The Works of Healing, Answers, and Renewal Occurred at Muan Sweet Water Site

Countless people who came from many different countries and different church denominations have been healed and fulfilled their hearts' desires at the Muan Sweet Water Site.

On August 10, after Manmin Summer Retreat 2017, more than 1,000 pastors and believers from 32 countries went to Muan Manmin Church in Haejae-myeon, Muan, Jeonnam Province. After having lunch, they experienced the spiritual world watching the sky and dipped themselves in the Muan Sweet Water Pool.

The church was founded on an island connected to inland area through a reclamation project, so the people could not get drinkable water from the wells they dug. The only water they got was salty sea water. At the time Pastor Myeongsul Kim, who ministers to the church, and the church members began to earnestly pray with the biblical record written in Exodus 15:25, which reads, "Then he cried out to the LORD, and the LORD showed him a tree; and he threw it into the waters, and the waters became sweet..."

In March 2000, God accepted Senior Pastor Dr. Jaerock Lee's prayer on their behalf during his mountain prayer time and God changed the salty sea water into sweet

drinkable water. It was named Muan Sweet Water. In 2007, its safety and excellence was confirmed by the tests conducted by the U.S. Food and Drug Administration.

In 2 Kings Chapter 5, Naaman, who was a leper, dipped himself in the Jordan seven times according to the word he received from Prophet Elisha. Then, his flesh was restored and he was clean. The visitors to Muan Manmin Church also dipped themselves seven times in Muan Sweet Water Pool with faith and experienced the works of God.

Deaconess Thitikarn, age 42, from Thailand, said, "I had muscae volitantes (floaters) in my right eye for ten years. It felt like dirt and bugs were floating in the eye. It made things look blurred, and it was so uncomfortable. But after I dipped myself in Muan Sweet Water Pool, the symptom was gone! I came to see well!" Sister Laura Granada, age 21, from Colombia was healed of skin rash, and Brother Mahesh, age 35, from India was set free from pain in his eyes and became healthy.

Many other visitors recovered better eyesight, and there were those who were set free from all kinds of pains including backpain, knee pain and menstrual pain. Others were healed of high fever, edema, and dermatitis.

There were also many who saw the image of the Lord, angels, and jewels as their spiritual eyes opened.

At the Muan Sweet Water Garden, visitors tasted salty sea water pumped from a well adjacent to the Muan Sweet Water well and then tasted the Muan Sweet Water. They felt again the greatness of God's power that changed the salty water into the sweet drinkable water.

Deaconess Kazumi Akushichi, age 59, from Japan saw aurora light and the image of a lion among the four

living creatures, and Brother Suresh, age 31, from India while looking at the sun saw the sea and a ship with countless people, angels and the image of a heart. Sister Arnong, age 26, from Thailand saw angels, the doors opening around the sun and light coming out from them. Many of the people saw things like golden and silver powder in the air, the Holy Spirit's sword, a cross, prophets, the Garden of Eden, crystal ships, keys to Heaven and a big angel. They were filled with joy.

"I Was Healed of Skin Allergy, and I Saw Angels!"

Brother Jihosuya Jena,

President of Shalom Odisha Children's Home, Delhi Manmin Church, India

I had a boil on my eyelid for nine months. It hurt and caused many problems in my life. However, in October 2015, after I dipped myself in the Muan Sweet Water Pool it was gone. At the time, I took Muan Sweet Water back to India and gave it to workers in my orphanage and gave some to my old friends. I heard later that they

were also healed of dermatitis, stomach disorders, and a fever.

This year, I paid a visit to Muan Sweet Water Site again after the retreat. I had suffered skin allergy on my neck for ten years. It was itchy and uncomfortable. But after I submerged myself in Muan Sweet Water Pool, it was not itchy. I was healed! I also saw an angel's face clearly, even the eyes and nose. I experienced the spiritual world. My belief in the existence of Heaven and Hell became strong, and I was determined to try harder to live by the Word. Hallelujah!

Senior Pastor Dr. Jaerock Lee

“Have this attitude
in yourselves which was
also in Christ Jesus”
(Philippians 2:5).

Our lives are to be led to prepare for the eternal life in heaven. As Hebrews 9:27 says, “And inasmuch as it is appointed for men to die once and after this comes judgment...” every single person will eventually die and be at the crossroads between Heaven and hell. Then, in this life, what should you cherish most and what do you have to seek after?

