer Meeting will begin by receiving Senior Pastor Dr. Jaerock Lee's prayer at 9 P.M. on Monday, February 29 (Korean standard time, GMT+9).

The Award Ceremony is to be held on April 10. The preliminary praise will start at 8:40 P.M. every night led by Performing Arts Committee's members. From Monday to Thursday, the meeting is held from 9 P.M. to 11:40 P.M.; on Saturday and Sunday till 11 P.M.; and on Friday, the Friday All-night Service is offered. Moreover, anyone can join in praying through the church's website www.manmin.org.

Manmin members from all over the world have received God's answers and blessings by praying in Daniel Prayer Meeting (Photo, Special Daniel Prayer Meeting in 2015: the members from the branch churches in India, Nepal, and Thailand were praying in Daniel Prayer Meeting).

Senior Pastor Dr. Jaerock Lee

“For if I preach the gospel,
I have nothing to boast of,
for I am under compulsion;
for woe is me
if I do not preach the gospel”
(1 Corinthians 9:16).

The Duty to Evangelize

great command and His last word given to people on the earth.

In Acts 2, the Lord’s disciples who witnessed the Lord’s ascension got together and prayed, and at Pentecost they experienced the fiery works of the Holy Spirit and became filled with the Holy Spirit. Peter received the Holy Spirit and power and then he began preaching the gospel boldly. As a result, through him, around three thousand people repented a day and they received baptism in the name of Jesus Christ.

Mark 16:20 says, “And they went out and preached everywhere, while the Lord worked with them, and confirmed the word by the signs that followed.” During the days of the early churches, through the Lord’s disciples, signs and wonders were greatly manifested and the number of people who were saved increased. So, many churches were established, not only in Jerusalem, but also in Judea, Samaria, and even in Greece and Rome.

Today if we obey the Word of the Lord, receive the power, and pray to become His witness, we can then lead countless souls to the way of salvation. God will let you know the right way to evangelize people in the works of the Holy Spirit and answer your prayer for those who suffer from diseases and family problems. Then you will be able to bear abundant fruit.

2. Evangelism will become heavenly glory and rewards

God is love, so He cherishes a soul more than all things and sent His only begotten Son so that all people can be saved. He desires that even people living in sins and evil hear the gospel, repent, and reach salvation. That is why He gave the duty of evangelism to those who heard the gospel and received salvation.

1 Corinthians 1:21 reads, “For since in the wisdom of God the world through its wisdom did not come to know God, God was well-pleased through the foolishness of the message preached to save those who believe.” As said, only when there are people who preach the

gospel will others be able to listen to the Word, possess faith, and reach salvation (Romans 10:14).

Because Apostle Paul had received the wondrous grace and love of forgiveness of our Lord, he was burning with the desire to spread the gospel. Paul felt that if people could not receive salvation only because they couldn’t hear the gospel, it was his fault. In an earnest desire to bring back even one more single soul to salvation, day after day Paul spread the gospel.

As his heart was filled only with the desire to bring salvation, Paul could praise and give thanks to God even when he was being beaten or while he was imprisoned. Then God did His work. He freed Paul from the prison, allowed for the jailer and all his household to be evangelized and for churches to be built even in Europe (Acts 16).

Whether or not people hear it, you must at least spread the gospel. If people do not receive the gospel even after you have preached it to them, the wages of sin will eventually come upon them and they will receive death. If people who could have received salvation ended up going to Hell only because you failed to spread the gospel to them, God will feel very disheartened. That is why Apostle Paul said, “...for woe is me if I do not preach the gospel.”

God is pleased when we lead many people to the way of salvation and He will repay the effort with heavenly glory and rewards. Daniel 12:3 says, “...and those who lead the many to righteousness, like the stars forever and ever.” Luke 15:7 reads, “I tell you that in the same way, there will be more joy in heaven over one sinner who repents than over ninety-nine righteous persons who need no repentance.”

