NO. 502 JULY 31, 2016

“Go into All the World and Preach the Gospel to All Creation”

Manmin Central Church’s 34th Anniversary of Its Opening

Manmin Central Church celebrated the 34th anniversary of its opening. On July 25, 1982, thirteen people, including 4 children, offered up its opening service, and since then the church has endeavored to lead all people of all nations to salvation just as its name Manmin means all people of all nations (Photo 1).

The church greatly revived and the number of registered members reached three thousand within four years. The motive power was in Senior Pastor Dr. Jaerock Lee’s word of life and signs, wonders, and powerful works manifested through fervent prayer.

After having suffered from many diseases for seven years, he met the living God and he was called as a pastor. He focused only on the Word and prayer. Because he satisfied the justice through countless periods of fasting and prayer, the church was able to experience great works of

revival even from the opening just like the Early Church experienced.

In July 1991, Manmin church organized a new denomination, the United Holiness Church of Jesus Christ, Korea, and started to strive for national evangelism. Dr. Lee worked as Co-chairman of ‘92 the Holy Spirit World Explosion Crusade’ and acted as the manager of arranging committee of ‘95 Jubilee Crusade at the 50th Anniversary of Korea’s Independence (Photos 2, 6, 9). In the meantime, the church laid a foundation in the world mission. During several trials that came to the church, they passed all in goodness, and many of the members came forth as ‘wheat-like’ believers. God’s blessings were added all the more and the church became known to the whole world.

In 2000, starting with the second stage of take-off, the church began conducting many overseas crusades.

Beginning with the Uganda Holy Gospel Crusade reported by CNN (Photo 8), Manmin held crusades in Japan, Pakistan, Kenya, the Philippines, Honduras, India, Russia, Germany, Peru, DR Congo, USA, Israel, and Estonia. In the crusades Dr. Lee preached about God the Creator and Jesus Christ. He also manifested the explosive power of God (Photos 3, 4, 5, 7).

In late 2010 the rapid spiritual flow began in the providence of God for the end time. On the flow of spirit and in Dr. Lee’s sacrificial love, the church members started in earnest to put more effort into achieving a sincere heart in full assurance (Hebrews 10:22). It was the beginning of the third stage of take-off.

Manmin has grown up to be a global mega church in 34 years under the grace of God. Now it has approximately 10,000 branch and associate churches (Photo 6), and

has greatly accomplished the world mission through GCN (www.gcntv.org) that covers around 170 countries, Dr. Lee’s books translated in 61 languages, Manmin International Seminary, and World Christian Doctors Network (Photos 10, 11, 12, 13).

Through the handkerchief of power (Acts 19:11-12), Muan Sweet Water (Exodus 15:25), and the prayer for the sick recorded on Automated Response System, countless people throughout the world have received healing, answers, and blessings. Through all these, God’s providence for all people of all nations at this sin-filled end time will be achieved all the more greatly.

At 3 P.M. on Sunday July 24, the 34th Anniversary Service of the Church Opening and Celebration Performance were held. Pastor Dongcho Shin preached the message entitled “God-pleasing Church” based on Isaiah 60:1-3.

Senior Pastor Dr. Jaerock Lee

“Now faith is the assurance of things hoped for, the conviction of things not seen”
(Hebrews 11:1).

The Treasure of Treasures Is Faith

2. What is faith that is the treasure of treasures?

Firstly, spiritual faith is the faith given by God from above.

There was a father who wanted his son to be set free from demons. Mark 9:23-24 says as the following. Jesus said to him, “If You can? All things are possible to him who believes.” Immediately the boy’s father cried out and said, “I do believe; help my unbelief.”

Here when the father said, “I believe,” and “help my unbelief”, they are different kinds of believing. He heard about the power of Jesus, so he first had faith as knowledge thinking Jesus could heal his son. But because he did not have spiritual faith to believe from the heart, he asked Jesus to help his unbelief.

God gives us spiritual faith when we walk in the Light according to God’s words. If we say, “Lord, I believe” without living by His word but in sins, then it is a lie (1 John 1:6).

If we truly believe that God is alive, we will have the deeds of obeying His commandments. Faith without deeds is dead faith (James 2:17), and with dead faith nothing can be accomplished.

Secondly, spiritual faith is the faith to obey even the impossible things.

If you have spiritual faith you can obey the commands of God, even if it doesn’t agree with what you think. It’s because you believe that God is the loving Father who gives you only the best things. Also, you believe God is wiser than you and He has greater power than you, so you can obey relying on His wisdom and power.