1. You Have to Love God above All Else.

Jesus' heart was filled only with God. He lived only to fulfill God's providence. He did not seek any glory, honor and authority that He could have enjoyed as one Person of God the Trinity. When He was despised while taking the cross, He only wanted to fulfill the will of God, because He loved the Father God so much.

The God I met was such a good God. Everyone turned their faces from me when I was sick, and I had no hope of avoiding death. But God still came to me and revived me. The 7 years of suffering in the very pits of life were brutal, yet I felt the love of God even more greatly for saving me from that suffering and pain. Furthermore, I realized I would have had no choice but to fall into hell as a sinner, but God saved my soul.

I came to learn what kinds of sufferings Jesus had to go through to save me. I wept so much because of that love. Can you give your life

for someone else? For the person you love the most, if you had to be flogged until your whole body is torn apart and if you had to be nailed through your hands and feet and die on a cross shedding all your blood, would you do it without hesitation? Also, is there anybody in this world who would do such a thing for you?

Even when we did not know God, God and the Lord did such a thing for us. When I realized this love, I couldn't but love God. I loved God more than my family and even my own life. So, I unconditionally obeyed God's will, and I tried to do anything that was pleasing to Him.

If you love God the foremost of all, you will also love and trust the shepherd who delivers the heart of God to you and teaches you the truth. Also, to become joy to God and to become the strength to the shepherd, you'll cast away sins and give up the worldly things. When you go to work or study, you wouldn't do it for yourself but you'd think about the ways to give glory to God by acquiring more experience and greater skill.

Then, God will also guide you to the best way. When you love God above anything and all else, you will be able to make your life, which is given only once, the most valuable one.

2. You Have to Love the Souls.

Our Lord wants to give only good things to the souls even if it means He has to sacrifice His life. He was interceding for the souls even at the moment He was dying on the cross. Those who have this attitude of the Lord would love and serve the souls more than their own bodies.

Philippians 1:23-24 says, “But I am hard-pressed from both directions, having the desire to depart and be with Christ, for

True Value

that is very much better; yet to remain on in the flesh is more necessary for your sake.” Paul preached the gospel despite countless persecutions, and eventually he was placed in confinement in Rome. He didn't consider confinement hard, nor was he afraid of death. But rather he wanted to be with the Lord immediately. But, he was living each day's life for the souls entrusted to him.

It's the same with me. I yearn to be with the Lord. I don't have any desire for anything in this world. But I live each day of my life the best I can for the souls that the Lord entrusted to me. Once, God showed me Hell. Then He gave me the duty to spread the gospel all over the world so that more souls would be won. Also, He is telling me to change the souls with the truth and fill up the city of New Jerusalem. This is the reason why I am living on this earth.

When they are changed day after day with love for God and when they are healed of diseases and receive blessings by faith, these things glorify God. And, seeing them give glory to God through these things has given me the strength to continue to go on each day of my life.

You will also try harder to preach the gospel the more you feel the Lord's heart for the souls. You will take care of and pray for those souls who have weak faith. If there are brothers and sisters who are going through trials, you could pray for them or even offer fasting for them. When you see those who are in need, you could help them.

As you practice love, God is very pleased with you and gives you tremendous blessings. Saving the souls who were dying and giving strength to and helping the souls who were too weary to stand upright, these things are

truly something valuable. I ask you to practice what is good, which is to save lives through prayers, charitable work, and evangelism.

3. God Wants You to Enjoy Eternal Happiness in Heaven.

Those who have the attitude of Christ Jesus, above all, will prosper in all things and be in good health just as their souls prosper. They'll be blessed whether they come in or go out, and they'll become the head and not the tail as written in Deuteronomy 28. What men build up might fall down any time but the blessing given by God is firm and it will not be shaken.

Finally, when we reach the eternal kingdom of heaven, God will give us beautiful dwelling places and true happiness according to the extent that we have the attitude of Christ Jesus. God will give us glory and rewards according to what we've sown. God delivers His love to anyone, as you try your best to love God and serve the souls and sacrifice yourself for them within your measure of faith.