3. Through evangelism many people will be led from Hell to Heaven

Hebrews 9:27 reads, “And inasmuch as it is appointed for men to die once and after this comes judgment.” If one dies, it is not the end! The judgment still awaits him/her. Anyone who hears the gospel

and receives salvation will enjoy eternal life and blessings in Heaven as a child of God. All others will fall into Hell and receive eternal punishment.

Even though Lazarus was a poor man, he feared God and when he died, Lazarus was carried away by the angels to the Upper Grave. But the rich man did not fear God and when he died, he fell into the Lower Grave (Luke 16). The suffering and agony for the rich man was so great that he wished Lazarus to ‘dip the tip of his finger in water and cool off his tongue.’ The rich man will suffer in the Lower Grave until he enters Hell through the Great White Throne Judgment.

After the Judgment, he will suffer more forever in Hell. He asked earnestly of Abraham to send Lazarus to his brothers on the earth so that they could repent and revere God. He thought they might repent if a person who experienced death like Lazarus went to them.

However, a person with a hardened heart will not accept the gospel even when someone who experienced death appears and preaches the gospel. This is because they do not want to acknowledge God (Romans 1:28).

God the Creator prepared Jesus Christ from everlasting to save all people. When the time came, He opened the way of salvation so that anyone can receive salvation through Jesus Christ.

If we believe in God the Creator, Jesus Christ, Heaven, Hell, and the Judgment, how could we not preach the gospel! Therefore, we should live by the Word of God and try hard to pray and preach the gospel so that many people including our brothers, sisters, children, neighbors, friends, and relatives will reach salvation.

Dear brothers and sisters in Christ, do you diligently try to preach the gospel in season and out of season with the heart of God who desires all men to be saved? I pray in the name of the Lord that you will have fervor for souls’ salvation in the works of the Holy Spirit and bear a lot of fruit.

Apostle Paul said, “For if I preach the gospel, I have nothing to boast of, for I am under compulsion.” When someone is “under compulsion” to do something, he must do it; there is no way for him to avoid it. Preaching the gospel is something we must do. Let’s look into the reasons why it is important to preach the gospel and evangelize people.

1. Evangelization is a great command of our Lord

Jesus was crucified without sins to fulfill His duty as the Savior and overcame death and resurrected.

And He encouraged His disciples, saying in Matthew 28:19-20, “Go therefore and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit, teaching them to observe all that I commanded you; and lo, I am with you always, even to the end of the age.” In Mark 16:15-16, He also said to them, “Go into all the world and preach the gospel to all creation. He who has believed and has been baptized shall be saved; but he who has disbelieved shall be condemned.”

Before ascending to heaven, the resurrected Lord also said, “But you will receive power when the Holy Spirit has come upon you; and you shall be My witnesses both in Jerusalem, and in all Judea and Samaria, and even to the remotest part of the earth” (Acts 1:8).

As stated, evangelism is the Lord’s

“Give the Joy of Salvation and True Happiness to Your Precious People!”

Heaven is full of happiness. But what if you could not see your loved ones there? It would be so regretful. Now let's hear about the story of a man who was healed of a rare disease and evangelized his family and relatives. Through the family's testimonies, we can think about the meaning of evangelism through which the power of God and true happiness are delivered.

In July, 1991, Elder Hongki Park was a man in early thirties who was working day and night as a national civil servant. One day he collapsed in his workplace and was rushed to the hospital. He had pollution disease. There was no way to cure his disease although he used all kinds of folk remedies as well as modern medicine. While struggling against the disease for seven years, the house head, who had been responsible and faithful, became bony, and he often felt an urge to finish his life.

Meantime, in 1997, he found out *Manmin News* put in the door of his house and then Dr. Jaerock Lee's testimonial memoirs *Tasting Eternal Life before Death* in the bookstore.

She said that then I would be able to pass the test. I had already failed seven times, so I was half in doubt but I told her to do it," said Elder Ku.

Then, Elder Ku passed the test with a high score on the test, and after this incident he registered in the church in August 2002. His mother had hurt her back long time ago and her backbone protruded a lot. Due to this, she had suffered from severe pain. But through Dr. Lee's prayer, her protruding bone went back to its normal place. Elder Ku witnessed this amazing work.