When God commanded Abraham to offer his son Isaac, if Abraham had had fleshly thoughts, he would never have been able to obey. He believed that God had a reason when He told him to offer his son Isaac, and he also believed that even if Isaac died, God would revive him. God was so pleased with the complete obedience of Abraham. God fulfilled all His promises given to Abraham.

The history of Manmin was also that of obedience and trust. God says ‘go’, then we go, and God says ‘stop’, and we stop. He tells us to help the needy and do missionary works and we just do them. Even though we didn’t have enough money, we trained pastors as He urged us. I proclaimed the spiritual realm knowing there would be persecutions from others. We just obeyed the will of God unconditionally and immediately, and God took all the responsibilities.

Thirdly, spiritual faith is unchanging faith no matter what the situation.

In any hardship, or even if a long time passes, spiritual faith never changes (Mark 11:24; James 1:6-7). The promises of God are certainly fulfilled. But sometimes the time that God wants and the time that men want can be different. God who knows everything fulfills everything at the most appropriate point in time.

We have believed without changing since the opening the providence of God given to this church. Our ways were not always easy. Not being able to see just an inch ahead, we were afflicted in every way. But the church committed everything into God’s hands giving thanks in prayers. After some time, the plan of God in allowing the trial was revealed.

We came to establish a new denomination based on the five-fold gospel of holiness. We were recognized more by other church councils, and held many overseas crusades and seminars.

The fruit of revival continued, and in 1993, we were selected as one of the top 50 churches in the world. We were accelerating our ministries when we had another major trial in 1998 and 1999. Some of the pastors and Levites were no longer able to hide their unrighteousness in the church, and they left the church in groups. Meanwhile they created false rumors to slander the church and deceive the members. They even spread such rumors to the church councils of Korea and the press of the world. But even before this trial

had begun, God let me know that it would come. God told us it would not result in disaster or hardship, but blessings that were coming upon us at the speed of light.

Blessings and glory were confidently proclaimed every week in the sermons. After the three trials, in Muan Manmin Church in March 2000, a work of creation took place. The well that was giving out only salty sea water began to pump up fresh water. From the Uganda crusade in 2000, the era of overseas crusades began, and the explosives works of power began being unfolded all over the world. Many people did away with idols and converted. There were many people who were healed through the broadcast ministry, as well.

From 2007, as God commanded us at the opening of the church, we began to preach about Jesus Christ in Israel, ‘the remotest part of the earth’. The WCDN (World Christian Doctors Network) and MIS (Manmin International Seminary) were established to make our vision more concrete. The broadcast ministry opened wide through GCN, and more publications were carried out in many countries. We were enabled to spread the holiness gospel and the works of God’s power to all corners of the world.

Dear brothers and sisters in Christ, since the opening of the church, God has always been with us. He has always blessed us and allowed for us to be prosperous. The glory of God has been revealed greatly thus far, but the works of God that will be manifested from this point on will be so much more glorious. Many church members will ride on the flow of changes that are even faster. The church councils that have been filled with sins and departed from God will also rise together with our church through the works of the Holy Spirit. I ask you all to be able to stand before God having faith like pure gold in this hope. I pray in the name of the Lord that you will all become noble and precious instruments of God.

The Confession of Faith

1. Manmin Central Church believes that the Bible is God-breathed Word that is perfect and flawless.
2. Manmin Central Church believes in the unity and the work of God the Trinity: God the Holy Father, God the Holy Son, and God the Holy Spirit.
3. Manmin Central Church believes that we are forgiven of our sins only by the redeeming blood of Jesus Christ.
4. Manmin Central Church believes in the resurrection and ascension of Jesus Christ, His Second Advent, the Millennium, and the eternal heaven.
5. Members of Manmin Central Church confess their faith through “The Apostles’ Creed” each time they come together and believe in its content verbatim.

“[God] Himself gives to all people life and breath and all things.” (Acts 17:25)

“And there is salvation in no one else; for there is no other name under heaven that has been given among men by which we must be saved.” (Acts 4:12)

“God Is Wonderful! The Holy Spirit’s Works Are Still Happening”

Pastor Hyukhee Cho,
1st Grand Parish Pastor,
Manmin Central Church

My brother Pastor Daehee Cho was told that he would die because of tuberculosis in the third stage, but he was healed through Senior Pastor Dr. Jaerock Lee’s prayer. I was guided to the church by him in the fall of 1983. It was Friday All-night Service. I shed tears when I listened to the message because it felt so sweet and mysterious. I was convinced that this church is a ‘living’ church. Afterwards, I was also healed of Rheumatoid arthritis and I was so happy.

