A Wondrous Sign of the Living God, Muan Sweet Water of Power!

the world.

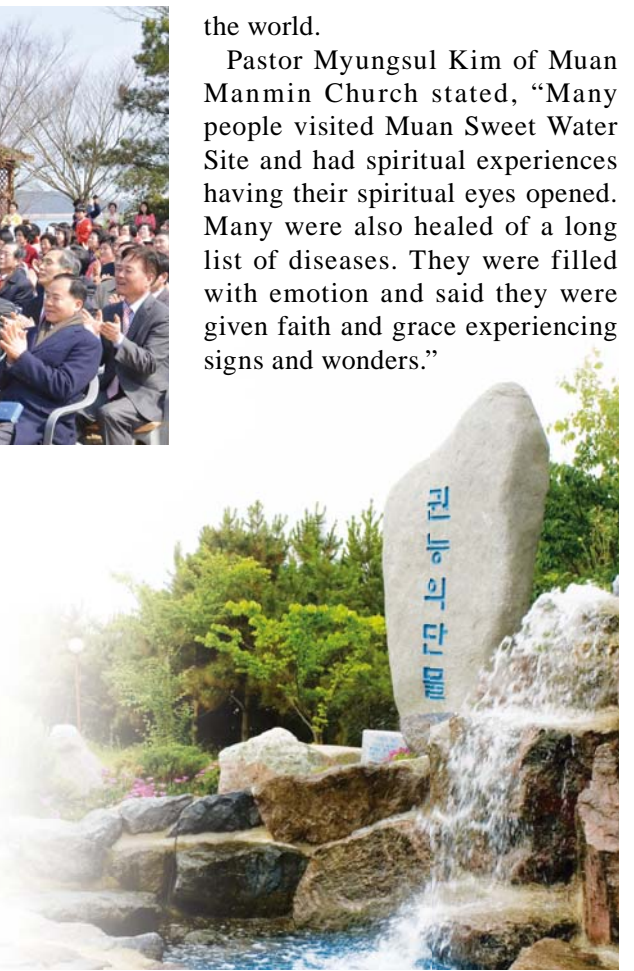

Pastor Myungsul Kim of Muan Manmin Church stated, "Many people visited Muan Sweet Water Site and had spiritual experiences having their spiritual eyes opened. Many were also healed of a long list of diseases. They were filled with emotion and said they were given faith and grace experiencing signs and wonders."

Exodus 15:25 recounts the work of God where bitter water at Marah was changed into sweet drinkable water. In March 2000, the same work took place through the space-and-time-transcending prayer of Senior Pastor Dr. Jaerock Lee. Through his prayer, the water from the sea in front of Muan Manmin Church located in Haeje-myeon Muan-gun, S. Korea, was turned into sweet drinkable water. It is Muan Sweet Water.

Muan Manmin Church was established on an off-lying island linked to the inland through a reclamation project. There was no potable water to drink. They dug a well and had access to ground water, but the water was too salty to drink. The church members started to pray

remembering the work of God written in Exodus 15:25. God recognized their deeds of faith and accepted Senior Pastor Dr. Jaerock Lee's prayer. And He performed the powerful work transcending space and time.

Through the prayer, salty seawater changed into sweet drinkable water, and Muan Manmin Church's problem of water to drink was resolved. Moreover, when people used the water with faith, they could receive healing of their diseases and dying animals and plants came to life. They could also fulfill their hearts' desires (more on page 4). Afterwards, Muan Sweet Water Site was called the 'Site of Power'. It has been visited by many Christians from all areas of Korea and all over

The 16th Anniversary Service and Celebration Performance were held

At 11 A.M. on March 3, Muan Sweet Water's 16th Anniversary Service and Celebration Performance in Muan Manmin Church in Korea's Muan, Jeonnam Province were offered.

The Speaker Pastor Dongcho Shin, Manager of United Holiness Church of Jesus Christ delivered the message titled 'Glory' based on John 13:32. The Crystal Singers and Sound of Light Chorus of the Performing Arts Committee presented a variety of performances and gave great joy and emotion to the attendees. It was attended by many guests from organizations and groups of Haeje-myeon Muan-gun and local people. Together they gave glory to God.

A mystifying aquarium where seawater fish and freshwater fish live together

In Manmin Central Church, Muan Sweet Water is available all the time. It is transported from Muan regularly. Also, there is a Muan Sweet Water Aquarium where seawater fish and freshwater fish co-exist (Photo: Senior Pastor Dr. Jaerock Lee praying in the opening ceremony).