Because he had loved his mother and she was healed, he made up his mind to lead an appropriate Christian life. He stopped what he had liked to do such as table tennis, billiards, baduk, go-stop and he also quit drinking. And he attended every kind of worship services and prayed. As he worked faithfully for the kingdom of God, he received constant blessings from God in his tax accountant office. Glorifying God, he tried to evangelize other people.

been told that she would die because colorectal cancer had been transferred to her lung and lymph gland. But after she received Dr. Lee's prayer she was healed and is still living a healthy life as a Christian.

Meantime, Elder Hongki Park's testimony caused a happy ripple in his wife's family. Senior Deaconess Mihyung Cho his wife, her parents, and her siblings all accepted the Lord and registered in the church.

"I felt like something was attracting me to one book. It caught my eyes and I read it all night. Like me, the author had suffered from diseases for seven years but he was healed after he accepted the Lord. I read it with tears and runny nose and then I became assured that I would be able to be healed," said Elder Hongki Park.

In May of the same year, he attended Special Revival Meeting of Manmin Central Church and received Dr. Lee's prayer. He was completely healed of pollution disease. This was known by his relatives.

"Hyunsuk, Hongki who had waited for death was healed through the prayer in church. Have you heard about it? I am attending the same church." Deaconess Jungsuk Lee is Elder Park's cousin and was guided to the church by him. She guided her sister Senior Deaconess Hyunsuk Lee to Friday All-night Service, and there she saw the church filled with the Holy Spirit like the Early Church. She, in turn guided her husband Elder Pyeongseo Ku who was working at National Tax Service at that time.

"At that time I wanted to catch even a straw. Then Elder Ku said with so much confidence that if I had faith the disease that I had was nothing," said Deacon Ihee Song.

In April 2004, Deacon Ihee Song was spending hopeless days due to hepatitis B he had. He met Elder Ku in the club he belonged to in his workplace and was guided to Friday All-night Service of the church. After he received Dr. Lee's prayer for the sick following his sermon, the symptom was completely gone.

Seeing him having been healed, his wife Deaconess Minsuk Jang also registered in the church, and she was healed of knee arthritis and general inability to maintain her health. Her daughter, Youngmi was healed of bronchial asthma and her family also registered in the church. In September 2014, Deaconess Hyunok Shin was guided to the church by Deacon Song. She had

"My brother-in-law who had been very successful was waiting for death, and my sister was struggling to earn money instead of him. Thinking of them in those days, I still shed tears. Now all my family members were saved through him. How thankful it is!" said Senior Deaconess Hyehyung Cho.

Senior Deaconess Hyehyung Cho, Elder Park's sister-in-law also received many blessings. Her children used to be often sick but now they no longer need to go to hospital. And she was also blessed to work as a Lord's worker.

Deaconess Jinhyung Cho, another sister-in-law of his also experienced the power of God. She suffered from pregnancy outside of the uterus and her fetus was categorized in the high risk group of Down syndrome. But after she received Dr. Lee's prayer, she delivered a healthy baby. And her baby was also healed of atopic dermatitis. Moreover, Deaconess Youngmin Jung his wife's younger brother's wife was healed of dermatitis allergy to roses.

The people who Elder Park guided to the church have been blessed in every matter. Above all, they are filled with hope that they will live together forever in the most beautiful heavenly place New Jerusalem. Let's give all thanks and glory to God of love who led them to the way of blessings and salvation.

"The Tax Account Exam was around the corner. My wife said that she would take my photo and receive Senior Pastor's prayer."

“I Preach in Season and Out of Season Because God Is Alive”

Deacon Keumhyun Kim, age 54, Gwangju Manmin Church, South Korea

“Heaven, we should go there with many people!” In Gwangju Manmin Church, before we finished Daniel Prayer Meeting, all members together shout this phrase. By doing so, we think about our duty to spread the gospel and make up our minds. I am a leader who shouts the phrase first.