To the extent that we believe the Lord and keep His commandments, He gives us abundant grace and the strength to be able to finish this race of faith. I urge you to hold on to this love of God and choose the truth without wavering.

Dear brothers and sisters in Christ, if you realize true value in life and love God and your neighbors as yourself, you can have the attitude of Christ Jesus.

I want you to say, “The Almighty God is my Father and I can do it; I can do it thanks to the Lord; I am more than able to do it because my shepherd will never let go of me until the end of the world!” I ask you to follow the pleasing will of God each day. I pray in the name of the Lord by doing so you will dwell in great glory in Heaven.

At the Manmin Athletic Meet, Manmin Solidarity Developed through the Holy Spirit!

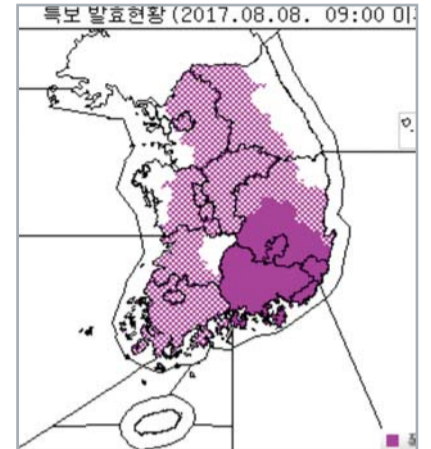

A Global Festival Full of Amazing Wonders Was Held in Goodness and Peace

Throughout the Manmin Athletic Meet the sun was covered by clouds and a pleasantly cool breeze continued to blow. It reminded attendees of heavenly winds. In this refreshing wind, they felt the great love of God all the more.

The temperature went over 30 degrees Celsius nationwide, and a heatwave alert was issued. But Muju, in Jeonbuk Province, which included the retreat venue, was an exception (Right). In the wonder of God, the weather was controlled for the best condition situation by situation. As people from 37 countries participated, many

foreign members competed in the games as a member of Branch Churches' Team and took the lead in achieving the victory. The team won 12 gold medals including the 100m sprint (men and women), relay races (male students, male pastors, and male and female adult members), long-distance races (male and female), mini soccer, ssireum [form of wrestling] (under 90kg and over 90kg), and arm wrestling (female, under 65kg).

All teams competed in the spirit of unity, goodness and peace, which brought Manmin members from all over the world into the unity in the Lord's love.

A Key to the Victory Is "Pleasing God"

The gold medal of the Mini Soccer match went to the Branch Churches' Team. The players belong to different branch churches from Daejeon, Yeosu, and Miryang, but they played in unity in the Lord.

Brother Farid Hernández from Colombia played in the game and said, "I underwent training for several years with hope to play soccer in God's sight. In such a match, I got a goal and my team won. I was really excited and happy. I will renew myself all the more

back in Colombia and run towards the city of New Jerusalem."

In the female tug-of-war, the 1st Great Grand Parish Team won the gold medal for the fifth time in a row. Senior Deaconess Jeongnyeo Bae, the director, prepared for the match with praying and giving offerings in Daniel Prayer Meeting. With the

goal of five victories in a row, the members went through training even after Daniel Prayer Meeting. Meantime, they were healed of shoulder tendon rupture, back pain, and stretched ligaments.

Sister Alina Palnikov from Sacramento, California in the U.S. won the gold medal in the female arm-wrestling match. During the Divine Healing Meeting on the first day, she was set free from pain over her body including her back caused by fibromyalgia syndrome that had troubled her since she was 13. She said, "I want to live in Korea as a member of Manmin." Her words tell us how amazing the retreat was.

Pastor Valerii Trenogin Bishop of Western Ural Area Mission, Russia

"The Manmin Athletic Meet was a well-prepared and well-organized event. All church members looked full of peace and love. It was good to see members from overseas countries participating in the games as members of Manmin.

The weather was fantastic. It was really amazing!"

Pastor Maksim Tomassov President of TBN Baltia, Estonia

"I felt the Lord's work leading all Manmin to strong unity in Manmin Athletic Meet. God's children competed in many different matches, received medals, and celebrated each other. This impressed me a lot. I want to come again next year with more people from Estonia so that they can feel the grace and goodness of God here together with other members."