Seawater fish and freshwater fish survive in different qualities of water. They can live only in the water with proper salt concentration. They also have different capabilities to react to the changing environment. Such conditions make it

very hard for them to coexist in the same water. However, in the water tanks of Muan Sweet Water Aquarium there are 86 kinds of fish in total: 37 kinds of seawater fish such as angel fish, butterfly fish, surgeonfish, lionfish, blowfish and 49 kinds of freshwater fish such as arowana, tambaqui, cichlid, carp, and catfish.

Deacon Euitaek Kim, manager of Muan Sweet Water Management Committee stated, "Many marine experts and fish lovers came and were amazed by the management of the water and the fish's conditions in the Muan Sweet Water Aquarium. They said it is a 'dream-like fish tank'. There are some fish whose farming is very hard, but the conditions of the fish are very good and they are active."

US Food and Drug Administration proved Muan Sweet Water's safety and excellence

Muan Sweet Water was confirmed of its safety and excellence through experimental analysis and testing that were conducted by U.S. Food and Drug Administration. It is rich in minerals and calcium; the calcium content in particular is three times higher than a globally renowned spring water. In 2010, Muan Sweet Water gained the qualification to be exported to USA by passing all the additional tests of the FDA. In 2013, Muan Sweet Water trademark was registered in the US Patent and Trademark Office.

Dr. Seungsik Kim, Research Team of Muan Sweet Water Management Committee said, "Muan Sweet Water is very rich in minerals so it works for the healing of various diseases and for the growth of animals and plants."

Senior Pastor Dr. Jaerock Lee

“This is the message we have heard from Him and announce to you, that God is Light, and in Him there is no darkness at all” (1 John 1:5).

The Power of Light

to damage to nerve cells. But with the ‘power’ of God any kind of disease or infirmities can be cured.

God may give the gifts of healing to those who have accumulated a great deal of prayer with love for souls and are proper in His sight, although they may not yet have become completely sanctified. But if they stop seeking God’s glory and use the gifts improperly seeking their own benefits, God will take these gifts of healing away.

Unlike such gifts, the power of God is given only to those who have already achieved sanctification and accumulated a great deal of fiery prayers. Because they have no evil in their hearts, the power of God that was once given to them will neither weaken nor disappear. It means that they would never take advantage of the power to flaunt themselves or for their personal benefit. After they have accomplished sanctification, they come to endeavor to reveal only God’s glory and try all the more to achieve the heart of the Lord. That is why they can perform great works.

3. The four levels of power of God who is Light

1) Red light: the power that burns diseases with the fire of the Holy Spirit

The fire of the Spirit works through the red light, and it heals diseases by burning germs, viruses, and bacteria. That is, it cures diseases like cancer, lung diseases, diabetes, leukemia, kidney diseases, joint inflammation, heart diseases, and AIDS. But this fire of the Spirit that belongs to the first level of power can seldom heal such diseases as late-stage cancers that went beyond the limit for life God has set. A higher level of power is needed in order to heal such diseases and to regenerate dead or degenerated body parts whose abilities and functions were lost.

2) Blue light: the power to drive out darkness

The blue light of the second level of the power drives away darkness from those who are possessed by demons and suffer from Satan’s work. It can heal all neurological diseases or mental diseases including autism as well as mental disorders, neurosis, and nervous breakdowns caused by the dark forces.

Sometimes signs can be manifested in this level of power that occur when

the cases are diseases or infirmities caused by demons or the forces of darkness. Here, ‘infirmities’ include the inability to see, hear, and talk that the blind, deaf, and mute suffer and the degeneration of body function such as in the case of the results of polio. The ninth chapter of Mark shows us that a deaf-mute boy was made whole after Jesus drove out an evil spirit from him.

This second level of power, in accordance with the will of God, can summon spirits of people that have died or take away souls of people who are alive. Apostle Paul revived Eutychus who had been dead; Peter cursed Ananias and Sapphira, who had deceived the Holy Spirit, and they breathed their last; and evil young lads were killed by bears by Elisha’s curse (Acts 5 and 20; 2 Kings 2).

3) White light: the power of the work of creation

The third level of power brings forth the work of creation and all kinds of signs through white light. ‘Signs’ are the works that cause the blind to see, the mute to speak, the deaf to hear, the lame to walk and jump, and those with polio or cerebral palsy to be made whole. Additionally, the third level of power makes possible the body parts that were deformed or crippled since birth to be regenerated; it makes degenerated parts whole; causes broken bones to set and mend; it allows for missing bones to be created; and connects severed tendons.

