## “My Hometown of Faith Is in South Korea”

Overseas Parish, Chinese Parish,  
and Lord’s Love Mission Found Happiness in a Foreign Country

Many of the foreigners who left their home countries and settled in Korea are said to be having problems due to cultural differences, diseases, and financial situations. But those of them who were guided to Manmin Central Church have solved their problems through the holiness gospel and the power of God and now are in true peace and happiness.

### Overseas Parish Is United as One in Love

The Overseas Parish consists of the church members who came from ten countries and settled in Korea.

The Parish consists of six cells for those who are speaking English, French, Russian, Spanish, Japanese, Mongolian, Vietnamese, etc. The cell leaders learned Korean for a short while by the Lord’s grace so they are recognized in their work places and help parish pastors through translation when they visit other members.

Since they have learned goodness and love through the holiness gospel, they came to have peaceful families although the divorce rate of multicultural families is high due to communication problems, cultural differences, and conflict between mother-in-laws and daughter-in-laws. Vietnamese Cell Leader Deaconess Riu, age 33, said, “Though living in a foreign

country, I am happy because nothing is impossible in the Lord. My cell experienced revival last year and I received the ‘Excellent Cell Leader Prize’. My husband’s business is also full of blessings. And, my eye vision improved as I translated the sermons for interpretation.

The members are different in nationalities and races, but they feel the shepherd’s love, so they help and take care of one another and become united as one with the love of the Early Church. Overseas Parish members dream to spread the holiness gospel in their home countries.

### Chinese Parish Experienced God’s Power and Eagerly Run towards Heaven

Chinese Parish is composed of two parishes: one consists of ethnic Chinese and the other of Chinese-Koreans. The parish has singers’ teams and dancers’ teams, so they are in charge of preliminary praise and special praise in their meetings.

They used to have a hard time in sick bodies and scarred hearts, but after being guided to Manmin they were healed of many diseases at once and received solutions to their problems. Now they are full of hope.

Deaconess Wolsoon Kim, age 80, was healed of macular degeneration vision failure and glaucoma,

Deaconess Yeonok Kim, 78, of breast cancer, Deacon Chunil Kim, 55, of chronic asthma, Deaconess Soonja Kim, 68, of the aftereffect of stomach cancer, Deaconess Minhwa Lee, 60, epidural leakage, and Senior Deaconess Youngsook Jang, 52, of a lump in breast and anemia, and Deaconess Ilhwa Kim, 49, of heart disease, depression, and sociophobia. Testimonies are overflowing in the parish.

Senior Deaconess Changsoon

Won, age 63, said, “On the first day I came to church, I was healed of functional disease of the eye and herniated lumbar disc through Dr. Jaerock Lee’s prayer during the service. I came to read small letters for my eye sight improved.”

Chinese Parish members look after those who are in difficulties and devote themselves to spreading the gospel and fulfilling their duties. So, their parish has experienced revival.

### Lord’s Love Mission Found Peace and Happiness in South Korea

# The Spiritual Meanings Contained in the Name of the Lord Jesus

“And there is salvation in no one else; for there is no other name under heaven that has been given among men by which we must be saved” (Acts 4:12).

The prophecy of Jesus’ birth appeared in several parts of the Old Testament including Genesis, and it was fulfilled around 2,000 years ago.

Human history is divided by His birth. ‘B.C.’ is the abbreviation of “Before Christ” and refers to the history before Jesus’ birth, and A.D. is that of “Anno Domini” denoting time after the Lord.

Then, why did Jesus, who is God’s Son, come to the earth? And, what spiritual meanings are contained in His name?

## 1. The Reason Jesus Came to the Earth

God formed man of dust from the ground in His own image, and breathed into his nostrils the breath of life; and man became a living being (Genesis 1:27; 2:7). But the first man, Adam, ate from the tree of the knowledge of good and evil. His spirit died. Then, his communication with God was severed and he became a man of flesh (Genesis 3).

Romans 6:16 reads, “Do you not know that when you present yourselves to someone as slaves for obedience, you are slaves of the one whom you obey, either of sin resulting in death, or of obedience resulting in righteousness?” In other words, when a man commits sin, he becomes a slave of Satan. He loses God’s image and fails to keep his duty as man who reveres

God.