Even then, great signs, wonders, and powerful works constantly occurred in the church through Dr. Lee’s prayer, and the church members were so filled with the Holy Spirit that they frequently cried out in their prayers. The church was around 33 square meters in size but it was filled with the sound of praise and prayer all the time (Photo, the first sanctuary in Shindaebang-dong). Many people heard about the church and came to be healed of their diseases and infirmities such as aftereffects of stroke, cerebral hemorrhage, polio, and demon-possession. They were healed and glorified God.

People filled the church so fully every service that they could hardly even move. Even people put newspaper or polystyrene on the stairs and sat on them. The then-Friday All-night Service

was especially full of the fire of the Holy Spirit such that young adults should wipe the condensation that formed on the ceiling with mops after the first half. Above all, I was really moved by Dr. Lee because he always considered and helped his members, helped other churches, and loved souls. He also treated his members just as his family. I learned about how pastors should perform their ministry through him.

He raised pastors including me by offering places to stay, food to eat, and tuition fee so that we could focus on becoming true pastors. He always taught us that pastors should throw away greed and selfish motives and receive everything from God. We were also taught to achieve the sanctification of heart to receive power. Because he believed that we would be renewed although we had many shortcomings, we could become what we are now (from left, Pastors Hyunkwon Ju, Hyukhee Cho, Daehee Cho, Jeonhwan Cha, and Sunghoon Ahn).

More than thirty years have passed since the opening of the church. By the time it opened, God told the church about the world mission and the ministry to Israel that the church would achieve at the end time. When I saw every word of God being accomplished one by one, I could not say anything but, “God is really wonderful”. I give all thanks and glory to God who allowed me to become a pastor in this blessed church that has led and will continue to lead all people of all nations to salvation.

Bird’s-eye View of Grand Sanctuary on the cover of the church’s bulletin

By the time the church opened, God gave the church a vision to construct the Grand Sanctuary. In September 1982, God showed 17 church members what the sanctuary will look like. One member saw its roof, another saw the inside of the sanctuary, another saw the rear part, and another, its ninety six beautiful pillars. The roof was designed to open in the shape of the cross, and the sunshine can come into the inside of the building. The altar revolves at the center of the sanctuary.

The God of love allows for the Grand Sanctuary to be built by His true children whom He will gain through tears, sacrifice, and patience. He will reveal His glory and it will be accomplished when the church’s pastors and members complete the holy temple in their hearts. Then they will construct the Grand Sanctuary and achieve the providence of God towards all people of all nations. Thus, they have strived to achieve sincere hearts in full assurance.

“The Israeli Ministry Has Been Achieved by Love and Power”

Deacon Ronya Y. Son,
Parish 15, Manmin
Central Church

When the church opened, God told us that we should spread the gospel to God’s Elect Israel at the end time, and it was our church’s duty. We heard that even Jewish people who had not accepted Jesus Christ as their Savior would repent and it would result in the returning of the gospel to Israel.

On July 25, 2007, which was the anniversary of the church’s opening, God let us start our Israeli ministry in Nazareth. Senior Pastor Dr. Jaerock Lee visited areas all over the nation for three years. He preached the holiness gospel and performed signs, wonders, and powerful works.

In September 2009, the last year of the ministry, he conducted a crusade in Jerusalem, the center of Israel (Photo below). He proclaimed that Jesus Christ is our only Savior and confirmed it through countless powerful works. This crusade was broadcast to around 220 countries. Gratefully, I joined this ministry as a Russian interpreter.

In 1992, under the guidance of God, I left for Russia to study Russian. At that time Russia was unstable because it had not been long since it opened its door. I was just 21, and everything including language, food, and all surroundings was unfamiliar, and I felt lonely. But I overcame everything with faith. It was possible because I had a vision to become a worker who helps the shepherd accomplish the world

mission.

I came back from Russia after studying for six years, and I became a Levite worker. Since then I’ve been doing works related to Russian-speaking countries. In 2007 the Israeli ministry began in earnest. Many Russian speaking Jewish churches and pastors started to join Manmin and more and more people all over Israel joined.

Though it was not very easy, Senior Pastor conducted the Israeli ministry and did it with faith, love, and power. In one Pastors’ Seminar, he said, “I truly love Israel!” I felt his sincere and earnest heart and interpreted it with tears. The Israeli pastors seemed to feel the same and sobbed. They continued to say thanks to the Lord who sent Senior Pastor to Israel.