So, through this level of power eyes of the blind recover their vision, ears that are impaired come to hear, and rotten or malfunctioning internal organs can be recreated.

4) Golden light: the powerful works that happen transcending space and time

The golden light of the fourth level of power brings about the works that change the weather because the light rules over and controls all things. Even nonliving things obey this level of power. The winds and the surging waves became calm when the Lord Jesus rebuked them. The things of nature and nonliving entities such as the winds and the sea obeyed Jesus’ words (Matthew 8).

The fourth level of power causes the works transcending space and time to take place. A Canaanite woman

implored Jesus to heal her demon-possessed daughter. Then, when she returned home the demon had been driven away by His power. Jesus walking on the water also shows that all things are under His authority. By prayer a torrential downpour stopped, and carbon monoxide was driven away from those who were suffering from the effect of carbon monoxide poisoning.

4. The Most High Power of Creation

The works Jesus performed belong to a higher level of power than the fourth level of power. It is the power of God the Creator called the ‘Most High Power of Creation’. It is not the power that creatures can receive from God but is the power that comes from the original light that God gave out when He was alone before the beginning. The power unfolded when Jesus revived Lazarus who had been dead for four days (John 11).

If we cast away every form of evil, achieve the heart of whole spirit, and keep filling ourselves with spiritual knowledge that is limitless, we can attain to the level of the Most High Power of Creation that is shown at the divine level. After the accomplishment of the power, amazing works of creation can be manifested just as God created the heavens and the earth and all things in them by His Word.

When one with such power commands the crippled to get up and walk, they can immediately rise, walk, and jump. Wounds that have become putrefied or gangrenous can be instantly renewed. This is because the works are manifested through the light and sound of God, who existed alone before the beginning. When the boundless power of creation mingled with the light is exercised, even people who have already exceeded their life limits and people who couldn’t be healed by the fourth level of power can be cured.

Dear brothers and sisters in Christ, do you want to receive the Holy Spirit and the power and become the Lord’s witness all over the world as recorded in Acts 1:8? I pray in the name of the Lord that if you become holy by the Word and prayer, and you attain such a level you can and shall receive the power so that you can lead countless souls to the way of salvation with a longing for the second coming of the Lord.

If one manifests the power that only God can perform, it clearly reveals that such a person belongs to God (Psalm 62:11). When the light of power comes upon people through such a person of God, the enemy devil and Satan and any forces of darkness have no choice but to go away, all kinds of life’s problems are resolved, and diseases and infirmities are healed by the light. God’s power has a few different levels and each different level of power shines different lights, and thus, the kinds of work that are manifested according to its level also varies.

1. Definition of spiritual power

What is this ‘power’? It refers to the authoritative power that is bestowed by God to those who have cast away every form of evil and become sanctified. Speaking allegorically, a driver has ‘ability’ to drive his car and a police officer has ‘authority’ to stop the car. Thus, power is different from authority, and when authority is given to him who can perform miracles, we can say he has received power from God.

2. Differences between the ‘Gifts of Healing’ and ‘Power’

Those who do not understand the power well, think it as being the same as the gifts of healing. But power and gifts of healing are totally different.

The ‘gifts of healing’ as recorded in the 12th chapter of 1 Corinthians, heal diseases primarily caused by germs. This gift cannot heal people whose body features have degenerated or those who cannot hear and speak due

The Confession of Faith

Temptation Comes Across People Who Do Not Pray

God's children who received the Holy Spirit must unceasingly pray for the Holy Spirit to give birth to spirit in them (1 Thessalonians 5:17). Only when they are provided with spiritual strength through prayer can they receive blessings of their souls' prosperity, everything going well and good health. Jesus, who came to the earth to become the Savior, showed the good example of prayer. He urged us saying, "Keep watching and praying that you may not enter into temptation" (Matthew 26:41). So, what are the reasons temptation comes across people who do not pray?

◆ First, when we do not pray we cannot receive the Holy Spirit's guidance

The Holy Spirit leads believers to live by the Word of God, the truth (John 16:13). He helps our weakness, intercedes for us with groans that words cannot express and enables us to overcome the world (Romans 8:26). To receive His help, prayer is absolutely necessary. Only when we pray will the Holy Spirit warn us of impending temptations, tell us of ways to avoid such temptations, and help us overcome temptations even if they should come our way.