However, to save sinners, the God of love sent His only begotten Son, Jesus, to the earth. Because humans had come to seek after their lusts just like beasts, He was born in a stable intended for animals not for human beings. He was laid in a manger to become true food for them.

Concerning this, John 6:51 says, “I am the living bread that came down out of heaven; if anyone eats of this bread, he will live forever; and the bread also which I will give for the life of the world is My flesh.” Moreover, He took the way of poverty to redeem men from poverty although He is the King of kings and the Lord of lords.

Finally, He was crucified and shed His precious blood, and thereby redeemed all mankind from sin. He sent the Holy Spirit to whoever believes and gave them the right to become God’s children (John 1:12).

## 2. The Spiritual Meaning in the Name of Jesus the Lord

In Acts 4:12, Peter and John boldly preached the name of the Lord Jesus before the great priests and elders, saying, “And there is salvation in no one else; for there is no other name under heaven that has been given among men by which we must be saved.” They emphasized it is only the name of the Lord Jesus under heaven by which all mankind can be saved.

Now let’s delve into the spiritual sense contained in the name of the Lord Jesus who saves us.

### 1) His Name Connotes Only ‘Yes’ and ‘Amen’

Philippians 2:6-7 says, “Though He [Jesus] existed in the form of God, [He] did not regard equality with God a thing to be grasped, but emptied Himself, taking the

form of a bond-servant, and being made in the likeness of men.” A bond-servant follows the master’s will, and feeling. Jesus obeyed God’s will completely with the heart of a bond-servant.

Since He has no sins at all, there was no reason He died on the wooden cross which is the curse of the Law. But by Jesus’ obedience and death, God could accomplish the providence of human salvation that God planned before the ages. Then, what did God do for Jesus who obeyed only with ‘Yes’ and ‘Amen’?

Philippians 2:9-11 reads, “For this reason also, God highly exalted Him, and bestowed on Him the name which is above every name, so that at the name of Jesus every knee will bow, of those who are in heaven and on earth and under the earth, and that every tongue will confess that Jesus Christ is Lord, to the glory of God the Father.” That is, because He perfectly fulfilled God’s will only with ‘Amen’, He became the King of kings and the Lord of lords as the Savior.

### 2) His Name Includes Authority and Power

John 1:3 states, “All things came into being through Him, and apart from Him nothing came into being that has come into being.” Jesus existed in the form of God, and has the authority to control all things as the Creator.

That is why even winds and the sea obeyed. By His Word the winds and sea became calm. When He cursed the fig tree with no fruit, it withered that very moment. The following verses from Matthew 9:2 illustrates Jesus’ healing of a paralytic. He said to the paralytic, “Take courage, son; your sins are forgiven.” And He also said, “...

and so that you may know that the Son of Man has authority on earth to forgive sins.”

Jesus who came to the earth to fulfill the duty as the Savior has the authority to forgive sins and save sinners from the punishment of sins. Moreover, He has the power to heal people of all kinds of diseases and infirmities and to bring the dead back to life.

Therefore, anyone who relies on the name of the Lord Jesus Christ and asks with faith in Him can be forgiven of their sins and reach salvation. They can receive answers to whatever they ask as well.

### 3) His Name Contains God’s Love

God is love itself, and He confirmed His love for us by giving His Son the Lord Jesus on the cross for us (Romans 5:8). It is as said in Isaiah 53:5 that reads, “But He was pierced through for our transgressions, He was crushed for our iniquities; the chastening for our well-being fell upon Him, and by His scourging we are healed.”

Jesus took the suffering and the curse of the cross on behalf of us due to our sins and iniquities. Thereby we were forgiven of our sins and came to have true peace and rest. It comes from the love of God. That is, the name of Jesus Christ contains the deep and great love of God.

Dear brothers and sisters in Christ, I urge you to understand the spiritual meaning contained in the Lord Jesus’ name, obey God’s will, and experience God’s authority, power, and love. I pray in the name of the Lord that you will enjoy God-pleasing life and become the Lord’s beautiful bride who longs for the Lord’s coming.

# “We Are Happy in the Lord!”

Here are the testimonies of those who were guided to the Lord’s arms when they shed tears alone in suffering, experienced the power of God who saved their family members from death through the prayer, and those who felt God’s love that caused all things to work together for good.