The love and power of the shepherd has borne the fruit of the gospel in Israel. One of the fruits is Crystal Forum (Israeli Pastors’ Association, left). They have spread the news about Manmin in the world through festivals, handkerchief healing meetings, and seminars. The ministry of Manmin will continue until the providence of God towards Israel is completed. Hallelujah!

“Countless Churches in Africa Hope to Work with Manmin!”

Bishop Dr. Myeongho Cheong, Chairman of United Holiness Church of Jesus Christ, Africa/Nairobi Manmin Holiness Church in Kenya

In 54 African countries there are many churches and church groups that have joined in Manmin's ministry.

They want to learn the holiness gospel because they know it was given in the Holy Spirit's inspiration and it allows them to know the heart and will of God. Moreover, they can see many powerful works that attest to the gospel. So, they are sure that Manmin has been guided in God's providence at this end time.

On November 29, 2015, Dr. Kabutu Biriage, Bishop of Bethsaida Missionary Center in DR Congo (BMCC), President of Kibu Province Pastors' Association, and Professor in Goma University attended Nairobi Manmin Holiness Church's 15th Anniversary Service. When he heard about the powerful works of Senior Pastor Dr. Jaerock Lee, he was very surprised. He said he wanted to belong to Manmin and open Goma-Bethsaida Manmin International

Seminary.

He invited me to Goma City Pastors' Seminar and Crusade in June 2016. I preached about the providence of God's creation and the providence of human cultivation. When I preached, many people repented and more than 150 pastors agreed to open Bethsaida Manmin International Seminary.

Moreover, next day, the whole group of BMCC registered as Manmin's branch churches, and the

members were very pleased.

BMCC is a group of hundreds of churches, and it has its primary, secondary schools, and college. This big organization's registration let us expect great revival in the eastern area of DR Congo with Goma at the center. Like this group of churches, God has prepared good pastors and guided them to join the ministry of Manmin.

I give all thanks and glory to God.

“I Am the Witness of the Living God Who Has Worked for Manmin!”

Pastor Dalcheon Lee, 10th Parish Pastor, Manmin Central Church

Thirty one years have passed since I was guided to this church by my friend in October 1985. I have seen, heard, and experienced endless signs, wonders, and powerful works of God. I have seen many people who came back to life from death. I myself was also healed. In fact, I was born weak and went to hospitals and pharmacy so many times that my medical insurance card became worn quickly. But since I became a Manmin member at the age of 33, I have never taken any medicine and have stayed very healthy until now and I am 64. I have performed my ministry as a pastor for 22 years in good health.

My second daughter, Praise Leader Rose J. Han had serious tuberculosis. She would not be alive now if she

had taken the worldly medicine. But she was completely healed through Senior Pastor Dr. Jaerock Lee's prayer of love. Now she is glorifying God with praise.

My grandson, Yoonhyung Chae, age 6 suffered from atopic dermatitis so bad that his face was covered with oozing sores, but he was healed through Dr. Lee's prayer. And my daughter-in-law had recurring miscarriages, but my granddaughter, Yoonsun Han, age 6, was born healthy through Senior Pastor's prayer and now she is growing up healthy.

Above all, I followed Senior Pastor at his many revival meetings and overseas crusades. Among them, I still feel thrilled when I reminisce about India United Crusade that was

conducted in great downpours in 2002.

I remember Marina Beach in Tamil Nadu filled with so many people that looked like sand. The crusade attracted three million people in total. I remember the people's shining eyes and the rain and winds that made trees shake so much so they looked like they would soon be uprooted.

In that great downpour, the calm but powerful voice of Senior Pastor resonated, “Don't be surprised by this kind of rain.” The people in attendance did not move and paid attention to his message in the heavy rain.

And Senior Pastor preached in the rain about why Jesus is our only Savior as well. Before the

crusade, Tamil Nadu Prohibition of Forcible Conversion had been put in effect, and the crusade organizing committee asked him not to preach about Jesus Christ. However, he proclaimed more boldly and strongly about Jesus Christ. Then, he raised his hands up and started the prayer for the sick.

Many demon-possessed people who were screaming came to be set free from evil spirits, and so many people were healed of their diseases. They went up to the stage to testify to their healing.

Such works were manifested wherever he conducted crusades, and the countries have been blessed both in spirit and body. I give all thanks and glory to God who has performed the ministry of Manmin with power.