Temptations come across people who do not pray because they fail to distinguish the will of God from the will of man, become enticed by their worldly desires, and suffer from hardships because they are unable to overcome temptations. It is worldly desires that conceive and give birth to sin, and the wages of sin is death. God cannot protect people who continue to sin. As much as people have sinned, the enemy devil

brings them times of temptation and suffering (James 1:13-15).

Some people claim that God dropped them into temptation though it was a result of their own faults. However, statements like these are acts of bearing a grudge against God and such individuals cannot overcome temptations and do not leave any room for God to work for their good.

At times, the God of love corrects His beloved children so that they do not go down the path to destruction and allows them temptations so that they can repent and turn from their ways. When people understand the heart of God, repent of anything wrong within them, and keep praying with joy and thanks, God will see their faith and surely answer them.

Thus, we should pray fervently all the time to receive the correct guidance of the Holy Spirit.

◆ Second, when we do not pray it will be hard to follow the desire of the Holy Spirit

Although we know the truth and receive the Holy Spirit's guidance, if we do not have spiritual strength, we cannot follow the Holy Spirit's desire and God's will. For instance, you may see some believers who had attended church for a long time suddenly stopped attending. Most of the time, they did not pray or they stopped praying for quite a long period of time.

When difficulties come to their household or business, they may lose heart. Although they know they should rejoice always and give thanks in everything, because they have no spiritual strength to do so, they often fail to act upon the truth. Then, they may return to the worldly ways and things of the world without relying on God. When temptations come, they cannot cast them away and eventually return to their old ways of life.

It is hard to cast off our fixed habits and fleshly attributes with our own will. For that reason we need to receive God's grace, strength, and the Holy Spirit's

help. Then, we can watch over and control our hearts.

Satan constantly agitates untruthful things in people's thoughts, and thereby tries to make them leave God (1 Peter 5:8-9).

If you do not sway at all in Satan's temptations, he will go away. If you sway even a little, he will keep giving you temptations. He will try to make you doubt and not believe God, make you be lazy in your believing life and cause you to follow dissipation. Ultimately he will make you go towards the world and commit sins. Therefore, God's children must drive away the evil schemes of the enemy devil and Satan and pray diligently to win in the name of Jesus Christ.

Nothing is impossible for God, and everything is done according to our faith, which is the spiritual law. Thus, let's keep watching and praying in the Lord and thereby receive the Holy Spirit's grace and power and enjoy blessings of souls' prosperity, everything going well, and good health.

"The rice crop was about to fail, but it turned into a good harvest!"

Deaconess Junghwa Kim, age 33, Parish 21, South Korea

I have been engaged in rice farming for ten years. We used a machine to sow seeds in the seedbeds for the first time, and then moved them to the rice paddy. But there were many empty parts without rice plants. Our rice crop was about to fail.

We planted rice plants in the empty rice seed plots spaces but it was too late. I was worried but a testimony flashed through my mind. It was about a believer who had a good crop harvest by using Muan Sweet Water. So we poured Muan Sweet Water on our rice paddy and committed it to God with faith. And during harvest season, we discovered that it was much better harvest than ever before. We received the greatest blessing. Hallelujah!

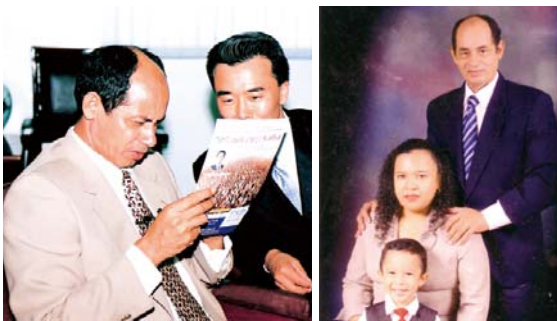

Deaconess Byeongrye Lee (Gwangju, Jeonnam, Photo 1) sprayed Muan Sweet Water on seedlings of cabbages and sowed them. She regularly sprayed Muan Sweet Water instead of fertilizer and agricultural pesticides. As a result she reaped very big and healthy cabbages. Deacon Myungwook Heo (Icheon, Gyeonggi, Photo 2) sprayed Muan Sweet Water while growing peppers and he was able to get many good and big peppers. Deacon Junghee Cho (Anseong, Gyeonggi, Photo 3) watered around 20,000 chicks with Muan Sweet Water that were about to die and they became healthy.