## “I Had Depression and Fell into Coma, But I Came Round and Became Mentally Healthy!”

Brother Jaswant Singh, age 69, Chennai Manmin Church, India

In November 2014, I visited my sister who was living in the city of Chennai in the southern part of India and I was guided to Chennai Manmin Church. I had been suffering from sorrow because my wife died a year before. I even had difficulty in breathing when I laid down and got up.

In July 2016, I was diagnosed with depression, which could cause suicidal urges. On August 2nd I again had difficulty in breathing and went to hospital. The next day I was moved to the Intensive Care Unit. I asked my daughter to call Pastor Joseph Han who was at the Manmin Summer Retreat in Korea and told her to ask him to receive Dr. Jaerock Lee’s prayer for me. On the 6th day after staying in hospital, I had a heart attack and fell into coma.

On August 7 on Sunday Pastor Han shook hands with Dr. Jaerock Lee with my name on his right palm. Right at the moment, a miracle unfolded. I came back from coma! I was moved to a general ward and left hospital the following day. I was completely healed of depression. Hallelujah!

## “My Husband and I Received the Award from Superintendent of Education”

Deaconess Kayoung Park, age 34, Parish 17, Manmin Central Church

In my school years, I received much grace from Senior Pastor Dr. Jaerock Lee’s lectures on Genesis and came to dream about becoming a science teacher who let students know God the Creator. Until I was appointed as a teacher in the high school I had been working under conditions of high competition, but I could overcome everything in faith because of Senior Pastor’s prayer. In order to repay the grace, my husband and I entered the Master’s program of Education in 2016.

In spite of such a small effort on our parts, God gave us great blessings back at the end of 2016. My husband Deacon Sungjin Kim, who is an elementary school teacher, won the prize from the Superintendent of Education in recognition of his contribution to educational policy, and I received two prizes from the Superintendent of Education receiving credit for developing creative teaching methods in science education for gifted and talented students. We also gained master’s degrees in the graduate school of education in Yonsei University.

Not only all this, but my family was evangelized! All family members became church workers in each mission. I give all thanks and glory to God for His love.

## “I Was Admitted to Vocal Music Department of Seoul National University”

Brother Hyungmin Woo, age 20, Busan Manmin Church

I suffered from many kinds of diseases including eye disease, hand-foot-and-mouth disease, and impetigo. But I was healed of them by Senior Pastor Dr. Jaerock Lee’s prayer and became healthy.

I started to learn vocal music when I was an 11th grader because I like to sing Manmin Praise very

much. I knew I could not do it with my own strength, so I received Senior Pastor’s prayer before vocal lessons. I put the handkerchief on which he had prayed in my pocket when I sang in competitions (Acts 19:11-12). I was able to win many great prizes even though I had only studied vocal music for a short while and competed with other competent students from the Arts High School. My achievements surprised many people around me.

God gave me faith that I could enter Seoul National University if I walked in faith. It seemed very hard for me to prepare for the entrance for such a short time compared to other students who had studied vocal music since they were quite young. But I relied on the Almighty God and eagerly prepared for the test.

I had several dreams where Senior Pastor appeared and they made me even more confident about my admission to the university. With peace in mind, I checked the list of successful applicants. When I saw my name on it, I could do nothing other than say, “God has made a way for me!” I give all thanks and glory to God.

## “The Comminuted Fractured Bones Recovered”

Elder Seokgil Song, age 56, President of Men’s Mission, Manmin Central Church

On June 18, 2016, I was severely injured while riding a bike. My doctor said my right shoulder blade was dislocated, and some part of the bone was crushed. He said I should have surgery to fix the broken parts with pins. A few doctors tried setting my dislocated bone several times but they failed. I received Senior Pastor Dr. Jaerock Lee’s prayer for the sick that was saved on my smart phone.

Afterwards, when the doctor tried one more time the bones immediately reset. Moreover, the crushed parts of the bone were rejoined together in their places without the surgery. On July 3, I received Senior Pastor’s prayer

when he came back to the church from the mountain prayer house. I felt cool and comfortable during the prayer. In the evening, I took off the protective support and came to live normally. Hallelujah!

Before the prayer

Due to external injury, the right shoulder joint was dislocated and greater tuberosity of humerus was broken into small pieces.

After the prayer

The fractured parts of greater tuberosity of humerus were rejoined to their places as if they had been joined through the surgery and the dislocated bone was also in its place.