Evangelism has become the focal point of my life. When I see some empty seats in church, I feel very sorry and think about how to fill them. I profess to the Lord, “Lord, I want to fill the seats for You.”

Although I try hard to evangelize people, it is still nothing because I received a lot of grace from God.

I started my business when I was 36 years old, but I failed after nine years and lost health and the people around me also left. All I had was debt. I began to work as an insurance planner, but I was swindled by a customer and lost tens of thousands of dollars. It was impossible for me to restart something. As I was deceived by others, I could not trust anyone.

In 2009, I was guided to Gwangju

Manmin Church by a customer, and I was healed of Meniere’s disease (a disorder of the inner ear that can affect hearing and balance, leading to ringing in ears and losing hearing ability) and ankylosing spondylitis. I also could stop drinking and smoking.

Moreover, not long after I accepted the Lord, I was also healed of the third stage of non-Hodgkin’s lymphoma (photo, right). I was nothing, but the Lord loved me so much. When I sang praises, I could not stop the tears from flowing

down from my eyes.

When I saw people on the street, I thought, ‘Do they attend church?’ So, I started to distribute *Manmin News* every Saturday and testified to God whom I had met.

On Sunday morning, I picked up the elderly members, believers with weak faith, and newcomers to church and home. And I prayed, “God, let them experience You as I met You.” When my fervor appeared to cool down, I thought to myself, ‘I was renewed just as Lazarus came back to life. It doesn’t make sense.’”

I gave Dr. Jaerock Lee’s book *Tasting Eternal Life before Death* to the owners of the hair salon, the laundry shop, and the clothes stores that I regularly went to. When I sold an insurance product, I still tried to spread the Word of God and our church of life to other people. I am trying to spread the gospel in season and out of season.

When I don’t preach the gospel, I feel like I am a bad person since I know there are Heaven and Hell. Isn’t it natural for Christians to spread the gospel? These days, I memorize the Bible verses in my car on the way to work and returning home. It is because I realized that I should arm myself with the Word of God in order to evangelize a lot more people and lead them to this church.

In the past, I lost hope for life and considered suicide, but now I am spreading God the Creator and Jesus Christ and living a blessed life with hope for Heaven. I give all thanks and glory to God.

“I Have Experienced the Power in the Worship Service via the Internet”

Sister Janet Dubray, age 55, France

In December 2010, one of my friends gave me *Manmin News*. I received a lot of grace, so I visited the website of the church and listened to Senior Pastor Dr. Jaerock Lee’s Lectures on Genesis. The message filled my spirit fully, and it tasted sweeter than honey comb. I listened to many sermons and even some of them repeatedly many times.

Due to the time difference, Sunday Morning Service starts at 3:30 A.M. and Sunday Evening Service at 7 A.M. so it was not easy to attend the worship services of Manmin through the Internet live

broadcasting. Moreover, I had to work even on Sunday because I work at a French Airport. But by the grace of God my boss allowed me to attend, so I could offer up Sunday Services.

Also, I stopped taking medicine for high blood pressure that I had taken for the last ten years, and I was healed of complications. And after I received the prayer for my losing weight, I lost 12kg, and now weigh 55kg and maintain the weight. My coworkers felt very curious about why I had been changed. I told them about the grace and blessing that I had received and said that

I wanted them to experience the works of the living God.

I talked about Senior Pastor’s books and his powerful works, and encouraged them to listen to his message via GCN’s website. One by one started to learn about Manmin, and they offered up the Internet live services together and even experienced the power of God.

Sister Chunghwa Ryu was healed of excessive bleeding, Brother Phil of dermatitis, Sister Lilu of varicose veins and seborrheic dermatitis,

Sister Janet Dubray with the brothers and sisters she evangelized (second line, third from right)

and Sister Jibet of protruding bone fracture. The number of people increased by more than 10, and we made a place where we can gather and offer up the service together. We decorated it as a sanctuary. I hope that more people will meet the living God and the Lord of love through the word of life and the powerful works. Hallelujah!