Believers Experienced Amazing Works through Muan Sweet Water

For 16 years, Muan Sweet Water has been a messenger of God's love by allowing Manmin members in and out of Korea to experience God's power. When they use the water with faith, they could receive healing of various diseases, recover eyesight, heal animals and plants, and fix broken machines. A few of their testimonies are here.

“My eyesight improved and I gained a son”

Pastor Hector Milhan Mahiya, age 68, Klama Prayer Center, Honduras

When I visited Muan Sweet Water Site, I was given faith that my eyesight would improve if I applied Muan Sweet Water. I applied it on both my eyes three times. Then something like scales felt like they were coming off my eyes. After this happened, I could see better. I was able to read even very small letters that I had not been able to read without eye glasses. I was so pleased that I threw away my glasses right away although I had worn them for ten eyes. Furthermore, I received Dr. Jaerock Lee's prayer for blessing of conception since I had no child and I was blessed to have a son.

“Burns were healed quickly and double eyelids formed”

Deaconess Kyungja Park, age 55, Parish 31, South Korea

I took a stick of rice cake that had been kept in the refrigerator and put it in the electronic fryer. When I turned it over, there was a loud bang and the hot oil was sputtered towards my face and my body. I sprayed Muan Sweet Water at once and received Dr. Lee's prayer for the sick recorded on Automated Response System, so I had no pain at all. I continued to spray Muan Sweet Water on

the scalded parts. Dr. Lee prayed for me with his hand on my photo. Then, it was healed quickly, and in only ten days my face became normal. Furthermore, God gave me beautiful double eyelids!

“Painful shingles was gone”

Elder Busam Kim, age 59, Parish 6, South Korea

I suddenly felt very severe pain that was like flesh being cut on my neck and right arm, and it was itchy. As I scratched it, blisters formed and burst, which caused me a lot of pain. I went to hospital and there I found out

Before

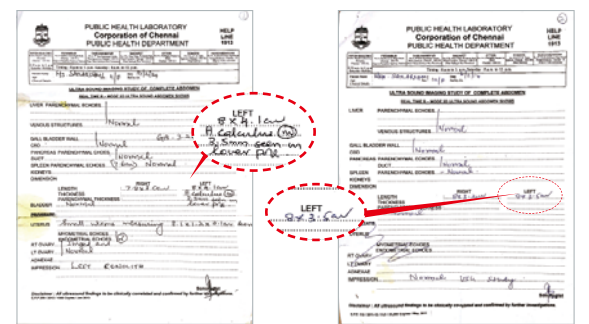

After

that shingles had spread even to the back of my head. I was in very critical condition. I repented in Daniel Prayer Meeting. During the meeting, Manmin Prayer Center President Mrs. Boknim Lee prayed for me with the handkerchief (Acts 19:11-12). After the prayer, I no longer felt itchy and scabs started to form on the affected parts. Afterwards, whenever I felt pain, I sprayed Muan Sweet Water and fasted and prayed. Meantime, pain was all gone and the parts that were affected all healed completely.

“A kidney stone in me disappeared”

Sister Sailashmi, age 14, Chennai Manmin Church, India

I suddenly felt such a serious stomachache that I could not keep my feet or even sit still. My CT scan showed a stone in my kidney. The doctor told me that the stone was so big that I should have a surgery. But because I wanted to receive healing by faith, I prayed and drank Muan Sweet Water. I also received Pastor Joseph Han's prayer of the handkerchief that Dr. Jaerock Lee had prayed on (Acts 19:11-12). After then, all my pains disappeared. Not long after that I had a CT

Before the prayer: 3.5cm stone in her left kidney
After the prayer: no stone in her left kidney

scan and it revealed that there was no stone in my kidney. I became healthy (on the left in the front line) and feel so happy to glorify God with praise and dance in the church's events as a member of Children's Dance Team.

“We don't need to go to hospital and broken machines were fixed”

Deaconess Sodam Kim, age 43, Parish 19, South Korea

By applying and drinking Muan Sweet Water and receiving Dr. Jaerock Lee's prayer, my daughter and I were healed of itchy sensations, eye infections, cough, and high fevers. We no longer needed to go to the hospital.

One day my CD player was broken. I tried various ways to fix it with but nothing worked. I was about to give it up. Then a testimony came through my mind that a church member fixed a broken machine with Muan Sweet Water. I sprayed Muan Sweet Water and prayed. I pushed the 'play' button. Amazingly, it worked!