## “I Used to Suffer from Many Diseases and Had Thought of Suicide, but I Was Newly Born!”

Brother Seokjoong Kwon,  
age 66, Parish 9, Manmin Central Church

In deep despair and pains caused by many diseases, I was thinking of suicide. Both of my arms felt numb for ten years and my fingertips felt stabbing pain. And I had surgery on my torn cartilage in my knees but it was not completely cured. So, I cannot walk normally.

I even had to urinate every five or ten minutes because of the after-effect of prostate cancer surgery I had undergone seven years ago. Worse than all that, I had insomnia. It was not easy for me to sleep even for an hour a day.

In March 2016, while I was contemplating suicide Cell Leader Kongsun Yoo urged me to come to church and meet God. With the heart of a drowning man who clutches at a straw, I registered in Manmin Central Church. I offered up the services with longing to live and received Senior Pastor Dr. Jaerock Lee's prayer for the sick. Three days later I had a dream that a big circular rainbow appeared in the sky above the church. Afterwards I felt happy for no apparent reason.

I attended the church for several more weeks, and I was amazed by what happened to my body. The numbness in my arms and pain in my fingertips were all gone, and my knees became normal. I came to be able to walk and jump normally. I could pray on my knees without

discomfort.

A yellowish lump-like substance came out when I urinated. Since then I came to urinate without any problem; I was healed of the aftereffect of prostate cancer. I used to be tired all the time but now I am not because I no longer suffer from insomnia. I feel so good!

After I recovered health by God's grace, I began to work as a carpenter again. As I was leading a happy Christian life with assurance of the living God, I had an amazing experience again.

I previously had bad eyesight and even eye glasses could not correct my vision. I could not read books because letters were out of focus and blurred. In August 2016, however, through Senior Pastor's prayer for the sick, my eye vision improved. Now I can see everything clearly without glasses, so I am reading the Bible and Senior Pastor's books.

My wife, Sister Songlim Son, was also healed of severe arthritis in her knees on the first day she came to church. Now she always says she is so thankful to know our good church.

I give all thanks and glory to God who healed me who was on the way to death in pains and despair by the prayer of power and renewed me to become a person who hopes for Heaven. Hallelujah!

## “My Mother Was in Coma Due to A Heart attack, but She Came Back to Life!”

Deaconess Sohee Kim,  
age 53, Parish 24, Manmin Central Church

Around 9:30 A.M. on Monday on December 12, 2016, I got a call from 911 Emergency Center. They said that my mother, Senior Deaconess Kyunghwa Yeo, age 79, had collapsed on the street due to a heart attack.

Rescue workers resuscitated her heart but she lay in coma in the emergency room of Seoul National University Hospital. She was moved to the intensive care unit for cardiovascular disease patients and had cardiovascular surgery. But her

doctor said that chances were very low that she would come back to consciousness because her heart was resuscitated twenty minutes after her cardiac arrest. He added that even if she came back it was 100% certain there would be brain damage.

Together the church members prayed for her, and my parish pastor also prayed for her with the handkerchief (Acts 19:11-12). Because she was in the intensive care unit, the visitation to her was restricted. But when I entered, I let her hear Dr. Jaerock Lee's prayer for the sick by my cell phone.

Thirty five hours passed after she collapsed. At 7 P.M. on 13th, a miracle happened. I let her hear Senior Pastor's prayer repeatedly as soon as I entered her room. About twenty minutes later my mother's lips moved and she said, “Amen!”

When I kept letting her hear the prayer, she said more clearly, “Amen,” and when I called her “Mom!” she nodded. Around 8 P.M., she opened her eyes and moved her hands and feet following the doctor's instruction. Hallelujah!

On 14<sup>th</sup>, her doctor came and said to me, “I was so surprised to see her so normal. Honestly, I thought she would not awaken.”

In the afternoon, her respirator was removed, and her CT scan showed no problem in her brain. She recovered very fast. On 16th, her nasogastric tube for feeding was removed. She came to be able to drink water and yogurt and eat well.

She was discharged from hospital in twelve days, and now she has restored energy and is living normally. Her memory is normal, and she can talk and move freely. She is full of thanks for God's protection in the shepherd's space.

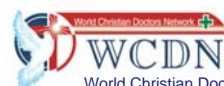

I give all thanks and glory to the God of love who perfectly protected my mother in such a critical moment.