Runners from Nairobi Manmin Holiness Church in Kenya

The highlight of every athletic meet may be the running races. In the races, the members from Nairobi Manmin Holiness Church made great contributions to the winning of the team. Ketupe Jacob (left) won gold medals in the 100m sprint, the men's relay race and the silver medal in the long-distance race. Mwendwa Catherine (right) won gold medals in 100m sprint, long-distance race, and the women's relay race. They also received MVPs in the Athletic Meet.

Brother Mutiso Abel won the gold medal in the long-distance race, and Pastor Edwin Otieno crossed the finishing line as the winner in the men pastors'

relay race (third and fourth from left in the picture below). They had hoped to meet Senior Pastor Dr. Jaerock Lee face-to-face, and their heart's desire was fulfilled.

The members of Nairobi Manmin Holiness Church watched the matches live on GCN (www.gcntv.org). When the players arrived at the Kenyatta Airport on August 14, they shared joy of victory giving the winners bunches of flowers.

On August 22, Maasai people held Thanksgiving Service and Celebration with Bishop Dr. Myongho Cheong as the speaker to celebrate the winner Jacob who is the son of the leader of the Maasai people.

Manmin Campfire Praise and Worship 2017 Filled with the Aroma of Joy and Thanksgiving!

On the third day of Manmin Summer Retreat 2017, the Campfire Praise and Worship event was held amid pleasant and cool winds. Senior Pastor, Dr. Jaerock Lee, led the praise, and Manmin members from in and out of Korea offered up thanks and joy because they understand the love and sacrifice of God, the Lord, and the shepherd that they came to live with hope for New Jerusalem. They praised with earnest hope of becoming God's true children and achieve the Lord's heart.

**“I Was Dying,
But Now I Am Here!
My Dream Came True!”**

Lahore, Pakistan
Sister Sehrish Cynthia

Campfire Praise and Worship was really amazing. It was perfect, and my heart was full of God's love. People from different cultures and nations gathered, but they seemed to be all one in the Lord. They all felt like a family and in the unity, I felt really happy. It was more than blessing to me. It was like a dream.

When I was seven, I suffered from celiac disease. It weakened me so extremely that I could not even receive a surgery. The doctor said there was no treatment for me and told my family to take me home. At that time, my sister was in Korea and received Dr. Jaerock Lee's prayer on my photo. I began to recover rapidly and soon I became healthy and left the hospital.

Since I came back to life, I have hoped to visit Manmin Central Church in Korea. My hope came true this year. I praised God together with Senior Pastor and Manmin members and felt so thankful and happy.

**“My Daughter Got Better
from Autism and My Son Saw
Countless Angels!”**

London, the U.K.
Elder Mathias Kasasa

I have attended Manmin Summer Retreats since 2014, and received so much grace at every retreat. In particular, my daughter has gotten better from autism every year by Dr. Jaerock Lee's prayer. Previously she did not speak but can speak now. She is now able to do many things. She even goes to school.

We attend every worship service and Daniel Prayer Meeting of Manmin Central Church on the Internet. My son and daughter would follow Manmin Praise in Korean. In Campfire Praise and Worship, they looked so happy as if they were in Heaven while praising with Senior Pastor.

Moreover, my daughter Joanita, age 14, saw angels bringing rain clouds when we praised with the song, “The Shepherd's Sacrifice-Tears”. My son John, age 11, saw angels blowing something like fog out from their mouths during the fireworks. He also saw countless angels dancing with Senior Pastor.

**“It's a
Heavenly Banquet
Full of Love!”**

Tallinn, Estonia
Pastor Grigori Kolessov

Campfire Praise and Worship felt so magnificent. It was like a heavenly banquet and God moved my heart so greatly. I felt the great love with which Senior Pastor Dr. Jaerock Lee has been praying for and leading each one of us. I was deeply moved.

The weather and the temperature were perfect, and the music was fantastic. The love of God manifested in the shepherd's sacrifice touched my heart so much.

The retreat venue was full of God's love, and we all glorified God with one heart. Brothers and sisters from many different countries praised God with love for Him as a family.

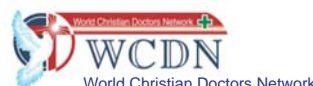

Particularly, Senior Pastor's great love moved my heart so deeply. I enjoyed God's great blessing in bliss and happiness.
